Proclamation
“Parks Make Life
Better” Month

PROCLAMATION

“PARKS MAKE LIFE BETTER!” MONTH

JULY 2026

This resolution recognizes the importance of equitable access to local parks, recreation, trails, open space, and facilities for the positive development of all Californians and their communities. We, therefore, declare the month of July as Parks Make Life Better!® Month.

WHEREAS, Parks and Recreation **promotes physical, emotional, and mental health and wellness** through organized and self-directed fitness, play, and activity; and

WHEREAS, Parks and Recreation **supports the economic vitality of communities** by partnering with local businesses and non-profits, and offering events for resident’s engagement; and

WHEREAS, Parks and Recreation **creates memorable experiences** through youth sports and enrichment activities, teen centers and programs, senior activity centers, adult fitness, and enrichment programs, free community events, and beyond; and

WHEREAS, Parks and Recreation **fosters social cohesiveness** in communities by celebrating diversity, providing spaces to come together peacefully, modeling compassion, promoting social equity, connecting social networks, and ensuring all people have access to its benefits; and

WHEREAS, Parks and Recreation **supports human development** and endless learning opportunities that foster social, intellectual, physical, and emotional growth in people of all ages and abilities; and

WHEREAS, Parks and Recreation **strengthens community identity** by providing facilities and services that reflect and celebrate community character, heritage, culture, history, aesthetics, and landscape; and

WHEREAS, Parks and Recreation **facilitates community problem and issue resolution** by providing safe spaces to come together peacefully and serving as key points of service, helping our communities heal both physically and emotionally; and

WHEREAS, Parks and Recreation **sustains and stewards our natural resources** by protecting habitats and open space, connecting people to nature, and promoting the ecological function of parkland; and

WHEREAS, Parks and Recreation **supports safe, vibrant, attractive, progressive communities** that make life better through positive alternatives offered in their recreational opportunities; and

WHEREAS, Parks and Recreation remains **versatile and innovative** in providing vital services to communities through local, national, or global emergencies, all while adhering to guidelines set forth by governing agencies; and

WHEREAS, The California Park & Recreation Society has released a statewide public awareness campaign, “Parks Make Life Better!®” to inform citizens of the many benefits of utilizing parks, facilities, programs, and services; now, therefore, be it resolved that the citizens of California recognize the importance of access to local parks, trails, open space, and facilities for the health, wellness, development, inspiration, and safety of all Californians; and be it further resolved, that we declare the month of July as “Parks Make Life Better!®” Month.

AND BE IT FURTHER KNOWN, that the City Council of Selma does hereby proclaim and declare the month of July 2026 as "Parks Make Life Better!®" Month.

Proclaimed this 21st day of July
2026.

Scott Robertson, Mayor
City of Selma

Approval
Resolution 2026-68
Special Tax Levy

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of a Resolution 2026-68 approving a certified list of all parcels subject to a special tax levy pursuant to the City of Selma Community Facilities District No. 2006-1, setting the amount of the special tax to be levied on each such parcel for the 2026-27 fiscal year, and authorizing the placement of the special tax on the Fresno County tax rolls

SUBMITTED: Margarita Moreno, Finance Director/Treasurer

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Staff recommend Council approve Resolution 2026-68 Adopt the Resolution authorizing the levy of the Fiscal Year 2026-27 special tax for Community Facilities District No. 2006-1 (Vineyard Estates) on the 2026-27 Fresno County tax roll.

DISCUSSION:

On December 4, 2006, Community Facilities District (“CFD”) No. 2006-1 was formed for the Vineyard Estates development project. The purpose of a CFD is to provide financing of public improvements and services, including streets, sewer systems and other basic infrastructure, police protection, fire protection, ambulance services, schools, parks, libraries, museums and other cultural facilities. Once a CFD is formed, a special tax lien is placed against each property in the CFD. Property owners then pay a special tax each year for the aforementioned improvements and services.

Pursuant to the CFD’s formation documents, annually, the City’s Finance Department determines the amount of the special tax by increasing the base year tax by using the greater of the West Urban Area Consumer Price Index (CPI) or three percent (3%). Per the formation documents, the tax cannot exceed \$390.00 for a single-family residence and \$293.00 multi-family, plus the annual adjustment. The CPI for the West Urban Area was 3.5 percent and was used in calculating the increase for this special tax.

The Vineyard Estates project consists of multiple phases and parcels. Once a building permit is issued by the owner or contractor, the special tax lien is placed on the parcel for levy on the next property tax roll. A certified list of parcels and amounts is prepared to reflect each parcel that will be levied for the year. Although not all parcels will be taxed, the outstanding obligation accrues to the following year. For the fiscal year of 2026-27, the rate is as follows:

The revenues collected and are held by the City are used to pay for the the CFD:

Special Tax Per Unit	
Single-Family	Multi-Family
\$ 773.56	\$ 581.16

from the tax are restricted in a segregated fund, and following services within

- Police, Fire, and Paramedic Services
- Park Service
- Storm Drainage Services

Only property owners within the Vineyard Estates project are subject to the special tax. A total of \$112,166.20 will be collected for the tax year of 2027.

FISCAL IMPACT:

Estimates included in the adopted Fiscal Year 2026-2027 budget.

RESOLUTION NO. 2026-68

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA APPROVING A CERTIFIED LIST OF ALL PARCELS SUBJECT TO A SPECIAL TAX LEVY PURSUANT TO THE CITY OF SELMA COMMUNITY FACILITIES DISTRICT NO. 2006-1, SETTING THE AMOUNT OF THE SPECIAL TAX TO BE LEVIED ON EACH SUCH PARCEL FOR THE 2026-27 FISCAL YEAR, AND AUTHORIZING PLACEMENT OF THE SPECIAL TAX ON THE FRESNO COUNTY TAX ROLLS

WHEREAS, following the conduct of proceedings pursuant to California Streets and Highways Code §3114.5 and the Mello-Roos Community Facilities Act of 1982, as amended, commencing with §53311 of the California Government Code (“Act”) the City conducted proceedings pursuant to the Act, and a special tax was authorized to be levied within the City of Selma Community Facilities District No. 2006-1 (“CFD”), and the lien of the special tax is a continuing lien, secured annually; and

WHEREAS, in accordance with the Act and the proceedings of the City, on January 9, 2007, a notice of special tax lien was recorded in the Office of the Fresno County Recorder as Document No. DOC-2007-0004328, together with the names of the owners of Assessors Tax Parcel Numbers of the real property included within the CFD, and setting forth the amount of the special tax levied by such notice, accompanied by a recorded copy of the ordinance and rate of apportionment of the special tax by as follows:

Land Use Class	Description	Maximum Special Tax Per Unit, Subject to Annual Escalation Factor
1.	Developed single-family residence	\$390.00
2.	Developed multi-family residence	\$293.00

WHEREAS, the Ordinance and rate of apportionment provide that annually, on July 1, following the base year of 2007, the maximum special tax rates set out above shall increase automatically, in accordance with an annual escalation factor which is the greater of the increase in the annual percentage change of all urban consumers consumer price index, or three percent (3%); and

WHEREAS, the CPI for the West Urban Area is 3.5% and was used in calculating the increase for the special tax; and

WHEREAS, the City Council may, by resolution, provide for the levy of the special tax in an amount consistent with that set forth in the ordinance, and may order the special tax to be placed on the tax rolls of Fresno County.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The foregoing recitals are true and correct, and are incorporated herein by reference.

SECTION 2. Attached hereto and incorporated by reference as Exhibit A, is a certified list of all parcels subject to the special tax, as set forth in the Notice of Special Tax Lien, City of Selma Community Facilities District No. 2006-1, recorded January 9, 2007, as Document No. DOC-2007-0004328, including the amount of the tax to be levied on each parcel for fiscal year 2026-27 according to the terms of the Ordinance recorded with the foregoing notice.

SECTION 3. The City Council hereby approves and adopts Exhibit A, and the amounts set forth thereon are hereby levied as the special tax against the identified parcels for the current tax year. The City Clerk is directed to file a certified copy of this resolution with the County Auditor for placement of the special tax levied by this resolution on the County of Fresno tax rolls.

SECTION 4. Severability. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

SECTION 5. Effective Date. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED, AND ADOPTED at a Regular Meeting of the City Council of the City of Selma held on the 21st day of July 2026 by the following vote:

AYES:

NOES:

ABSTAIN:

ABSENT:

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of a Resolution **2026-69** Confirming the Report of Annual Refuse Collection Charges to be added to the 2026-2027 Fresno County Property Tax Roll

SUBMITTED: Margarita Moreno, Finance Director/Treasurer

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Staff recommend Council approve Resolution 2026-69 Confirming Report of Annual Refuse Collection to be added to the 2026-2027 Property Tax Roll for Solid Waste Collection, Disposal, and Recycling Services.

DISCUSSION:

Annually, the City of Selma along with Mid-Valley Disposal, the City's solid waste contractor, prepares a list of residential trash assessments for placement on the Fresno County property tax roll. The annual property tax rate was increased by the CPI of 2.18%.

This year's list includes 5,419 parcels for approximately \$2,636,077.92. The complete list is on file in the Finance Department.

If approved, the Resolution would authorize the 2026-2027 trash assessments to the Fresno County property tax roll.

FISCAL IMPACT:

Estimates included in the adopted Fiscal Year 2026-2027 budget.

RESOLUTION NO. 2026-69

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA
CONFIRMING THE REPORT OF ANNUAL REFUSE COLLECTION CHARGES
TO BE ADDED TO THE 2026-27 FRESNO COUNTY PROPERTY TAX ROLL**

WHEREAS, Health and Safety Code Section 5473 provide authority for the City of Selma to elect, by resolution, to have refuse collection charges to be collected on the tax roll; and

WHEREAS, in accordance with the provisions of Health & Safety Code Section 5473, a written report containing a description of each parcel of real property receiving such services and the amount of the charge for each parcel has been prepared and filed with the City Clerk ("Report").

WHEREAS, commencing on July 1, 2026, the maximum rates as set forth in Exhibit A shall be adjusted annually, thereafter on each subsequent July 1st, by multiplying each rate by the annual Consumer Price Index.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The above recitals are true and correct and are incorporated herein by reference.

SECTION 2. That the City Council of the City of Selma hereby approves and adopts the Report, and confirms and approves the charges therein.

SECTION 3. That the charges set forth in the Report shall be filed with the Fresno County Auditor-Controller/Treasurer-Tax Collector, and said charges shall be collected on the property tax roll all in accordance with State law.

SECTION 4. The City Clerk is hereby directed to file this Resolution and the Report with the Fresno County Auditor-Controller/Treasurer-Tax Collector.

SECTION 5. Severability. The provisions of this Resolution are severable, and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

SECTION 6. Effective Date. That the City Clerk shall certify the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED, AND ADOPTED at a Regular Meeting of the City Council of the City of Selma held on the 21st day of July 2026, by the following vote:

AYES:

NOES:

ABSTAIN:

ABSENT:

ATTEST:

Scott Robertson,
Mayor

Miriam Cruz
Interim City Clerk

Approval
Resolution 2026-70
Setting tax rate for
Fiscal Year 2026-27

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of a Resolution 2026-70 Setting the Tax Rate for Fiscal Year 2026-27 With Respect to General Obligation Bonds for Police Station Improvements

SUBMITTED: Margarita Moreno, Finance Director/Treasurer

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Staff recommend Council approve Resolution 2026-70 Setting Tax Rate for Fiscal Year 2026-27 with respect to general obligation bonds for police station improvements.

DISCUSSION:

The City received authorization from the voters in November 2016 to issue \$4,000,000 in General Obligation Bonds (Measure P) to finance the acquisition and construction of a Police Station and associated improvements (the "Police Station Improvements"). On August 1, 2016, the City adopted Ordinance No. 2016-4 which among other things called for an election on November 8, 2016 (the "Election") on the question of incurring a bonded indebtedness for the purpose of acquiring and constructing the Police Station Improvements and provided for the issuance and sale of City of Selma General Obligation Improvement Bonds (the "Bonds") to finance the Police Station Improvements.

Following approval of Measure P by the voters on November 8, 2016, on May 15, 2017, the City adopted a Resolution officially authorizing the issuance of the bonds and issued \$4,000,000 bonds on July 6, 2017.

The Bonds are general obligations of the City payable from and secured by taxes levied and collected in the manner prescribed by the laws of the State of California. The proposed resolution simply levies the tax the City is authorized to levy against all taxable real property in the City of Selma and sets the tax rate at a level necessary to pay for the interest and principal and on the General Obligation Bonds.

The 0.0130% tax rate for FY 2026-27 being set by the City Council is based on the debt service, the estimated FY 2026-27 assessed values for all rolls (secured, unsecured and utility), and existing fund balances will serve as a delinquency reserve. This ad valorem tax related to Measure P is anticipated to be collected through tax year 2046-47 with annual tax rate approvals by the City Council each July.

Because all taxes collected from the general obligation levy will be deposited in a special fund, and collections not used to pay debt service for the FY 2026-27 bond year will be retained in the fund to pay future obligations, the tax impact of any over-collection will be reversed in the following years. Estimated Tax Rate on property owners is:

Assessed Value	FY 2026-2027 Tax	Property Description
\$100,000	\$13.00	Base A.V.

The tax levy of the recommended 0.0130% will result in estimated collections of approximately \$222,000. This amount will be sufficient to make the debt service payments on February 1, 2027 and August 1, 2027.

FISCAL IMPACT:

Debt service funding is included in the adopted budget FY 2026-27.

RESOLUTION NO. 2026-70

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA, CALIFORNIA SETTING THE TAX RATE FOR FISCAL YEAR 2026-27 WITH RESPECT TO GENERAL OBLIGATION BONDS FOR POLICE STATION IMPROVEMENTS

WHEREAS, pursuant to Section 43632 of the California Government Code, the City Council is required annually to levy and collect a tax sufficient to pay the principal of and interest on the Bonds coming due and payable before the proceeds of a tax levied at the next general tax levy will be available; and

WHEREAS, on August 1, 2016, the City adopted Ordinance No. 2016-4 which, among other things, called for an election on November 8, 2016 (the "Election") on a question of incurring a bonded indebtedness for the purpose of acquiring and constructing police station and associated improvements (the Police Station Improvements) within the City and providing for the issuance and sale of the City of Selma, General Obligation Bonds (the "Bonds") to finance the Police Station Improvements; and

WHEREAS, more than two-thirds of the qualified voters of the City, voting at a municipal election on November 8, 2016, approved the issuance of up to \$4,000,000 of General Obligation Bonds to finance the cost of the Police Station Improvements; and

WHEREAS, on May 15, 2017, the City Council adopted a resolution authorizing the issuance of the Bonds in the amount not to exceed \$4,000,000, and issued the Bonds on July 6, 2017, at an all-in true interest cost 3.53%. The Bonds will be general obligations of the City payable from and secured by taxes levied and collected in the manner prescribed by the laws of the State of California.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES
HEREBY RESOLVE AS FOLLOWS:**

SECTION 1. Levy of Tax. The City Council hereby determines that the tax rate necessary to pay the principal of and interest on the Bonds coming due and payable on February 1, 2027 and August 1, 2027, is 0.0130% of assessed valuation, and such tax rate shall be and is hereby levied in accordance with all applicable requirements of law.

SECTION 2. Collection of Tax. The City Manager is hereby directed to forward a copy of this Resolution to the Auditor-Controller of Fresno County, and to the Board of Supervisors of the County, and to take such actions and execute such documents as may be required to cause the tax rate set forth in Section 1 to be placed on the 2026-27 property tax bill and collected by the County.

SECTION 3. Application of Tax. As provided in Section 43634 of the California Government Code, all taxes levied pursuant to this Resolution shall be used only for payment of the Bonds and the interest thereon.

SECTION 4. Severability. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences,

sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

SECTION 5. Effective Date. That the City Clerk shall certify the adoption of this Resolution and that the same shall be in full force and effect.

Approval
Resolution 2026-71
Authorizing City
Manager to execute
agreements

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of Resolution 2026- 71 Authorizing the City Manager to Execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, Fund Transfer Agreements and Any Amendments Thereto with the California Department of Transportation

SUBMITTED: David Horn, City Engineer

APPROVED: Margee Fallert, Deputy City Manager

RECOMMENDATION:

Adopt Resolution 2026-71 authorizing the City Manager to Execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, Fund Transfer Agreements and Any Amendments Thereto With the California Department of Transportation.

BACKGROUND:

The City of Selma, like many municipalities, qualifies for Federal and/or State funding for specific transportation projects facilitated by the California Department of Transportation (Caltrans). Caltrans periodically mandates updated documentation explicitly indicating the individuals authorized to sign agreements on behalf of the City of Selma. The timely provision of an updated Resolution is essential to guaranteeing continued funding for Selma. It ensures compliance with Caltrans' requirements and maintains the City's eligibility for financial support in transportation projects.

2-8

Approval
Resolution 2026-72
Approving Purchase
of a 2026 Chevrolet
Silverado

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of a Resolution 2026-72 Approving the Purchase of a 2026 Chevrolet Silverado 2500HD LT, Associated Upfitting and Equipment for use as a Fire Department Command Vehicle, Not to Exceed \$125,000 and Authorization for the City Manager or Designee to Execute All Necessary Associated Documents

SUBMITTED: Jordan Webster, Fire Chief

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Staff recommends the City Council adopt resolution 2026-72 approving the purchase of a 2026 Chevrolet Silverado 2500HD LT and Associated Upfitting and Equipment for use as a Fire Department Command Vehicle, Not to Exceed \$125,000 and authorize the City Manager or designee to execute all necessary associated documents.

DISCUSSION:

The Selma Fire Department utilizes command vehicles to provide Chief Officers with the necessary transportation and equipment to respond to fire, emergency medical, and other incidents throughout the City's service area. Command vehicles serve a critical operational role, enabling Chief Officers to carry protective equipment, command supplies, and take advantage of technological advancements in firefighting and emergency medical services capabilities.

The Fire Department currently operates three battalion chief vehicles that were purchased from Liberty Chevrolet in 2022. As part of ongoing fleet management and operational readiness, staff identified the need for an additional command vehicle during the FY 26/27 budget process. This vehicle will replace one of the department's existing four-wheel drive battalion chief vehicles with a four-wheel drive model, providing continued accessibility and response capability to incidents across varied terrain. The replaced four-wheel drive vehicle will be repurposed as a utility vehicle for logistical operations within the City and for single-resource deployment on statewide mutual aid assignments.

Standardizing the battalion chief fleet to all four-wheel drive vehicles ensures consistent operational capability across all command staff, regardless of incident location or conditions.

A not to exceed approval is requested as the vehicle will be ordered from the vendor to ensure specification requirements are adhered to and to maximize cost efficiency.

Procurement Process

In alignment with the City of Selma's Purchasing Policy, three (3) bids were solicited for this purchase. The City's purchasing policy requires that competitive bids be secured for all contracts for goods or services greater than \$5,000 to ensure that goods and services are acquired at the lowest cost to the taxpayers. For purchases of \$25,000 or more, City Council

approval is the approving authority; however, as this purchase falls within the appropriate threshold, staff has followed the applicable competitive process to ensure fiscal responsibility and transparency.

Liberty Chevrolet, a local Selma business, submitted the lowest quote of the three bids received. The quote from Liberty Chevrolet for one (1) 2026 Chevrolet Silverado 2500HD LT totals \$70,210.85.

Supporting Local Business

Most importantly, this purchase aligns with the City Council's high priority of keeping tax dollars local and supporting local businesses. Liberty Chevrolet is a dealership located within the City of Selma and has a demonstrated history of serving the City's fleet needs, including the purchase of three Chevrolet pickups for the Fire Department in 2022. By awarding this purchase to a local dealer, the City reinvests public dollars into the local economy, supports local employment, and recycles sales tax revenue back into the community. The City's purchasing policy for staff vehicles specifically prioritizes negotiations with local car dealers, stating that only in the case of non-availability of suitable vehicles from local dealers may the purchase be made from a dealer located outside of the City of Selma city limits.

Upfitting

Once the vehicle is received, it will undergo upfitting to include the necessary equipment for Fire Department command use. This will include emergency lighting, radios, a hard-shell cover for the bed, and a storage area in the bed for command and firefighting equipment, consistent with the department's current command vehicle specifications. Additional equipment such as a mobile data terminal (iPad-based MDT system) compatible with the Fresno County Emergency Communications Center will also be installed. The cost of upfitting is included in the \$125,000 not to exceed.

FISCAL IMPACT:

The total cost for the 2026 Chevrolet Silverado 2500HD LT, associated upfitting and equipment, including all fees and taxes, is not to exceed **\$125,000**. This purchase was included as an appropriation in the FY 26/27 adopted budget and is funded through the fleet replacement account (1002 account), which is a non-general fund item. No budget amendment is necessary

Approval
Resolution 2026-73
Approval of
Purchasing a New
Medix Specialty
Vehicle

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of Resolution 2026-73 Approving the Purchase of a New Medix Specialty Vehicles Type III Ford E-350 Ambulance via the HGAC Purchasing Cooperative Totaling \$283,611.54 and Authorization for the City Manager or Designee to Execute All Necessary Associated Documents.

SUBMITTED: Jordan Webster, Fire Chief

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Staff recommends the City Council adopt resolution 2026-73 approving the purchase of a new Medix Specialty Vehicles Type III Ford E-350 Ambulance via the HGAC purchasing cooperative and authorize the City Manager or designee to execute all necessary associated documents.

DISCUSSION:

The City of Selma Fire Department provides ambulance transport services through its Emergency Medical Services (EMS) Division. The department currently operates a fleet of seven ambulances with a Eighth ambulance on order with an expected delivery of December 2026. Due to growing service demand, operational need requires the replacement of ambulances every six (6) years to maintain service levels and ensure adequate backup during maintenance or mechanical downtime. This works out to be one ambulance purchased every year, and every third year the purchase of two ambulances. This ambulance will be utilized to continue to support uninterrupted service to the Cities of Selma, Fowler, Parlier, and the unincorporated areas of southern Fresno County. The department currently staffs three Advanced Life Support (ALS) ambulances 24/7, 365 days a year, and a fourth ambulance on a part-time basis to meet increasing service demands. The current fleet includes vehicles ranging from 2020 to 2025 models, with mileage between 25,000 and 250,000 miles. The expected service life for these vehicles is 250,000 to 300,000 miles with a robust preventative maintenance program.

To address the operational need for this ambulance and maintain high service levels, staff recommends the purchase of one (1) Medix Specialty Vehicles Type III RP-90 on a 2026 Ford E-350 4x2 Gasoline Powered Chassis, Cutaway Van. This vehicle will be acquired through the HGAC (Houston-Galveston Area Council) purchasing cooperative, which is an approved method under the City's purchasing policy. The use of the HGAC cooperative ensures compliance with competitive bidding requirements and streamlines the procurement process.

The selected ambulance will be built to the Fire Department's specifications, including a Stryker Power Pro 2 Cot and Power Load System, and will feature a range of customizations to enhance operational efficiency and safety. The purchase price, including all options, fees, and taxes, is \$283,611.54. Delivery is expected in the Summer of 2027.

The purchase agreement with Republic EVS, the authorized dealer, outlines all terms, including payment upon delivery and title transfer within 14 business days after payment. The

agreement also notes that large-ticket items such as cot hardware may be invoiced separately if shipped prior to vehicle construction.

FISCAL IMPACT:

The total cost for the new ambulance, including all specified equipment and fees, is \$283,611.54. This purchase will be funded through the City's Ambulance Fund and was included as an appropriation in the fiscal year 26/27 adopted budget.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The City Council finds that the above recitals are true and correct and are incorporated herein by reference.

SECTION 2. The City Council approves the purchase of one (1) Medix Specialty Vehicles Type III RP-90 Ambulance on a 2026 Ford E-350 chassis, including all specified equipment and options, for a total price of \$283,611.54, utilizing HGAC Contract No. AM10-23.

SECTION 3. The City Manager or designee is authorized to execute all necessary documents for the purchase of the new ambulance and associated equipment.

SECTION 4. Severability. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

SECTION 5. Effective Date. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED, AND ADOPTED at a Regular Meeting of the City Council of the City of Selma held on the 21st day of July 2026 by the following vote:

Exhibit A

Purchase Agreement

One (1) Medix Specialty
Vehicles Type III RP-90 on
2026 Ford E-350 4x2 Gasoline
Powered Chassis, Cutaway
Van

Republic EVS
16182 Gothard St, Unit V
Huntington Beach, CA 92647

Offer and Purchase Agreement for: **City of Selma Fire Department**

**One (1) Medix Specialty Vehicles Type III RP-90 on 2026 Ford E-350 4 x 2 Gasoline Powered Chassis,
Cutaway Van**

Quoted prices that include factory rebates are subject to change. If the rebate amount changes or becomes unavailable the difference will be invoiced to the purchaser. Chassis prices are subject to change by the OEM. If the price changes, the difference will be invoiced to the purchaser.

Large ticket items (cot hardware, radio equipment, etc.) may ship prior to construction and will be invoiced to purchaser at that time. Previously invoiced equipment costs will be deducted from the final balance.

Description	Qty	Price Each	Extended Price
One (1) Medix Specialty Vehicles Type III RP-90 on 2026 Ford E-350 4 x 2 Gasoline Powered Chassis, Cutaway Van	1	\$260,474.11	\$260,474.11

Chassis VIN Number(s): To Be Determined After Production Start Date

Tax (Based on a Rate of 8.475%)	1	\$22,075.18	\$22,075.18
DMV Fee	1	\$50.00	\$50.00
Tire Fee	1	\$12.25	\$12.25
HGAC Fee	1	\$1,000.00	\$1,000.00
Total Purchase Price	1	\$283,611.54	\$283,611.54

Date Offered: May 29, 2026

**Two Hundred Eighty Three Thousand Six Hundred Eleven Dollars and Fifty Three Cents
\$283,611.54**

Offer is based on build quote and any reference drawings if applicable. Prior to ambulance construction, a final engineered build quote will be provided for customer review and approval. Any changes requested may result in additional charges.

Payment Terms: 100% of the contract payment is due at time of delivery unless otherwise specified in writing. Title for the ambulance will be delivered within fourteen (14) business days after payment has processed through the financial institution.

Delivery Terms: Delivery shall be 180 days or less after Receipt of Chassis as well as approved work order and production drawing if applicable. F.O.B. shall be Huntington Beach , CA.

Signature below represents acceptance of above contract and terms:

Resolution 2026-74
Approving Rates for
Landscaping Lighting
and Maintenance
District No. 1

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration and Necessary Action of Resolution 2026-74 Approving Rates for Landscaping Lighting and Maintenance District No.1 (LLMD), approving Engineer's Report Identifying the Assessments and the Property against which it is assessed within the LLMD, and Directing Collection thereof by Placement of the Assessment on the 2026-27 Fresno County Tax Roll.

SUBMITTED: David Horn, City Engineer

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Adopt Resolution Approving Rates for all zones within LLMD No.1 and Engineer's Report and Placement of Assessments on Fresno County Tax Roll for Collection.

BACKGROUND:

At its meeting on June 16, 2026, the City Council approved a Resolution adopting and approving an Engineer's Report setting the amount of assessments within LLMD No.1 and setting a hearing for today's date on those assessments and approval of the Engineer's Report identifying the follow rates per zone:

Zone #	Zone Name	Proposed 2026/27 Assessment per lot
Zone 1	Nelson East	\$103.04
Zone 2	Nelson West	\$116.53
Zone 3	Dinuba Thompson	\$48.87
Zone 4	Dancer Meadows	\$87.51
Zone 5	Suncrest	\$119.06
Zone 6	Blossom Ranch	\$84.67
Zone 7	Sundance Estates	\$30.79
Zone 8	Rosewood Estates	\$183.79
Zone 9	Vineyard Estates	\$8.94
Zone 11	Royal Country Estates	\$173.08

The total amount assessed within the LLMD is \$196,539.50

DISCUSSION:

Having given the appropriate and legally required Notices of its intention to do so, the City Council is being requested to approve the proposed rates and to approve the levy and collection of the annual assessments for the LLMD No.1 as reflected by the Engineer's Report and direct that the Engineer's Report be provided to Fresno County Auditor-Controller/Tax Collector for placement on the 2026-27 Tax Roll.

RESOLUTION NO. 2026-74

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA, CALIFORNIA, APPROVING THE ENGINEER'S REPORT FOR THE LEVY AND COLLECTION OF THE ANNUAL ASSESSMENT FOR SERVICES RENDERED IN THE LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT No. 1 IN THE CITY OF SELMA

WHEREAS, in 1984, the City established a Landscaping Lighting and Maintenance District ("LLMD") to provide certain public improvements which include the construction, maintenance, and servicing of public lights, landscaping, and appurtenant facilities. The costs of the improvements are covered through a levy on each parcel within the LLMD; and,

WHEREAS, the City Engineer has prepared a CITY ENGINEER'S REPORT on Landscaping and Lighting Maintenance District No.1 in the City of Selma; and,

WHEREAS, pursuant to Section 22626 of the California Streets and Highways Code, the City Council held a public hearing on the 21st day of July, 2026, at which time interested persons were invited to appear and be heard on the question of the levy and collection of the proposed assessments.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES
HEREBY RESOLVE AS FOLLOWS:**

Section 1. The City Council finds that the above recitals are true and correct and are incorporated herein by reference.

Section 2. The City Council hereby approves the Engineer's Report, attached hereto as Exhibit A, and incorporated herein by reference.

Section 3. The City Council adopts the assessments for LLMD No. 1, set forth in the Engineer's Report for Fiscal Year 2026-27.

Section 4. That the assessments set forth in the Report shall be filed with the Fresno County Auditor-Controller/Treasurer-Tax Collector, and said assessments shall be collected on the property tax roll all in accordance with State law.

Section 5. The City Clerk is hereby directed to file this Resolution and the Engineer's Report with the Fresno County Auditor-Controller/Treasurer-Tax Collector.

Section 6. Severability. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

Section 7. Effective Date. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED, AND ADOPTED at a Regular Meeting of the City Council of the City of Selma held on the 21st day of July 2026 by the following vote:

SECTION 22500 THROUGH 22679
OF THE CALIFORNIA STREETS AND HIGHWAYS CODE

**SELMA LANDSCAPE AND LIGHTING MAINTENANCE
DISTRICT No. 1**

FISCAL YEAR 2026-27

INTRODUCTION

Pursuant to the Landscaping and Lighting Act of 1972 (Part 2 Division 15 of the Streets and Highways Code of the State of California, commencing with Section 22500), and in accordance with the Resolution of Initiation, being Resolution No. 2026-43R, adopted by the City Council of the City of Selma on May 5th, 2026. I, David C. Horn, P.E. the duly appointed Engineer of Work, City Engineer for the Selma LANDSCAPE AND LIGHTING Maintenance District No. 1 (“District”) submit the following Report.

District Changes

For fiscal year 2026/2027, no notable or substantial changes to the District and/or the improvements to be maintained by the District have occurred since the adoption of the 2025/2026 fiscal year Annual Engineer’s Report.

Report Content

This Engineer’s Annual Report (the “Report”) has been prepared in accordance with Chapter 1, Article 4, and Chapter 3 of the 1972 Act. It is presented to the City Council for consideration and approval of proposed improvements and services within the District, as well as the levy and collection of annual assessments for the Fiscal Year 2026/2027. The Report details the structure of the District's zones, the improvements, and the proposed assessments to be levied for the special benefits the properties will receive from the maintenance and servicing of these improvements for the Fiscal Year 2026/2027.

The annual assessments levied on properties within the District provide funding for the continued operation and maintenance of landscaping improvements and other services provided by the City within the District. These services are for the benefit of the properties within each specified Zone, which receive special benefits, including street lighting in some Zones. Each fiscal year, the City determines the assessments for the Zones within the District based on an estimate of the costs to maintain, operate, and service the authorized improvements, considering available revenues such as assessment revenues, fund balances, and any additional City contributions from available sources.

The costs of the maintenance of the improvements within the District may include estimated expenditures for regular annual maintenance and repairs, incidental expenditures related to the operation and administration of the District, deficits or surpluses from prior years, revenues from other sources, and the collection of funds for operational reserves and/or periodic repairs, replacement and

rehabilitation projects as authorized by the 1972 Act. The net annual cost to provide the improvements for each benefit Zone is allocated to the benefiting properties within those Zones using a weighted method of apportionment (refer to Part D – Method of Apportionment). This method calculates the proportional special benefit and assessment for each parcel compared to other properties that benefit from the District improvements and services. Each parcel is assessed proportionately for only those improvements, services, and expenses from which it will receive special benefit.

For the purposes of this Report, the term “parcel” refers to an individual property assigned its own Assessor’s Parcel Number (“APN”) by the Fresno County Assessor’s Office.

This Report include the following 5 sections:

PART A: PLANS AND SPECIFICATIONS

This part describes the improvements in the District. Plans and specifications for the improvements are as set forth on the list thereof, attached hereto, and on file in the Office of the City Clerk of the City of Selma, and incorporated herein by reference.

PART B: ESTIMATE OF COST

This part contains an estimate of the cost of the proposed improvements for FY 2026-27, including incidental costs and expenses in connection therewith. The estimate is as set forth on the lists thereof, attached hereto, and is on file in the Office of the City Clerk of the City of Selma.

PART C: ASSESSMENT DISTRICT DIAGRAM

This part incorporates a Diagram of the District showing the exterior boundaries of the District, the boundaries of all zones within the District and the lines and dimensions of each lot or parcel of land within the District. This Diagram was prepared by the City Engineer and is on file in the Office of the City Clerk of the City of Selma.

The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Fresno County Assessor for the year when this Report was prepared. The Assessor’s maps and records are incorporated herein by reference and made a part of this Report.

PART D: METHOD OF APPORTIONMENT OF ASSESSMENTS

This part describes the method of apportionment of assessments, based upon parcel classification of land within the District in proportion to the estimated special benefits to be received.

PART E: PROPERTY OWNER LIST & ASSESSMENT ROLL

This part contains an assessment of the estimated cost of the improvements on each benefited lot or parcel of land within the District. The Assessment Roll is as set forth on the lists thereof, attached hereto, and is on file in the Office of the City Clerk of the City of Selma. The Assessment roll is keyed to the records of the Fresno County Assessor, which are incorporated herein by reference.

PART A - PLANS AND SPECIFICATIONS

The landscape improvements which can be constructed, operated, maintained and serviced by the District generally include, but are not limited to, trees, bushes, plants, turf, irrigation systems including electrical meters, hardscapes, entry features and subdivision monuments, block walls and fences, and appurtenant improvements as required to provide an aesthetically pleasing environment throughout the District. These landscape improvements were constructed as a condition of development and are generally located within the City's right-of-way, within City easements, and within City open space areas.

The street lighting improvements which can be constructed, operated, maintained and serviced by the District generally include, but are not limited to, poles, fixtures, bulbs, conduits, pull boxes, equipment, including guys, anchors, posts, pedestals and metering devices, and appurtenant improvements as required to provide safe lighting within the boundaries of the District.

The detention basin improvements that can be constructed, operated, maintained, and serviced by the District generally include graded slopes, fencing, outlet and overflow structures, and the detention basin itself.

The plans and specifications for the improvements for each development within each Zone of the District are on file in the Office of the City Clerk of the City of Selma.

ZONES OF BENEFIT

In accordance with the 1972 Act, this District utilizes Zones to address variations in the nature, location, and extent of the improvements that provide special benefits to parcels within the District. Each Zone is associated with specific improvements and/or types of improvements that provide special benefit to properties within that Zone.

For Fiscal Year 2026-2027 the District is comprised of the following Zones and developments:

Zone 1 – Nelson East

Zone 1 is comprised of 378 residential units within Tract 3824, Tract 3957, Tract 4713, Tract 3130, Tract 3637, Tract 4123, Tract 4489, Tract 4568 Northhill, Tract 4889 Villa Corvino III, and Tract 5296.

Zone 2 – Nelson West

Zone 2 is comprised of 427 residential units within Tract 3352, Tract 3932, Tract 3949, Parcel Map 86-69, Tract 4066, Tract 4107, Tract 5040, Tract 5053 Jordan Villas, Tract 4923 Chesebro Estates, Tract 4946 La Dante Rose Phase 2, Tract 5216 Rosewood Estates III Phase 1, and Tract 5333 Rosewood Estates III Phase 2.

Zone 3 – Dinuba Thompson

Zone 3 is comprised of 201 residential units within Tract 3745 Thompson Terrace II, Tract 3870, Tract 3969, Tract 4174 Northview, Tract 4349 Vinland Estates Phases 2 and 3, Tract 4618, and Tract 4735 Vinland Estates.

Zone 4 – Dancer Meadows

Zone 4 is comprised of 213 residential units within Tract 4319, 4373, Tract 4500, and Tract 4730 Thompson Estates.

Zone 5 – Suncrest

Zone 5 is comprised of 88 residential units within Tract 4536 Suncrest, and Tract 5183.

Zone 6 – Blossom Ranch

Zone 6 is comprised of 63 residential units within Tract 4806 Blossom Ranch.

Zone 7 – Sundance Estates

Zone 7 is comprised of 172 residential units within Tract 4864 Sundance Estates, Tract 4965 Sundance Estates II, and Tract 5156 Duncan Estates.

Zone 8 – Rosewood

Zone 8 is comprised of 254 residential units within Tract 4597, Tract 5055, Tract 5303 Valley View Phase 1, and Tract 5303 Valley View Phase 2.

Zone 9 – Vineyard Estates

Zone 9 is comprised of 153 residential units within Tract 5217 Canales.

Zone 11 – Royal Country

Zone 11 is comprised of 59 residential units within Tract 5105 Royal Country Estates Phase 1, and Tract 5105 Phase 2.

The District is comprised of 2,008 residential parcels.

DESCRIPTION OF IMPROVEMENTS

Under the 1972 Act, the District offers improvements including landscaping, parks, and street lighting to enhance real property areas within its zones. Maintenance and servicing tasks include the supply of personnel, materials, and utilities necessary for upkeep and operation. The District comprises ten zones for the fiscal year 2026-2027. Each zone's boundaries are determined by the type of improvement and its benefit to the properties within that zone. Detailed zone and improvement descriptions are provided in Part C of the District Report, including visual diagrams.

Zone 1 – Nelson East

The properties within Zone 1, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 76,403 square feet of landscaping and/or related improvement areas that includes the following:

- 38,050 Square feet of turf area
- 36,261 Square feet of plant and non-turf landscaping area
- 125 Trees that require maintenance trimming
- 76,403 Square feet of total landscaped area requiring irrigation
- 2,092 Square feet of dirt area that requires replanting
- 1 - 60W Streetlight(s) to be supplied power
- 70 - 30W Streetlight(s) to be supplied power

Zone 2 – Nelson West

The properties within Zone 2, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 75,006 square feet of landscaping and/or related improvement areas that includes the following:

- 29,790 Square feet of turf area
- 43,513 Square feet of plant and non-turf area
- 165 Trees that requires maintenance trimming
- 75,006 Square feet of total landscaped area requiring irrigation
- 1,703 Square feet of dirt area that requires replanting
- 79 - 30W Streetlight(s) to be supplied power

Zone 3 – Dinuba Thompson

The properties within Zone 3, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 17,840 square feet of landscaping and/or related improvement areas that includes the following:

- 17,840 Square feet of plant and non-turf area
- 94 Trees that requires maintenance trimming
- 17,840 Square feet of total landscaped area requiring irrigation
- 42 30W Streetlight(s) to be supplied power

Zone 4 – Dancer Meadows

The properties within Zone 4, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 28,579 square feet of landscaping and/or related improvement areas that includes the following:

- 16,699 Square feet of maintenance required turf area
- 7,919 Square feet of maintenance required plant area
- 17 Trees that requires maintenance trimming
- 28,579 Square feet of total landscaped area requiring irrigation
- 3,961 Square feet of dirt area that requires replanting
- 45 30W Streetlight(s) to be supplied power

Zone 5 – Suncrest

The properties within Zone 5, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 16,457 square feet of landscaping and/or related improvement areas that includes the following:

- 5,885 Square feet of maintenance required turf area
- 8,082 Square feet of maintenance required plan area
- 36 Trees that requires maintenance trimming
- 16,457 Square feet of total irrigation required landscaping
- 2,490 Square feet of dirt area that requires replanting
- 24 30W Streetlight(s) to be supplied power

Zone 6 – Blossom Ranch

The properties within Zone 6, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 9,655 square feet of landscaping and/or related improvement areas that includes the following:

- 9,655 Square feet of maintenance required plant area
- 15 Trees that requires maintenance trimming
- 9,655 Square feet of total irrigation required landscaping
- 15 30W Streetlight(s) to be supplied power

Zone 7 – Sundance Estates

The properties within Zone 7, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 9,566 square feet of landscaping and/or related improvement areas that includes the following:

- 7,113 Square feet of maintenance required turf area
- 2,453 Square feet of maintenance required plant area
- 27 Trees that requires maintenance trimming
- 9,566 Square feet of total irrigation required landscaping
- 33 30W Streetlight(s) to be supplied power

Zone 8 – Rosewood

The properties within Zone 8, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 75,074 square feet of landscaping and/or related improvement areas that includes the following:

- 51,248 Square feet of maintenance required turf area
- 17,012 Square feet of maintenance
- 40 Trees that requires maintenance trimming
- 75,074 Square feet of total irrigation required landscaping
- 6,814 Square feet of dirt area that requires replanting
- 5 HPSV 70W Streetlight(s) to be supplied power
- 32 LED 30W LS1-E Streetlight(s) to be supplied power
- 21 LED 30W Streetlight(s) to be supplied power

Zone 9 – Vineyard Estates

The properties within Zone 9, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 3,092 square feet of landscaping and/or related improvement areas that includes the following:

- 3,092 Square feet of dirt area that requires replanting
- 1 60W Streetlight to be supplied power
- 28 30W Streetlights to be supplied power
- 19 30W LS-1A Streetlights to be supplied power
- 5 HPSV 70W Streetlights to be supplied power
- 18 LED 35W Streetlights to be supplied power

Zone 11 – Royal Country

The properties within Zone 11, proportionately share and receive special benefit from the maintenance, servicing, and operation of approximately 21,834 square feet of landscaping and/or related improvement areas that includes the following:

- 8,068 Square feet of maintenance required turf area
- 13,766 Square feet of maintenance
- 39 Trees that requires maintenance trimming
- 21,834 Square feet of total irrigation required landscaping
- 11 30W Streetlights to be supplied power.

PART B - ESTIMATE OF COST

The 1972 Act provides that the total cost of construction, operation, maintenance and servicing of landscape and lighting improvements can be recovered by the District.

The costs to construct, operate, maintain, and service the landscape and lighting improvements include, but are not limited to, personnel, electrical energy, utilities such as water, materials, contractual services and other items necessary for the landscape and lighting improvements to be properly operated, maintained and serviced to City standards.

Maintenance means the furnishing of services, materials and supplies for the ordinary and usual operations, maintenance and servicing of the landscaping, lighting and appurtenant improvements, including the repair, removal or replacement of all or part of any of the landscaping, street lighting or appurtenant improvements; including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; and the removal of trimmings, rubbish, debris and other solid waste.

Servicing means the furnishing of water for the irrigation of the landscaping improvements and the furnishing of electric current or energy for the operation of streetlights, irrigation controllers or other appurtenant improvements.

Below is a summary of the improvements that will be operated, maintained, and serviced by the assessment district. The estimated costs for maintenance labor is based on approximately 644 manhours required per acre of flat area. With a cost of \$22 per hour on average for maintenance staff, the total maintenance cost would be \$14,168 per acre per year (approx. \$0.33 per square foot per year). This cost would be further broken down based on estimated level of effort for the different types of maintenance required, as described below.

TURF MAINTENANCE:

Costs associated with maintaining healthy lawns on a city-wide scale, including mowing, fertilizing, and upkeep of turf in public rights of way. This section also covers the elimination of weeds and other invasive or unplanned vegetation in these areas. The estimated annual cost to maintain the turf areas was calculated to be \$0.12 per square foot.

PLANT MAINTENANCE:

Plant maintenance costs cover the pruning and trimming of plants located in public rights of way. Adequate maintenance practices help minimize future replanting costs. The estimated annual cost to maintain the plant and non-turf areas was calculated to be \$0.11 per square foot.

TREE TRIMMING:

Trees are essential for a vibrant, healthy city. The costs associated with tree trimming and pruning support healthier growth and longevity. These expenses also ensure clear visibility of roadway signs and safe, unobstructed paths of travel. The estimated annual cost to maintain and trim the street trees was calculated to be \$20.00 per tree.

IRRIGATION REPAIR:

Given the high demand and usage of the irrigation system, repairs are inevitable. We use past repair costs to project an average for the upcoming year. The estimated annual cost to maintain the irrigation system was calculated to be \$0.09 per square foot.

RE-PLANT AREA:

Despite diligent maintenance efforts, some areas may lose their lush, green appearance beyond revival. In such cases, costs are incurred to replant and re-establish a new, healthy landscaped area. The estimated annual cost to re-plant the areas without landscaping was calculated to be \$0.06 per square foot.

CALWATER IRRIGATION:

Irrigation water used for landscaped areas, turf and non-turf landscaping is supplied through metered services from CalWater. The cost for irrigation water is invoiced from CalWater to the City each year. Each Zone uses a different amount of water due to the irrigation design and installation. The estimated cost for irrigation water is based on the actual cost from CalWater for the proceeding year.

PG&E COST:

The cost for electricity to service the irrigation timers is determined by the rates established by PG&E. The annual cost for each Zone varies due to the time required to irrigate the specific landscaping for the Zone. Some irrigation timers are battery powered and do not require PG&E power. The estimated cost for the PG&E utility cost for irrigation is based on the actual costs of the proceeding year with an annual rate increase of approximately 5%.

STREETLIGHT COST:

This cost covers the PG&E utility cost billed to the City to power and maintain the streetlights provided in each Zone. PG&E invoices include the cost for each type of streetlight on a monthly basis. 30W streetlights are charged at a rate of \$13.679 per month (\$164.15 per month). 60W streetlights are charged at a rate of \$17.476 per month (\$209.71 per month). HPSV 70W streetlights are charged at a rate of \$11.005 per month (\$132.06 per month). 30W LED streetlights are charged at a rate of \$4.426 per month (\$53.11 per month). 30W streetlights on schedule LS-1A are charged at a rate of \$10.990 per month (\$131.88 per month).

The 1972 Act requires that a special fund be set up for the revenues and expenditures of the District. Funds raised by the assessments shall be used only for the purpose as stated herein. Any balance remaining on July 1 must be carried over to the next fiscal year unless the funds are being accumulated for future capital improvements and/or operating reserves.

The construction, operation, maintenance, and servicing costs for Fiscal Year 2026-27 are summarized in Engineer's Estimates for each zone in the Appendix.

The following table summarizes the estimated costs for each Zone for PG&E, Water, Maintenance, and Incidental Costs.

Zone	Name	Tax ID#	No. of Lots	PG&E	Water	Maintenance	Incidental Costs	Total Cost
1	Nelson East	6645	378	11,910.41	12,100.00	18,071.26	1,993.00	44,074.67
2	Nelson West	6646	427	13,253.07	19,500.00	18,527.19	2,596.04	63,258.71
3	Dinuba-Thompson	6647	201	7,104.42	6,500.00	5,448.00	989.95	20,673.10
4	Dancer Meadows	6648	213	7,536.88	11,000.00	6,024.74	1,147.59	28,419.40
5	Suncrest	6639	88	4,009.67	4,900.00	3,945.75	602.31	15,817.88
6	Blossom Ranch	6641	63	2,532.29	1,500.00	2,234.82	318.78	7,688.13
7	Sundance	6649	172	5,487.04	3,100.00	2,524.33	604.98	12,982.27
8	Rosewood Estates	6642	254	7,108.48	20,810.00	16,023.12	1,735.90	48,546.30
9	Vineyard Estates	6637	153	8,938.06	900.00	463.80	337.00	11,805.64
11	Royal Country Estates	6654	59	3,278.90	3,600.00	5,227.48	537.98	14,009.47
2026-2027 Totals			2008	71,159.22	83,910.00	78,490.49	10,863.52	267,275.57

ASSESSMENT RATE HISTORICAL INFORMATION

Beginning in 2009, assessment rates were assigned to the Zones. Prior to this year, assessments were apportioned to each Tract. The table below shows the assessment rate for each Zone for each fiscal year from 2009-10 through 2025-26.

Zone	1	2	3	4	5	6	7	8	9	11
Tax ID#:	6645	6646	6647	6648	6639	6641	6649	6642	6637	6654
Year										
2009-10	82.20	89.34	71.70	85.00	94.20	90.42	68.60	87.04		89.72
2010-11	80.58	92.74	74.64	89.48	88.86	89.82	70.50	124.84		91.94
2011-12	80.58	92.74	74.64	89.48	88.86	89.82	70.50	124.84		91.94
2012-13	80.58	92.74	74.64	89.48	88.86	89.82	70.50	124.84		91.94
2013-14	99.70	124.32	87.00	102.90	115.62	103.10	86.80	119.76		116.86

2023-24	105.28	123.34	93.88	120.86	129.74	106.84	58.94	122.54	8.68	190.12
2024-25	123.47	148.14	102.85	133.42	179.74	122.03	75.47	191.12	77.16	237.44
2025-26	82.85	81.44	100.56	108.46	137.29	81.42	68.37	128.82	69.81	167.62

Bold values represent the maximum assessment rate for each Zone in previous years.

PART C - ASSESSMENT DISTRICT DIAGRAM

The boundaries of the Selma LANDSCAPE AND LIGHTING Maintenance District No. 1 are shown on the reduced map, which can be found in APPENDIX A as EXHIBIT(S) B, C & D. For the particulars of the lines and dimensions for each Assessor Parcel Number, please refer to the Assessor Parcel Maps located at the Fresno County Assessor office for the year in which this Report was prepared.

PART D - METHOD OF APPORTIONMENT OF ASSESSMENT

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance, and servicing of public lights, landscaping, and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value.

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the new amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

The formula used for calculating assessments in each zone, therefore reflects the composition of the parcels, and the improvements and services provided, to apportion the costs based on estimated benefit to parcels within each zone.

In addition, pursuant to Article XIID, Section 4 of the State Constitution, a parcel’s assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel and provides that only special benefits are assessable. Therefore, in compliance with the new assessment requirements, only assessments that are identified as “Special Benefit Assessments” are assessed.

Estimates for materials and miscellaneous expenses included are based on the best available data known at the time the budgets for each District were prepared and the assessment was determined.

Benefit Analysis

The method of apportionment (method of assessment) is based on the premise that the assessed parcels within each zone receive equal benefit from the improvements maintained and financed by the District’s assessments. The assessments are for the maintenance of local landscape improvements installed as part of the original development of the parcels within each zone and approved by property owners at the annexation of the zone into the District. The desirability of properties within each zone is enhanced by the presence of well-maintained landscaping and sufficient lighting in close proximity to those properties.

The improvements provided by the District generally include landscaped parkways, entryways, recreation/retention areas, street lighting for pedestrians and vehicles, and any other appurtenant facilities. The annual assessments outlined in this Report are proposed to cover the estimated cost to provide all necessary services, operation, administration, and maintenance required during the year to keep these improvements in a healthy, vigorous, and satisfactory condition.

The special benefits associated with the local landscaping and lighting improvements are specifically:

- Enhanced desirability of properties through association with the improvements
- Improved aesthetic appeal of properties within the Districts providing a positive representation of the area.
- Increased sense of pride in ownership of property resulting from well-maintained improvements associated with the properties.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities, including abatement of graffiti.
- Enhanced environmental quality of the parcels within the Districts by moderating temperatures, providing oxygenation and attenuating noise.
- Intersection lighting to maximize illumination and reduce potential vehicular accidents.
- Illumination of walkways and pathways to increase pedestrian foot traffic and facilitate safety.
- Public streetlights serving a property provide a variety of benefits to the property.
 - Access benefit – public streetlights improve ingress and egress from properties from dusk to dawn.
 - Security benefit – public streetlights help reduce vandalism against properties and criminal acts on properties between dusk to dawn.
 - Traffic benefit - Public Street lights improve safety and facilitate the flow traffic to and from properties between dusk to dawn.

All of the preceding special benefits contribute to a specific enhancement and desirability of each of the assessed parcels within the Districts creating a more distinctive and a greater defined quality of life.

Assessment Methodology

Each single-family residential parcel within each of the various areas benefits equally from the construction, operation, maintenance and servicing of the landscaping and street lighting improvements within the service area. Therefore, the total assessment revenue needed to construct, operate, maintain and service the landscaping and street lighting improvements will be spread equally to each single-family residential parcel within each service area.

The following table shows the estimated cost for each Zone, number of residential lots in each zone, and the calculated assessment rate per lot for each Zone. If a surplus of funds is projected to exist on July 1, 2025, the proposed assessment total is reduced to use the surplus. The proposed assessment rate per lot is based on the remaining estimated cost for each area divided by the number of parcels within the area. This method of establishing the assessment rates expenses surplus amount for each area while budgeting for the estimated annual cost for maintenance.

Zone #	Name	Tax ID#	No. of Lots	Total Cost/Area	Projected Surplus on July 1, 2025	Remaining Cost/Area	Proposed 2026-2027 Assessment	
							\$ / Lot	\$ / Area
1	Nelson East	6645	378	44,074.67	5,122.40	38,952.27	103.04	38,949.12
2	Nelson West	6646	427	63,258.71	4,116.88	49,759.43	116.53	49,758.31
3	Dinuba-Thompson	6647	201	20,673.10	10,218.97	9,823.40	48.87	9,822.87

**CITY OF SELMA
CITY COUNCIL
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN, that the Selma City Council will conduct a public hearing on Tuesday, July 21, 2026, at 6:00 p.m. (or as soon thereafter as the matter may be heard) at City Hall in the Council Chambers, located at 1710 Tucker Street, Selma, California, is for the hearing of protests or objections in reference to the levy of the proposed assessments related to the City's Landscaping and Lighting Maintenance District ("LLMD") No. 1. After the public hearing the Council will determine whether to continue and collect the proposed assessments and the amount of the assessments.

Pursuant to the Landscaping and Lighting Act of 1972, the Selma City Council will be presented with and consider for the approval the Engineer's Reports on the levy of the annual assessment for LLMD No. 1 for fiscal year 2026-27. The detailed Engineer's Report which sets forth the analysis supporting the proposed rates is on file in the office of the City Clerk, located at 1710 Tucker Street, Selma CA, and may be reviewed during normal business hours.

Any persons wishing to speak for or against the proposed assessments should attend the public hearing. Written comments may be sent via U.S. Mail or by hand delivery to the City of Selma, City Clerk, at City Hall, at the address listed above, at any time prior to the conclusion of the hearing. A written protest shall state all grounds of objection and shall contain a description sufficient to identify the property owned by the protesting person or persons.

Written comments may be sent via U.S. Mail or by hand delivery to the City of Selma, at City Hall, at the address listed above.

ATTEST: Sara Carlson, City Clerk

Resolution 2026-75
Confirming Report of
Environmental
Control Officer

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of a Resolution 2026-75 Confirming Report of the Environmental Control Officer on Delinquent Parcels for the Cost of Removal of Structures, Weeds, Rubbish, Refuse, Dirt, etc. and Sidewalk Repair to the 2026-27 Fresno County Tax Roll

SUBMITTED: Margarita Moreno, Finance Director/Treasurer

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Conduct Public Hearing and Adopt the Attached Resolution 2026-75 approving the Report of the Environmental Control Officer on Delinquent Parcels for the Cost of Removal of Structures, Weeds, Rubbish, Refuse, Dirt, etc. and Sidewalk Repair.

DISCUSSION:

Throughout the fiscal year, the City of Selma inspects property within the City limits for the purpose of nuisance abatement. The City posts notices on each parcel identified as being in violation of the City's Ordinance and mails the same notice to the property owner(s) of each parcel based on the most current assessment roll data.

Each property owner has two weeks from the date of posting to clean or maintain their property. If a property owner does not respond to those discrepancies as noted on their Notice within the prescribed period of time, the City takes action to abate the nuisance. The entire procedure is contained in Title IX Chapter 3 of the City of Selma Code.

Those properties that required nuisances to be abated in the previous fiscal years and have not paid the charges are attached to Exhibit A.

All charges that have not been paid for on or before August 1, 2026 will be assessed on the 2026-27 tax roll. In compliance with 9-3-10 of the Selma City Code, "The City Clerk may receive the amount due on the abatement cost and issue receipts any time after the confirmation of the report and until August 1, 2026 following the report."

Staff will be prepared to provide information on each parcel that is being assessed for the cost of removal of structures, weeds, rubbish, refuse, dirt, etc. and sidewalk repair if the Council so desires.

FISCAL IMPACT:

Estimates included in the adopted Fiscal Year 2026-2027 budget.

RESOLUTION NO. 2026-75

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA,
CALIFORNIA CONFIRMING REPORT OF ENVIRONMENTAL CONTROL
OFFICER AS TO THE COSTS FOR REMOVAL OF STRUCTURES, WEEDS,
RUBBISH, REFUSE, DIRT, ETC. AND REPAIR OF SIDEWALK**

WHEREAS, pursuant to Title IX, Chapter 3 of the Selma Municipal Code, the Environmental Control Officer has caused notice to be given directing the removal of structures, weeds, rubbish, refuse, dirt, etc. and repair of sidewalk, on certain parcels of private property in the City of Selma, more particularly identified in the attached report of the Environmental Control Officer; and

WHEREAS, the City has abated such nuisances; and

WHEREAS, the Environmental Control Officer has notified each property owner of the cost of said abatement and the time and place when the Council will hear and consider the report of the Environmental Control Officer; and

WHEREAS, on July 21, 2026 the Council read and considered the report of the Environmental Control Officer and invited and heard all public testimony regarding said report and the assessment of charges for the abatement of the nuisances and good cause appearing.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES
HEREBY RESOLVE AS FOLLOWS:**

SECTION 1. The report of the Environmental Control Officer, a copy of same being attached hereto, marked Exhibit A, and made a part hereof through incorporation by reference, is confirmed and approved.

SECTION 2. The respective costs of abatement for each parcel are declared to be a lien against said parcel and the City Clerk shall certify such assessment to the Fresno County Assessor and Tax Collector.

SECTION 3. The City Clerk is directed to send a certified copy of this Resolution and the attached report to the Fresno County Auditor-Controller on or before August 10th of this year.

SECTION 4. Severability. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

SECTION 5. Effective Date. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED, AND ADOPTED at a Regular Meeting of the City Council
of the City of Selma held on the 21st day of July 2026, by the following vote:

Resolution 2026-76
Confirming Report
from the Code
Enforcement Division

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Consideration of a Resolution 2026-76 Confirming Report from the Code Enforcement Division on Delinquent Parcels for Administrative Citations and Certification to the 2026-27 Fresno County Tax Roll

SUBMITTED: Margarita Moreno, Finance Director/Treasurer

APPROVED: Jason Rogers, City Manager

RECOMMENDATION:

Conduct Public Hearing and Adopt Attached Resolution 2026-76 Approving the Report from the Code Enforcement Division on Delinquent Parcels for Administrative Citations and Related Actions.

DISCUSSION:

Throughout the fiscal year, the City of Selma inspects properties within the City limits for the purpose of identifying potential nuisance abatements. Subsequently, the City issues notifications to property owners on each parcel determined to be in violation of public health, safety and welfare according to Selma Municipal Code 1-20-6 regarding Issuance of Administrative Citation(s). Notifications are mailed to property owners via US Mail based on property ownership information contained in the current property assessment roll, as maintained by the Fresno County Assessor and Tax Collector.

Each property owner has a specified period of time from the date of notice to abate the nuisance on the property. If a property owner does not address or respond to the discrepancies noted on their notice within the required time period, the City will issue an Administrative Citation. The entire procedure is contained in Title I Chapter 20 of the City of Selma Municipal Code.

Those properties that required nuisances to be abated in previous fiscal years and which have not paid the citation amount are attached to Exhibit A.

All charges that have not been paid by August 1, 2026 will be assessed on the 2026-27 tax roll. The Finance Department may receive the amount due any time after the confirmation of the report and until August 1, 2026.

FISCAL IMPACT:

Estimates included in the adopted Fiscal Year 2026-2027 budget.

RESOLUTION NO. 2026-76

**A RESOLUTION OF THE CITY COUNCIL OF
THE CITY OF SELMA, CALIFORNIA
DECLARING PROPERTIES LOCATED IN THE CITY IN
VIOLATION OF ADMINISTRATIVE CITATIONS**

WHEREAS, pursuant to Section 1-20-10 of the Selma City Municipal Code (Code), the Code Enforcement Officer has investigated properties and found violations on certain parcels of private property in the City of Selma, more particularly identified in the attached report of the Code Enforcement Officer; and

WHEREAS, the City has issued Administrations Citations for violations; and

WHEREAS, the Code Enforcement Officer has notified each property owner of the fine of said violation, and the time and place when the City Council (Council) will hear and consider the report of the Code Enforcement Officer; and

WHEREAS, on July 21, 2026, the Council read and considered the report of the Code Enforcement Officer, invited and heard all public testimony regarding said report, and considered the assessment of charges for the administrative citations and good cause appearing.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SELMA DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The report of the Code Enforcement Officer, a copy of same being attached hereto as Exhibit A, and made a part hereof through incorporation by reference, is confirmed and approved.

SECTION 2. The respective costs of violation for each parcel are declared a lien against said parcel and the City Clerk shall certify such assessment to the Fresno County Assessor and Tax Collector.

SECTION 3. The City Clerk is directed at sending a certified copy of this Resolution and the attached report to the Fresno County Auditor-Controller on or before August 10th of this year.

SECTION 4. Severability. Capital Improvement Project Update

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Presentation – Capital Improvement Projects

SUBMITTED: David Horn, City Engineer

APPROVED: Jason Rogers, City Manager

DISCUSSION:

The City Engineer will be presenting an update on current Capital Improvement Projects in final design or under construction within the City of Selma.

Attachments:

Informational Item Senior Center Survey

CITY COUNCIL STAFF REPORT

Meeting Date: July 21st, 2026

SUBJECT: Senior Center Survey – Informational

SUBMITTED: Matthew Tiger, Interim Community Services Director

APPROVED: Margee Fallert, Deputy City Manager

RECOMMENDATION:

This is an informational item. Staff requests that the City Council review the results of the recent Nick Medina Senior Center participant survey. No formal action is required at this time; findings are provided to support future program planning and budget discussions.

DISCUSSION:

The Community Services Department surveyed participants at the Nick Medina Senior Center on meal service, programming, trips, volunteering, and overall environment. The survey received 34 responses, most from Selma residents, with participants skewing toward ages 65–84.

Meal Service

Satisfaction: 50% unsatisfied/very unsatisfied vs. 24% satisfied/very satisfied; top complaints: taste (41%), variety (35%), repetitiveness (32%)

Catering interest: 85% support exploring restaurant/local business catering as an alternative; preferred cost mostly \$1–\$4/meal

Participation & Programs

Top requests: Bingo (76%), Movie Day (68%), Arts & Crafts (50%)

Scheduling: 81% prefer morning programming; 52% would attend programs outside Selma

Trips & Outings

Demand: 69% want more trips; top barriers are cost (50%) and transportation (35%)

Popular requests: Museums, beach trips, casinos, shopping, national parks, theater, overnight trips

Volunteer Opportunities

Rotation preference: 58.3% prefer a 3-month rotation

Interest in more roles: 47% yes, 27% maybe, 27% no

Environment & Conduct

Safety & accessibility: 88% feel safe; 88% say the center accommodates mobility/health needs

Overall experience: 84% rate excellent/good; 15% fair/poor

Conduct concerns: Gossip (59%), participant disrespect (32%), disrespect toward staff (29%) most frequently cited

Sense of belonging: Friendships (79%) and staff (50%) most cited as what makes the center feel like home

FISCAL IMPACT:

There is no immediate fiscal impact associated with this informational item.

Holiday Ice Skating Rink

CITY COUNCIL STAFF REPORT

Meeting Date: July 21, 2026

SUBJECT: Holiday Ice Skating Rink – Request for Council Direction

SUBMITTED: Matthew Tiger, Interim Community Services Director

APPROVED: Margee Fallert, Deputy City Manager

RECOMMENDATION:

This is an informational item. Staff requests that the City Council review the information below and the accompanying presentation, and provide direction on a preferred option, rink size, and event duration, so that staff may proceed accordingly and return with a formal agreement for Council approval.

DISCUSSION:

The Community Services Department has explored adding a holiday ice skating rink as a new community event for the 2026 holiday season. Staff reached out to several companies that specialize in synthetic ice rink rentals and found that pricing varies considerably depending on the rink size, event duration, staffing and operations model, and site conditions. Staff also obtained a vendor quote for a real (chilled) ice rink, from All Year Sports Galaxy, as an additional option for Council's consideration.

Synthetic Ice Options: Across the four vendors gathered, and including an allowance for City oversight staffing, full cost estimates range from approximately \$12,400 for a single day at the smaller size up to approximately \$103,600 for a two-week rental at the larger size where the site requires additional preparation.

Real (Chilled) Ice Option: If pursued, this is a substantially larger investment. All Year Sports Galaxy quoted \$126,868 to \$158,368 for the first month depending on rink size.

All synthetic ice options require a flat, hard surface such as concrete or asphalt at the event site. If the final site is grass or gravel, additional site is required and generally adds \$10,500 to \$21,000 depending on rink size and site condition.

The Community Services Department does not have capacity to fully staff this event; a limited City oversight role (not full operations) would be required regardless of which option is selected. Based on rates provided by the Finance Department, this oversight role adds approximately \$868 to \$12,152 to the totals above, depending on event duration, and is already reflected in the cost ranges cited.

Staff has identified one possible event location: Selma Street, between Cross Street and Mill Street, in front of the Library. This location could be used either as an on-street closure or

within the adjacent park lawn area. Using the park lawn would require purchasing or building a flooring platform as described above, and the grass within the rink's footprint would not survive the event.

Assuming each option operates for 4 hours per day at full capacity, staff estimates the following service capacity, staffing, and cost by vendor and rink size.

Synthetic Options

Vendor	Rink Size	People / Hour	City Oversight Staff	Total People / Day (4-Hr)	Total Cost
All Year Sports Galaxy	40' x 40' (~40 people)	40	2	160	\$12,416
All Year Sports Galaxy	40' x 60' (~60 people)	60	2	240	\$15,566
Ice Rink Rentals	2,000 sq ft (~40 people)	40	2	160	<i>Not offered for 1 day – 2-week minimum:</i> \$61,859
Ice Rink Rentals	3,000 sq ft (~60 people)	60	2	240	<i>Not offered for 1 day – 2-week minimum:</i> \$75,123
Ice America	2,500 sq ft (~60 people)	60	2	240	<i>Not quoted by vendor</i>
Emerald Events	40-Panel (~40 people)	40	2	160	\$11,447
Emerald Events	72-Panel (~60 people)	60	2	240	\$16,697

Total Cost figures above do not include the \$10,500 to \$21,000 platform cost that would apply if the final site requires additional flooring.

Real Chilled Ice

Vendor	Rink Size	People / Hour	City Oversight Staff	Total People / Day (4-Hr)	Total Cost
All Year Sports Galaxy	TBD	TBD	2	TBD	<i>Not offered for 1 day – 2-week minimum:</i> \$126,868-\$158,368

Vendor pricing identified through this outreach is time-limited and subject to change; staff will reconfirm current pricing once Council direction is received and before any agreement is brought forward for approval. A companion presentation has been prepared providing a fuller breakdown of the options gathered, including cost by duration and rink size, for Council's reference during this discussion.

FISCAL IMPACT:

The funding for this item has not been identified or budgeted for this fiscal year. Staff will look for sponsors and other outside funding to help offset the cost to the General Fund.

COMMUNITY SERVICES DEPARTMENT

HOLIDAY ICE SKATING RINK

Full-Burden Vendor Pricing by Rental Duration – Council Direction Requested

Adding an Ice Rink

The City Council requested the Community Services Department explore adding a holiday ice skating rink for the 2026 holiday season. Staff reached out to four synthetic ice vendors and gathered cost data on a real (chilled) ice option.

1

5 Options Gathered

All Year Sports Galaxy, Ice Rink Rentals, Ice America, and Emerald Events (synthetic ice), plus a real (chilled) ice cost estimate.

2

Full-Burden Pricing

Every total below includes the vendor package plus required add-ons such as delivery, fencing, or site preparation.

3

Options by Duration

Each synthetic ice vendor is shown across 1-day, 3-day, and 2-week scenarios; real ice is a fixed infrastructure cost shown for reference.

4

Council Direction Needed

Staff needs a preferred option, rink size, and event duration before returning with a formal agreement.

How These Numbers Are Built

Every total in this presentation is a full-burden estimate. Each total stacks two layers:

1. Vendor Package (Vendor-Staffed)

The rink, equipment, professional operators, and insurance quoted by the vendor – all totals use the vendor's own staffing option, since the City does not have capacity to staff the event directly.

2. Required Add-Ons

Delivery, fencing, extra hours, or site preparation the vendor requires but prices separately.

 *City involvement is oversight only – the Community Services Department does not have capacity to fully staff this event. Every full-burden total in this presentation combines the vendor's own staffing cost with the City oversight cost shown on its own slide, based on rates provided by Finance.*

All Year Sports Galaxy – Full-Service Package

- Synthetic ice rink (size of choice)
- Optional safety equipment (helmets, pads)
- DJ lights, effects & snow machine
- Skate rental tent & shelving
- Professional operators
- Delivery, setup & removal
- Secure fencing around the rink
- Assorted skate sizes
- Tables, PA system with music
- Changing area with benches
- Full insurance coverage

City Must Provide / Watch For:

A flat, hard surface (concrete, asphalt, hardwood, tile). If unavailable, subflooring starts at \$5.00/sq. ft. Delivery/setup fee is "starting at \$3,999" – could run higher for the final site. Pricing valid only 10 days from quote date.

All Year Sports Galaxy – Example Installation

Example All Year Sports Galaxy installation – 40' x 60'

All Year Sports Galaxy – Full-Burden Pricing by Duration

Duration	40' x 40' (40 people)	40' x 60' (60 people)
1 Day (up to 4 hrs)	\$12,416	\$15,566
3 Days	\$19,402	\$22,552
2 Weeks	\$56,777	\$59,927

Includes vendor package (professional operators + delivery/setup) + City oversight cost (\$868 / \$2,604 / \$12,152 by duration).

All quotes above assume 4 hours of operation per day. Additional hour per day: \$420–\$788 • Additional day beyond the quote: \$2,835.

MAXIMUM ALL-IN PRICE (If Site Requires Subflooring)

Duration	40' x 40'	40' x 60'
1 Day	\$20,816	\$28,166
3 Days	\$27,802	\$35,152
2 Weeks	\$65,177	\$72,527

Includes base package + subflooring at \$5.25/sq. ft. + City oversight cost. Omit subflooring if the final site is already flat and hard.

Ice Rink Rentals – Longer-Term Package

- Professional-grade self-lubricating synthetic ice panels
- Rink barriers, rubber flooring & changing area setup
- Skate racks, lace-free skates & automatic sharpeners
- Skating aids & full operator training
- Delivery, installation supervision & pickup

Full-Burden Pricing (2-Week Only – No Short-Term Option)

2,000 sq ft (up to 48 skaters): \$61,859

3,000 sq ft (up to 75 skaters): \$75,123

MAX ALL-IN (w/ Platform)

2,000 sq ft: \$72,359 3,000 sq ft: \$96,123

1-Day and 3-Day: Not offered – vendor's minimum engagement is structured around multi-week rentals (up to 5 weeks for the price shown).

Includes vendor staffing (2 staff for 2,000 sq ft / 4 staff for 3,000 sq ft, at \$23.63/hr per staff, 4 hrs/day × 14 days) + 2-week City oversight cost (\$12,152). Max All-In also assumes a \$10,500 (2,000 sq ft) / \$21,000 (3,000 sq ft) platform purchase for a grass site.

Ice Rink Rentals – Example Installation

Example Ice Rink Rental

Ice America – Synthetic Rink Pricing

Synthetic Ice (2,500 sq ft, 60–80 skaters) – Full-Burden Pricing

Duration	Vendor + Oversight	Max All-In (w/ Deck)
1 Day	Not quoted	Not quoted
3 Days	\$65,604	\$86,604
2 Weeks	\$75,152	\$96,152

Vendor-only cost holds at \$63,000. Totals include City oversight cost; Max All-In also adds the \$21,000 gravel-lot deck.

 Site Consideration – Applies Site-Wide

The candidate site discussed with Ice America was a gravel lot requiring leveling. A subfloor deck adds approximately \$21,000 on top of the base total – already reflected in the Max All-In column. This mirrors a broader rule across vendors: a grass site requires purchasing a platform, generally \$10,500–\$21,000 depending on rink size (see Additional Considerations).

Ice America – Example Installation

Example Ice America installation (exact dimensions not confirmed)

Emerald Events – Synthetic Mobile Ice Rinks

- Synthetic plastic polymer ice rink
- Trained crew for setup, teardown, brief training
- Skating aids for toddlers (as available)
- Approved by the California PTA
- Ice hockey skates + rental station
- Stackable chairs for padded changing area
- Full liability insurance
- Glide enhancer (applied by customer after setup)

Emerald Events – Example Installations

40' x 60'

40' x 40'

Emerald Events – Full-Burden Pricing by Duration

Duration	~40-Person Tier	~60–70-Person Tier
1 Day (4 hrs)	\$11,447	\$16,697
3 Days (staff estimate)	\$21,583	\$26,833
2 Weeks (staff estimate)	\$77,331	\$82,581

Base package (vendor-staffed) + fencing (\$730) + snow machine (\$625/hr×4hrs) + City oversight. 3-day and 2-week figures are staff estimates, extrapolated from the vendor's hourly extra-time rate – not published multi-day/multi-week rates. Vendors commonly discount longer engagements, so the 2-week figure may overstate the vendor's actual rate; confirm directly with Emerald before use.

MAXIMUM ALL-IN PRICE (If Site Requires a Platform)

Duration	~40-Person Tier	~60–70-Person Tier
1 Day	\$21,947	\$37,697
3 Days	\$32,083	\$47,833

Assumes a \$10,500 (~40-person) / \$21,000 (~60–70-person) platform purchase for a grass site. 2-Week Max All-In (staff estimate): \$87,831 (~40-person) / \$103,581 (~60–70-person).

⚠️ **Holiday Surcharge Risk:** Emerald's guide states the first 3 weeks of December are subject to minimum rink sizes and minimum rental periods "due to extreme demand." The proposed event dates fall within that window.

Real (Chilled) Ice Rink

In addition to synthetic ice, staff gathered cost data on a real (chilled) ice rink as an alternative option for Council consideration.

Chiller & Infrastructure Cost

\$ 1 2 6 , 0 0 0 — \$ 1 5 7 , 5 0 0

This range covers the chiller unit and supporting infrastructure required to maintain a real ice surface, based on vendor discussions. This is an infrastructure cost – it is not broken out by rental duration the way the synthetic-ice vendor quotes are.

Setup Complexity

Real ice requires refrigeration equipment, power, and water infrastructure not needed for synthetic ice options.

Duration Independence

Once installed, the cost does not scale the same way with rental duration as the synthetic ice vendor quotes do.

Not Yet Vendor-Quoted

This figure reflects staff's outreach discussions; a formal itemized quote has not been obtained the way it has for the four synthetic ice vendors.

City Oversight Cost

The Community Services Department does not have capacity to fully staff this event. All vendor pricing in this presentation already includes the vendor's own staffing option – City involvement is limited to oversight (e.g., spot-checking operations, serving as the City's point of contact on site).

Assumed Staffing: 1 Recreation Supervisor + 1 Maintenance Worker II, 5 hours per operating day, regular (FBR) rate.

Position	FBR (Hourly)	FBR OT (Hourly)
Recreation Supervisor	\$96.15	\$144.23
Maintenance Worker II	\$69.16	\$103.74

Rates as provided by Finance (unadjusted). Based on 5 hrs/day × (\$96.15 + \$69.16) = \$826.55/day. City Oversight Cost figures below reflect a planning adjustment to \$868/day, combined into every vendor full-burden total shown elsewhere in this presentation.

Duration	City Oversight Cost
1 Day	\$868
3 Days	\$2,604
2 Weeks (14 days)	\$12,152

Site Requirements

Grass Surface – Platform Purchase Required

If the final site is grass, a platform must be purchased from the vendor to create a suitable surface, generally \$10,500–\$21,000 depending on rink size. This is separate from and in addition to the vendor package cost.

Gravel/ Uneven Surface

Several vendors explicitly exclude soft mud, dirt, sand, and gravel. The site discussed with Ice America was a gravel lot, requiring a leveling deck at roughly \$21,000.

Insurance & Liability Coverage by Option

Included in Vendor Package

All Year Sports Galaxy and Emerald Events both include full liability insurance as part of their package. Emerald Events is also approved by the California PTA for public and major events.

Conditional Coverage

Ice America includes insurance and liability coverage only under their “full operations” model. If the City instead selects installation-and-training only, the City would need to secure its own coverage.

City-Provided Insurance

Ice Rink Rentals requires the City to provide its own insurance for this option.

Full- Burden Cost Comparison by Duration

Comparable ~60–80-person tier shown for each synthetic ice vendor. Real ice is a fixed infrastructure cost, shown for reference.

Option	1 Day	3 Days	2 Weeks
All Year Sports Galaxy	\$15,566	\$22,552	\$59,927
Ice Rink Rentals	Not offered	Not offered	\$75,123
Ice America	Not quoted	\$65,604*	\$75,152*
Emerald Events	\$16,697	\$26,833	\$82,581**
Real (Chilled) Ice	\$126,868–\$158,368	\$128,604–\$160,104	\$138,152–\$169,652

All totals include City oversight cost. * Ice America excludes the \$21,000 gravel-lot deck. ** Emerald’s 2-week figure is a staff estimate (not vendor-published); confirm with vendor before use. Real ice is an infrastructure cost – it does not scale by duration the same way synthetic ice vendor quotes do.

MAXIMUM ALL-IN PRICE (IF SITE REQUIRES PLATFORM/DECK)

Option	1 Day	3 Days	2 Weeks
All Year Sports Galaxy	\$28,166	\$35,152	\$72,527
Ice Rink Rentals	Not offered	Not offered	\$96,123
Ice America	Not quoted	\$86,604	\$96,152
Emerald Events	\$37,697	\$47,833	\$103,581**
Real (Chilled) Ice	\$126,868–\$158,368	\$128,604–\$160,104	\$138,152–\$169,652

City oversight cost (\$868 / \$2,604 / \$12,152 by duration) is included in every total above – see City Oversight Cost slide for the basis.
