2015-16 Grant**

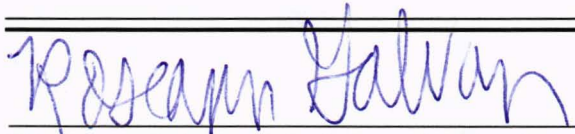

---

**DISCUSSION:**

At the September 8, 2015 meeting, the Selma City Council approved an original resolution that included funding for the 2015-16 COPS Grant of \$100,000. The original grant allocation included the salary of a full police officer (\$95,728) and law enforcement equipment (\$4,272). An amendment needs to be made to adjust the totals for the two items requested. The new amounts are \$23,598.44 for police equipment and \$76,401.56 for part of an officer salary.

**RESOLUTION NO. 2015-\_\_\_\_\_R**

**A RESOLUTION OF THE CITY COUNCIL OF THE  
CITY OF SELMA AMENDING APPROPRIATIONS FOR THE STATE OF  
CALIFORNIA CITIZENS OPTION FOR PUBLIC SAFETY (COPS) GRANT**

WHEREAS, the City of Selma has received funds from the State of California since 1997 through various pieces of legislation; and

WHEREAS, it is estimated that the City of Selma will receive \$100,000 during fiscal year 2015-16 that will include \$23,598.44 which will be utilized for front line law enforcement equipment. The balance of \$76,401.56 will be used to fund part of an officer salary.

WHEREAS, the Selma Police Department has utilized the funds in past years to fund salaries and equipment which were not available with budgeted funds; and

NOW, THEREFORE, BE IT FURTHER RESOLVED, that the City Council of the City of Selma hereby authorizes the amendment/participation in the 2015-16 State of California Citizens Option for Public Safety (COPS) grant program.

The foregoing resolution was duly approved and adopted by the City Council of the City of Selma at a regular meeting held on the 5th day of October, 2015, by the following vote, to wit:

**ITEM NO:** 1 . d .

**SUBJECT:** Declaring excess baseball and softball equipment surplus.

---

---

**BACKGROUND:** Through the City of Selma Recreation Department, we have supervised and coordinated various T-Ball and Girls Softball Leagues. Items such as helmets, chest protectors, catcher's masks, shin guards, bats and balls have become outdated.

**DISCUSSION:** Over the years the Recreation Department has acquired baseball and softball equipment for the youth sports programs. This equipment is no longer being used because newer equipment has taken its place and the overall wear and tear has taken its toll. This equipment is used for as many seasons as possible.

The Recreation and Community Services Department is requesting approval to declare the following equipment as surplus;

- T-Ball Wooden and Aluminum Bats
- Batting Helmets (Some too large in size and others wear and tear and will be disposed of for safety)
- Balls
- Catchers chest protectors (wear and tear)
- Catchers knee & shin guards (wear and tear)
- Catchers helmets (damaged, wear and tear)

With City Council approval, staff is requesting that the old equipment be declared surplus and donated to organizations such as the National Alliance for Youth Sports Global Gear Drive, Sports Gift and/or Project Beisbol, depending on the need and equipment each will accept. These groups collect and distribute new and used equipment to disadvantaged cities and countries around the world. Staff will be throwing away some of the equipment based on safety and the equipment that is not functional, such as helmets that have cracked or catchers gear that is broken.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA  
DECLARING EXCESS BASEBALL AND SOFTBALL EQUIPMENT SURPLUS**

WHEREAS, the baseball and softball equipment is no longer being used; and

WHEREAS, this equipment has been replaced by newer equipment; and

WHEREAS, this equipment is too large to fit the t-ball and softball participants;  
and

WHEREAS, the equipment is no longer functional due to wear and tear and/or  
broken; and

WHEREAS, all broken/damaged equipment will be thrown away; and

WHEREAS, the recreation department will donate the baseball and softball  
equipment that is functional to various groups who collects and distributes new and

**SUBJECT:**

Consider Pioneer Village Advisory Commission recommendation to develop a bid packet for the repainting and wood work repair to the Vincent House.

---

**BACKGROUND:**

The Pioneer Village Advisory Commission recently recommended consideration for painting the inside and outside of the Vincent House, in addition to some wood work repair and framing.

**DISCUSSION:**

Prior to staff developing the bid packet that would need to be completed, setting up a bid timeline and opening up this process to the general public, staff is seeking a recommendation from City Council to move forward with this project.

The present estimate of the painting the outside of the Vincent House is approximately \$30,000.00 and inside approximately \$15,000.00. The wood work repairs and modifications are estimated at approximately \$10,000.00. Total bid estimate if approved would be \$55,000.00. Funding for this project would come from the Pioneer Village Enterprise Fund. Presently the fund has a balance of approximately \$158,000.00. If approved, staff will begin developing all necessary functions of the bid process and setting up a timeline. Following the bid process staff will be reviewing the bids received and bringing back to City Council a recommendation to approve, deny or modify.

The Pioneer Village Advisory Commission has unanimously approved this project for consideration. The Vincent House was the number one project the Commission approved to be completed at Pioneer Village. (Attachment A). The Commission has done quite a bit of work on the interior and envisions small events and tours would be accessible in the near future. This project comes following the reconstruction of the porch on the Vincent House.

PIONEER VILLAGE ADVISORY COMMISSION

Minutes

February 19, 2015

**Call to Order:**

The meeting of the Pioneer Village Advisory Commission was called to order by Chairperson Virginia Lees at 6:31 p.m. at City Hall, 1710 Tucker Street.

**Roll Call:**

Present: Commissioners: Virginia Lees, Susan Wells, Jim Stephenson, Bob Allen and Al King.

Absent: Commissioners: Ken Maxey. (Staff informed the Commission that Commissioner Alcaraz submitted a letter of resignation from the Commission).

**Agenda/Minutes:** The agenda was duly posted seventy-two hours prior to this meeting in a location visible at all times by the general public. A motion by Commissioner Allen and seconded by Commissioner Stephenson, to approve Regular Meeting Minutes, motion carried, unanimously.

**Special Presentations:** None.

**Public Comment:** None.

**Regular Business:**

- A. **Hot Dog Festival Fundraiser.** Louis Franco was present requesting consideration by the Commission to consider sponsoring a Hot Dog Festival Fundraiser. Louis Franco would chair the event in May and all funds raised would go to Pioneer Village. Following discussion, a motion by Commissioner King to approve the Hot Dog Festival Fundraiser, seconded by Commissioner Wells, motion carried with the following vote:
- Ayes: King, Wells, Allen, Stephenson and Lees.  
Noes: None.  
Abstain: None.  
Absent: Maxey.
- B. **City Council Cattlemen's Request Letter** – The Commission held a discussion regarding Cattlemen's Rent. During the 2014-15 Fiscal Year, 50% of the rent from Cattlemen's was redirected to the Selma Arts Council. Following the discussion, a motion by Commissioner Allen to recommend a letter be forwarded to City Council requesting consideration that during the 2015-16 Fiscal Year these funds be redirected back to Pioneer Village, seconded by Commissioner King, motion carried with the following vote:
- Ayes: Allen, King, Stephenson, Wells and Lees.  
Noes: None.  
Abstain: None.  
Absent: Maxey.
- C. **St. Patrick's Day Luncheon** – The Commission held a discussion relating to funds earned from the St. Patrick's Day Luncheon and what project these funds be directed to. Following the discussion, a motion by Commissioner Stephenson to direct funds to the Vincent House, seconded by Commissioner King, motion carried with the following vote:
- Ayes: Stephenson, King, Wells and Lees.  
Noes: Allen.  
Abstain: None.  
Absent: Maxey.

- D. Recommendation for Vincent House Bid Preparation – The Commission discussed the Vincent House and the need for the House to receive improvements both on the inside and outside. The Vincent House is in need of much repair and is the priority project of the Commission to open for tours and events. Staff requested the Commission provide a recommendation on the Vincent House to begin developing a project list for the development of a bid packet. Following the discussion, a motion by Commissioner King to recommend staff begin developing a bid packet for the renovation of the outside of the Vincent House, seconded by Commissioner Lees, motion carried with the following vote:

Ayes: King, Lees, Stephenson, Wells and Allen.  
Noes: None.  
Abstain: None.  
Absent: Maxey.

The Commission also discussed the interior of the Vincent House and the need to repair the damage caused by the bees. The Commission discussed the costs to totally refurbish the inside and outside would exceed funds that are available. The Commission would like to have the Vincent House open as soon as possible for tours and events. If the inside can be cleaned and the bee work repaired, the Vincent House could be opened and funds be raised during the tours and events to continue to make needed improvements to the house. A motion by Commissioner King to recommend staff develop a cost estimate as part of the bid to include the interior bee damage repairs, seconded by Commission Allen, motion carried with the following vote:

Ayes: King, Allen, Stephenson, Wells and Lees.  
Noes: None.  
Abstain: None.  
Absent: Maxey.

- E. Clean Up Day Approval – The Commission was asked again this year to participate on April 25, 2015 with the Mormon Church on a clean-up day at Pioneer Village. Two representatives from the Mormon Church spoke and this year the event is titled “Just Serve Helping Hands” and volunteers will be asked to serve from 8:00 a.m. to Noon, with a hot dog lunch to follow. Following the discussion, a motion by Commissioner Allen to recommend Pioneer Village again host this event, seconded by Commissioner King, motion carried with the following vote:

Ayes: Allen, King, Stephenson, Wells and Lees.  
Noes: None.  
Abstain: None.  
Absent: Maxey.

- F. Pioneer Village Clock Repair – Staff met with Gary Howard, CLOCKDOC regarding the repair of the clock located outside near the Opera House at Pioneer. Mr. Howard believes the clock can be repaired at a cost of approximately \$250.00, however, there might be a minor additional repair. Staff requested a recommendation to review the clock and that the Commission recommends approval of the repairs not to exceed \$500.00. Following the discussion, a motion by Commissioner King to recommend staff work on repairing the clock at a cost not to exceed \$500.00, seconded by Commissioner Stephenson, motion carried with the following vote:

Ayes: King, Stephenson, Allen, Wells and Lees.  
Noes: None.  
Abstain: None.  
Absent: Maxey.

**SUBJECT:**

Consider Staff and Recreation Commission recommendation to develop a bid packet for the resurfacing of the Shafer Park Basketball Courts.

---

---

**BACKGROUND:**

Staff and the Recreation Commission are recommending a bid packet be developed to receive bids on the resurfacing of the Shafer Park Basketball Courts.

**DISCUSSION:**

Staff presented this project to City Council during this fiscal year budget review workshop. Staff has budgeted \$37,000 for this project in this fiscal year's budget. If approved, the funds for this project would come from the TOT 30% allocation that is approved for Parks and Recreation. The Recreation Commission at their August 19, 2015 meeting was in full approval with this project. The Commission also discussed next year to direct funding to the Peter Ringo Park Playground Equipment, (Attachment A).

The Shafer Park Basketball Courts are used regular by a variety of residents in Selma of all ages. Rather it be evenings, mornings or weekend afternoons, these courts provide a great recreation opportunity for a variety of people of all ages. These courts were constructed back in the mid 1980's and for safety and wear and tear, need to be resurfaced. The courts have many cracks and uneven surface areas that create a very difficult playing surface, as well as a hazard at times while playing.

Staff is recommending City Council approve this recommendation in the formation of a Bid Packet to go out to Bid. Following the bid process, staff will be reviewing bids received and evaluating each bid and company. Following the review, the Recreation Commission will be provided the necessary information and recommendation to accept the bid. If City Council approves a company following the bid opening, staff will be working on this process during the winter so by early spring when the weather is warm enough, we can begin to resurface with as little as possible interference and closure of the courts.

**SUBJECT:**

Active Transportation Program Regional Funding-Council of  
Fresno County Governments

---

---

**BACKGROUND:**

The City of Selma submitted two regional applications this year. The first application was \$468,582 for a Safe Routes to School Project. Included in the project are improvements at Eric White Elementary, Jackson School, Garfield School, Roosevelt School and Selma High School. This application was submitted last year by staff and not approved for funding at the State and Local level. This year Townsend & Associates made adjustments to the application and re-submitted -it was not approved for funding at the State level. State applications that are not funded are automatically forwarded to the Council of Fresno County Governments (COG) for consideration in the regional ATP Program.

The second application that was submitted was the development of an Active Transportation Plan. The funding amount was \$88,000. This was prepared by our consultant with staff submitting various data and other information for inclusion in the application. It was only submitted at the Regional level.

The Call for Projects for the Regional Active Transportation Program (ATP) was initiated on June 26<sup>th</sup> and closed on August 7<sup>th</sup>. The ATP Multi-Disciplinary Advisory Group (MAG) formed a scoring committee to evaluate the Active Transportation Program applications for the Fresno County region. The committee met on Wednesday Sept. 23<sup>rd</sup> and reviewed 24 applications. Both of the City of Selma applications are recommended for funding.

The Cycle 2 Fresno COG Regional Competitive ATP covers three years of funding, FY 16-17 through FY 18-19, making \$1.3 million/year available for the Fresno COG Regional Call (\$3,933,000 million total). Per the ATP legislation, at least 25% of Fresno COG's program funds must benefit projects in disadvantaged communities, that is, \$328,000 per year or \$984,000 in Cycle 2. The summary (see attachment) illustrates a recommended award for 12 projects throughout the Fresno County region. Furthermore, 85% of the funds recommended will benefit disadvantaged communities. That is, \$3,341,615 of the funds is expected to benefit either disadvantaged or severely disadvantaged communities in this area.

The timeline for final approval includes the following:

- ☐ FCOG selected draft project list to TTC/PAC for recommendation of approval – October 9, 2015
- ☐ FCOG selected draft project list to FCOG Policy Board for adoption – October 22, 2015
- ☐ Deadline for FCOG project programming recommendations to CTC – November 16, 2015
- ☐ CTC adopts FCOG selected projects – December 9-10, 2015
- ☐ FCOG programs selected ATP projects as an amendment to the 2015 FTIP - February 2015

It is not anticipated that the projects will start until spring 2016.

ITEM NO:

4

SUBJECT:

Consideration and Necessary Action on Resolution Rejecting all Bids and Declaring Materials for Project can be had at a Lower Cost on the Open Market and Authorizing Staff to Procure Those Materials and to Solicit New Bids for the Remaining Part of the Selma Performing Arts Storage Building Project.

---

---

**DISCUSSION:** This Council has authorized the expenditure of up to \$190,000 for the construction or erection of a storage building capable of storing props, equipment, and other materials used in the operations of the Selma Arts Center. The Performing Arts Storage Building Project contemplated a simple storage building consisting of a metal structure having roll-up doors. Before soliciting bids for that project, Staff did obtain quotes for the cost of the material consisting of the metal building to be erected on the site. Those costs, coupled with the estimated cost of the necessary concrete work, consisting primarily of a concrete slab for the building, are substantially below the prices bid for completing the project by the two bids that were received by the City. Those bids are as follows:

<u>BIDDER</u>	<u>PRICE</u>
MACC Construction Inc	\$284,995.80
BMV Construction Group Inc	\$313,826.00

The metal buildings are readily available on the open market. Staff has received both estimates for the necessary concrete work and bids for purchase of the building together with all services necessary to erect the building once the concrete slab is in place. The purchase price for the building and services that will result in its erection is \$101,500. Based on this proposal and the estimated cost of the necessary concrete work, it is clear that the project can be performed at a lower cost by procuring the metal building and the services necessary for its erection on the open market.

Because it exceeds \$5,000, the City is required to issue new solicitations for bids for the remaining work and materials this time seeking bids for the establishment of the necessary concrete slab on which the building will be placed. Pursuant to Public Contract Code §20167 after it has rejected all bids, if four-fifths of the City Council make the determination that materials to be furnished for the project, consisting of the metal building, can be had at a lower cost by purchase on the open market than through bids solicited by the City, the Council may authorize that acquisition without making any further attempt to comply with the Public Contract Code provisions which normally requires that all Public Works in excess of \$5,000 be awarded by contract to the lowest responsible bidder. The \$101,500 cost for the building combined with the estimated \$55,000 for the concrete slab would bring the total cost of this project at \$156,500, below the estimated cost for this project.

<b><u>COST:</u></b> (Enter cost of item to be purchased in box below)		<b><u>BUDGET IMPACT:</u></b> (Enter amount this non-budgeted item will impact this years' budget in box below – if budgeted, enter NONE).
\$156,500 (Estimated)		None. The expenditure is appropriated from the Cultural Arts Construction Fund.

**RECOMMENDATION:** Adopt Resolution rejecting all bids and authorizing acquisition of materials to be furnished for project on the open market. The Resolution must be adopted by at least a 4/5's vote.

## RESOLUTION NO. 2015-\_\_R

---

### RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SELMA REJECTING ALL BIDS RECEIVED ON THE PERFORMING ARTS STORAGE BUILDING PROJECT AND AUTHORIZING PURCHASE OF METAL BUILDING AND RELATED MATERIALS OR SERVICES ON THE OPEN MARKET

---

**WHEREAS**, this City Council has appropriated funds for a public project consisting of the erection of a Performing Arts Storage Building or facility (hereinafter the "Project"); and

**WHEREAS**, the City, in conformity with applicable law, Public Contracts Code §20162, solicited bids for the Project and received two bids, both of which are significantly higher than the cost of construction estimated by City Staff, which estimates were premised on the cost of installing or erecting a metal building to serve as a storage unit for supplies and equipment used at the Selma Arts Center; and

**WHEREAS**, in the course of determining the estimated cost of the Project, the City did receive written proposals from the suppliers of metal buildings envisioned to be erected by this Project and Staff has determined that these metal buildings are easily locatable and obtainable on the open market and that the cost for what is the primary material involved in this Project is significantly lower than the amount of the bids received for this Project; and

**WHEREAS**, the City's estimated cost for the entire Project, including the establishment of utilities, the slab foundation and erection of the building was \$190,000 while the two bids received were as follows:

<b><u>BIDDER</u></b>	<b><u>PRICE</u></b>
MACC Construction Inc	\$284,995.80
BMV Construction Group Inc	\$313,826.00

**WHEREAS**, Staff has determined the project can be completed at a much lower cost by acquiring the metal building on the open market and soliciting new bids for that part of the Project consisting of the installation of the concrete slab on which the building will be placed. Staff has received a proposal from Shaw Construction to supply and erect the metal building, without supplying the concrete slab on which the building will be placed at a cost of \$101,500 and has received estimates for the necessary concrete work for establishment of the concrete slab that are approximately \$55,000; and

{00013659.DOCX;1}

**WHEREAS**, § 20166 of the Public Contracts Code provides that in its discretion, this Council may reject any or all bids presented and pursuant to Contract Code §20167 after rejecting all bids, this Council may, by four-fifths vote of its members declaring that materials or supplies to be furnished for the Project can be obtained at a lower price in the open market, have the Project done in the manner stated without further compliance with the provisions of the Public Contract Code requiring, normally, that Public Works projects be awarded to the lowest responsible bidder.

**NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:**

1. The foregoing recitals are true and correct and are a material part of this Resolution.
2. The Council rejects all bids received on the Project.
3. This Council, by at least a four-fifths vote of its members, declares that materials or supplies to be furnished for the Project can be obtained at a lower price on the open market and authorizes Staff to procure the metal building to be erected for this Project on the open market, and to solicit new bids for the construction work that remains, consisting primarily of the placement of a concrete slab.

**CITY MANAGER'S/STAFF'S REPORT  
CITY COUNCIL MEETING:**

October 5, 2015

**ITEM NO:**

5.

**SUBJECT:** Consideration and necessary action on Sculpture placement (Rose and McCall) and Sculpture donation and placement (downtown parking lot).

---

---

**DISCUSSION:** At the September 21, 2015 Council meeting, it was the consensus of Council to approve the placement of a bronze sculpture on City property-Tucker Street Pocket Park. That sculpture is on loan from Fresno State Professor Emeritus Ernesto Palomino (Artist/Owner) for a period of three years commencing in January 2016 thru January 2019. After further review of the Tucker Pocket Park location the recommended location is for placement on the corner of Rose and McCall Avenues.

Staff has received a second sculpture request from Scott and Rose Robertson for placement of a sculpture on City property. This sculpture would be donated not loaned. The Sculpture is attached with a sample rendering of the location, as well as a site map. Proceeds from the Arts Foundation Tejano Concert will be used to fund LED lighting of the sculpture.

Staff is requesting approval for the recommended location change of the loaned art sculpture, and acceptance of donated sculpture and location.

## **POLICE DEPARTMENT** **BI-WEEKLY COUNCIL UPDATE** (9/8 – 10/1/15)

### **Crime Trends**

- Current crime data for the last 14-day period indicates a 66% drop in violent crime, including a 40% drop in aggravated assault. Every violent crime category saw a reduction, except domestic violence, where one incident was reported in this time period as opposed to none in the previous 14-day period. Property crimes were also down in every category, with reductions of 12% in burglary, 16% in larceny, 28% in vehicle burglary, and a 6% reduction in auto theft.

### **Significant Calls for Service**

- 9-21-15. During the DUI detail officers stopped a vehicle at greenwood apts. Manuel Morales was in the vehicle and found to have a loaded .38 caliber pistol in his possession. Morales is a known gang member and was arrested on the charges of pc 12025(b)(3) gang member carry concealed weapon, pc25400(a)(2) concealed weapon on person, and pc 25400(a)(3) carry concealed weapon in vehicle.
- 9-23-15. The real estate agent for the property at 1315 Gaither reported that the internal parts to the home's central heating and air unit had been removed from the unit with a loss of \$3000 to \$5000 in repairs needed.
- 9-28-15. ARMED ROBBERY Family Market, 1915 First St. Unknown suspects, described only as one Caucasian male adult and one Hispanic male adult wearing ski masks and gloves, entered the business leaving with cash from register and clerk's cellular telephone. Caucasian male armed with chrome revolver points it at clerk while Hispanic male armed with a knife takes clerk's cell phone from the countertop. Clerk so shaken by crime he does not know how suspects left scene and could provide no further description. No video cameras in area or within the store. Only businesses open in area were S&K Auto Body & Sports Club but no witnesses were located.
- 9-29-15. Stolen Vehicle "CHOP SHOP" 1803 Mitchell Ave. Officers were dispatched to the address based on a tip from an anonymous caller of a stolen vehicle at the location. Upon arrival, officers locate two stolen vehicles in various stages of disassembly and numerous car parts in what is a chop shop operation in the backyard and covered shed. Suspect identified operating the chop shop happened to be arrested earlier in the evening, during a pursuit for unrelated reasons, which started in Kingsburg by their PD, entered the County, into Selma, and finally terminated near Fowler.

## Personnel

- One (1) officer and one (1) sergeant remain off work due to industrial injuries. We completed our latest reserve officer recruitment and interviews were held on Monday, September 28, with one candidate beginning the background process. A conditional offer for contract work has been given to Emergency Services Dispatch candidate in anticipation of future vacancies.

## Special Events

- Preparations are underway for the next event (scheduled for Saturday, October 3<sup>rd</sup>, 2015 at Friendship Baptist Church) of a series of Police/Community sponsored events as a part of the coalition known as "Bringing Broken Neighborhoods Back to Life."
- The department participated in our first "Reality Tour," fact-based program brought to us by the Fresno County Health Care Collaborative, on September 19, 2015, which brought a drug-use prevention dramatization to Abraham Lincoln Middle school to parents and children 10-18 years old. 88 families who were pre-registered participated in the experience, depicting the consequences of drug use.
