

E-Pathways: Your direct source for information

Dear Residents,

Tomorrow, Saturday, June 26th marks a historic transition as the Borough celebrates the public opening of the Schwenksville Borough Hall and Community Center. In November, borough hall operations moved from one former fire house at 140 Main Street to another former fire house at **300 Main Street**. The newly renovated facility provides ample meeting space for Borough Council and its advisory boards and boasts a wonderful multi-purpose community room that is perfect for community sponsored events but is also available to rent for private events. It also allows for the display of the wonderful collection of Bob Albright models of historic buildings that Mr. Albright and his family donated to the Borough with the express condition that they be shared with the public.

Please join us at 2 PM for a dedication ceremony followed by an open house. Light refreshments will be served while they last.

Consider Serving on the Borough Planning Commission

The Borough is looking for a volunteer to serve on the Planning Commission. The Planning Commission is an advisory board that reviews subdivision and land development plans, zoning and subdivision ordinances; participates in comprehensive planning and reviews and makes recommendations on Zoning Hearing Board Applications. A professional background in a related field or expertise is a plus but not a requirement. To apply please complete [this application](#). There are also multiple vacancies on the Borough's Park and Recreation Board. Interested parties can use the same application form.

Music in the Meadow Summer Concert Series Returns!

Wednesday June 16: 6:30- 8:30 PM

"Blonde . . . James, Blonde" is a 6-piece, 4-part harmony ensemble with studios in Spring City and Blue Bell. BJB is a "must see and hear act" who are as FUN to WATCH perform as they are musically ROCKIN'! **This concert was a huge hit!!!**

Wednesday July 21: 6:30- 8:30 PM

"The Left Edge" is known for dynamic and entertaining covers of Classic Rock-N-Roll ranging from Doo-Wap to Ozzie Osborne. Classic rock the way you remember it! Be here for their High Energy Show!

Wednesday Aug 18: 6:00 PM -8:00PM

"Rhodes Less Traveled" is a band shaped by years of performance and forged with rich, eclectic flavors. They blend style, substance, and melody with dynamic three-part harmonies to be enjoyed by all ages.

All concerts are held at Meadow Park located behind 300 Main Street. Parking is available in front, behind (trail side) and in the meadow near the boat ramp. The Boy Scouts will be selling refreshments but people are permitted to bring their own food and non-alcoholic beverages. Please no smoking on Borough property. Provide your own chairs and blankets for use in the meadow.

Sponsors: DJM Design CAD & Coordination Services, The Schwenksville Tax Collector Thomas Laconis, Wawa, Landis Supermarket, XL Home Improvements, Victory Bank, The Goddard School, Spring Mountain Adventures, Uninvest Bank and Trust.

Barry Isett & Associates Appointed as Third Party Building Inspection Company

At their May meeting, Borough Council acted to appoint Barry Isett & Associates, Inc. as the Borough's Third Party Building Inspection, Code Enforcement and Zoning Review service provider with a thirty day transition period.

The move was made in an effort improve the service provided to the Borough and to residents and business owners seeking to make improvements to their properties, start new businesses or sell their properties. Barry Isett & Associates is much larger service provider that has over twenty Master Code Officials on staff and provides full service Building Code Administration, Property Maintenance Code Enforcement Services, Zoning Administration and Resale, Rental and Change in Commercial Tenant Inspection Services.

Castle Valley Consultants Inc. will work to close out open permits over the next thirty to sixty days and new applications will be directed to Barry Isett & Associates.

The Borough's applications for building permits, zoning permits, pool permits, stormwater permits, highway occupancy permits, etc., were converted to On-line Submittable forms available from www.schwenksville-pa.org at the

beginning of the Pandemic. This submission process will continue, although adjustments may be made to the administrative forms and paperwork. The Borough's Fee Schedule will also need to be adjusted to ensure the application fees cover the full cost of services. All applications must be submitted to the Borough and payments received, before being processed by Barry Isett & Associates. **Please inquire whether a permit is needed for your project and seek approval before work begins. Verify that your contractor has indeed filed and received the necessary permits. Work without a permit results in the doubling of all permit application fees.**

Electronic Sign Is Re-activated

The electronic sign at 300 Main Street is operational again! After being shut down for more than a year due to construction and necessary updates, the much used and appreciated public communication tool is up and running again. To advertise on the sign please consult the Borough Website for the [application](#) and [fee schedule](#). Please check the sign for public information and important community messages.

Reservations for Borough Facilities

The Borough is now accepting [applications](#) for reservation of the various borough facilities available for public use. These include the Meadow Park Pavilion, the Schwenksville Community Room, the Borough Hall Meeting Room and the Main Street Plaza/Pavilion. Groups wishing to reserve these facilities should complete an on-line application. The Borough staff will determine availability and provide a link to the Facilities Usage Policy/Fee Schedule and Waiver of Liability Form. Groups larger than 25 persons for an organized outdoor assembly are required to get a permit.

Woodland Avenue on the 2022 List

As the Borough works to complete 2021 construction projects, we are already planning for 2022. The Borough was recently notified that its application for funding to repair the stormwater conveyance system and resurface the roadway has been recommended for approval for Woodland Avenue improvements. Design work will be completed over the winter and the project will be publicly bid in spring 2022.

Activities Around the Borough

Did you know that Pennypacker Mill Historic Site offers educational and fun programming? Attached is a poster covering the second and third of four programs they are hosting this summer

on the porch. This first person historical performance of Alice Paul, Suffragette portrays the author of the equal rights amendment. The second portrays John Wanamaker, the businessman who was a role model for modern business. A great opportunity for young scholars to learn about early activists and community leaders.

Free  **Summer Performances**

Enjoy outdoor entertainment focusing on first person historical characters. Bring a chair or blanket to sit on. Fun for the whole family!

Saturday, June 26th 7:00—8:00 pm
Meet Alice Paul, Suffragette

Meet Alice Paul, the author of the equal rights amendment and the driving force behind women's obtaining the right to vote in 1920. Ms. Paul will describe her experiences as a suffragette and bring home the importance of the cause that guided her whole life.

Saturday, July 17th 7:00—8:00 pm
John Wanamaker: Businessman, Philanthropist & Civic Minded Philadelphian

"Meet me at the Eagle," was a frequent suggestion for Philadelphians over the years. The statue was impressive and so was the store named for its founder, John Wanamaker. Civic-minded and charitable, Wanamaker fostered a progressive relationship with his employees.

- **Schwenksville Tax Collector:** In-person Collection dates will be on your Tax Bill. Please visit Tax Collector Tom Laconis's [Website](#) for more information. All in person collection is at 300 Main Street.
- **Voting:** Voting has been relocated to the Schwenksville Elementary School located at 55 Second Street for in person voting on election day. Montgomery County Voter Services should be contacted for alternative voting procedures.

Swimming Pools Should not be drained into the Street

[Schwenksville Borough, PA \(schwenksville-pa.org\)](http://schwenksville-pa.org) Storm drains carry stormwater directly to the Perkiomen Creek without treatment. Chemically treated water from swimming pools, greywater and soapy water from car washes are not to be drained to a street where it can enter the storm drain and flow to the creek. This is a leading cause of non-point pollution to our waterways. [DEP Swimming Pool Information](#)

Should you have questions or concerns about information contained in this e-newsletter; about projects being undertaken by Schwenksville Borough or about Borough operations please contact us at info@schwenksville-pa.org or call 610-287-7442. Residents are also welcome to attend a Council Meeting on the 2nd Thursday of each Month at 7 PM --except for January of even years when the Borough conducts a reorganization meeting the first Monday or day after a Monday holiday in January. Beginning in June meetings will be held in person at Borough Hall, 300 Main Street.
