

**CITY MANAGER'S/STAFF'S REPORT
CITY COUNCIL MEETING:**

August 2, 2021

ITEM NO: 1.a.

SUBJECT: Consideration of a Resolution Approving a Certified List of All Parcels Subject to a Special Tax Levy Pursuant to the City of Selma Community Facilities District No. 2006-1, Setting the Amount of the Special Tax to be Levied on Each Such Parcel for the 2021-22 Fiscal Year, and Authorizing the Placement of the Special Tax on the Fresno County Tax Rolls

RECOMMENDATION: Adopt the Resolution authorizing the levy of the Fiscal Year 2021-2022 special tax for Community Facilities District No. 2006-1 (Vineyard Estates) on the 2021-2022 Fresno County tax roll.

DISCUSSION: On December 4, 2006, Community Facilities District ("CFD") No. 2006-1 was formed for the Vineyard Estates development project. The purpose of a CFD is to provide financing of public improvements and services, including streets, sewer systems and other basic infrastructure, police protection, fire protection, ambulance services, schools, parks, libraries, museums and other cultural facilities. Once a CFD is formed, a special tax lien is placed against each property in the CFD. Property owners then pay a special tax each year for the aforementioned improvements and services.

Pursuant to the CFD's formation documents, annually, the City's Finance Department determines the amount of the special tax by increasing the base year tax by using the greater of the West Urban Area Consumer Price Index (CPI) or three percent (3%). Per the formation documents, the tax cannot exceed \$390.00 for a single-family residence and \$293.00 multi-family, plus the annual adjustment.

The Vineyard Estates project consists of multiple phases and parcels. Once a building permit is issued by the owner or contractor, the special tax lien is placed on the parcel for levy on the next property tax roll. A certified list of parcels and amounts is prepared to reflect each parcel that will be levied for the year. Although not all parcels will be taxed, the outstanding obligation accrues to the following year. For the fiscal year of 2021-22, the rate is as follows:

Special Tax Per Unit	
Single-Family	Multi-Family
\$ 618.89	\$ 464.96

The revenues collected from the tax are restricted and are held by the City in a segregated fund, and are used to pay for the following services within the CFD:

- Police, Fire, and Paramedic Services
- Park Service
- Storm Drainage Services

Only property owners within the Vineyard Estates project are subject to the special tax. A total of \$70,177.60 will be collected for the tax year of 2022.

RECOMMENDATION: Adopt the Resolution authorizing the levy of the Fiscal Year 2021-2022 special tax for Community Facilities District No. 2006-1 (Vineyard Estates) on the 2021-2022 Fresno County tax roll.

**CITY MANAGER'S/STAFF'S REPORT
CITY COUNCIL MEETING:**

August 2, 2021

ITEM NO: 1.b.

SUBJECT: Consideration of a Resolution Setting the Tax Rate for Fiscal Year 2021-2022 with Respect to General Obligation Bonds for the Police Station Improvements

RECOMMENDATION: Adopt the Resolution Setting Tax Rate for Fiscal Year 2021-2022 with respect to general obligation bonds for police station improvements.

DISCUSSION: The City received authorization from the voters in November 2016 to issue \$4,000,000 in General Obligation Bonds (Measure P) to finance the acquisition and construction of a Police Station and associated improvements (Police Station Improvements). On August 1, 2016, the City adopted Ordinance No. 2016-4 which among other things called for an election on November 8, 2016 (Election) on the question of incurring a bonded indebtedness for the purpose of acquiring and constructing the Police Station Improvements. Ordinance No. 2016-4 also provided for the issuance and sale of City of Selma General Obligation Improvement Bonds (Bonds) to finance the Police Station Improvements.

Following approval of Measure P by the voters on November 8, 2016, on May 15, 2017, the City adopted a Resolution officially authorizing the issuance of the bonds and issued \$4,000,000 bonds on July 6, 2017.

The Bonds will be general obligations of the City payable from and secured by taxes levied and collected in the manner prescribed by the laws of the State of California. The proposed resolution levies the authorized tax against all taxable real property in the City of Selma, and sets the tax rate at a level necessary to pay for the interest and principal on the General Obligation Bonds.

The proposed 0.0150% tax rate for FY 2021-22 is based on the debt service, the estimated Fiscal Year 2021-22 assessed values for all rolls (secured, unsecured and utility), and existing fund balances will serve as a delinquency reserve. This is the fifth year of the new ad valorem tax related to Measure P and is anticipated to be collected through tax year 2046-47, with annual tax rate approvals by the City Council each July.

All taxes collected from the general obligation levy will be deposited in a special fund, and collections not used to pay debt service for the FY 2021-22 bond year will be retained in the fund to pay future obligations. Consequently, any tax over-collection will be reversed prospectively. The estimated Tax Rate on property owners is:

Assessed Value	FY 2020-21 Tax	Property Description
\$100,000	\$15.00	Base A.V.

The tax levy of the recommended 0.0150% will result in estimated collections of approximately \$194,000. This amount, along with a portion of the tax revenues already on hand with the City, will be sufficient to make the debt service payments on February 1, 2022 and August 1, 2022.

SUBJECT: Consideration of a Resolution Approving the Preliminary Engineer's Report, Declaring Intention to Levy and Collect the Annual Assessment for Services Rendered in the Landscaping and Lighting Maintenance District No. 1, and Providing Notice of Public Hearing on the Proposed Assessments

DISCUSSION: The City established a Landscaping and Lighting Maintenance District ("LLMD") in 1984. The purpose of the district is to pay for landscaping, lighting, and other improvements plus services in a public area. In order to collect funds to pay for these services, the City files to the County Teeter program for collection via property taxes annually. Within the district, zones are established to create areas that benefit from the service provided. Currently there are 10 zones throughout the City. Their names and rates are as follows:

• Nelson East	105.28	• Blossom Ranch	106.82
• Nelson West	123.34	• Sundance	58.94
• Dinuba-Thompson	93.88	• Rosewood Estates	122.54
• Dancer Meadows	120.86	• Vineyard Estates	15.94
• Suncrest	129.74	• Royal County Estates	190.12

Within these zones there are a total of 1,937 parcels. Under State law, in order to assess the levy for the services provided, the City Engineer is required to prepare a report which sets forth the plans and specifications for the improvements, the estimate of the costs of the improvements, a diagram for the LLMD, and an assessment of the estimated costs of the improvements.

The assessment for each zone is calculated using the information set forth in the Engineer's Report. This Report is completed each year and adopted.

For the fiscal year 2021-2022 there will be no cost increase for any zone. The total amount filed to the tax roll is \$206,579.40.

After adopting the preliminary Engineer's Report, State law requires the City to hold a public hearing to hear any protests regarding the proposed assessments. Staff is recommending that the City conduct the public hearing at its regular meeting on August 16, 2021.

RECOMMENDATION: Adopt the Resolution approving the preliminary Engineer's Report, declaring intention to levy and collect the annual assessment for services rendered in the Landscaping and Lighting Maintenance District No. 1, and providing notice of public hearing on the proposed assessments.

The 1972 Act provides that the total cost of construction, operation, maintenance and servicing of landscape and lighting improvements can be recovered by the District.

Any balance remaining on July 1 must be carried over to the next fiscal year unless the funds are being accumulated for future capital improvements and/or operating reserves.

PART C

ASSESSMENT DISTRICT DIAGRAM

The boundaries of the Selma LANDSCAPE AND LIGHTING Maintenance District No. 1 are shown on the reduced map on the following pages. For the particulars of the lines and dimensions for each Assessor Parcel Number, please refer to the Assessor Parcel Maps located at the Fresno County Assessor office for the year in which this Report was prepared.

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance, and servicing of public lights, landscaping, and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value.

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the new amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

The formula used for calculating assessments in each zone, therefore reflects the composition of the parcels, and the improvements and services provided, to apportion the costs based on estimated benefit to parcels within each zone.

In addition, pursuant to Article XIII D, Section 4 of the State Constitution, a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel, and provides that only special benefits are assessable. Therefore, in compliance with the new assessment requirements, only assessments that are identified as "Special Benefit Assessments" are assessed.

Estimates for materials and miscellaneous expenses included are based on the best available data known at the time the budgets for each District were prepared and the assessment was determined.

B. Benefit Analysis

The method of apportionment (method of assessment) is based on the premise that the assessed parcels within each zone receives equal benefit from the improvements maintained and financed by the District's assessments. The assessments are for the maintenance of local landscape improvements installed as part of the original development of the parcels within each zone and approved by property owners at the annexation of the zone into the District. The desirability of properties within each zone is enhanced by the presence of well-maintained landscaping and sufficient lighting in close proximity to those properties.

The improvements provided by the District generally include landscaped parkways, entryways, recreation/retention areas, street lighting for pedestrians and vehicles, and any other appurtenant facilities. The annual assessments outlined in this Report are proposed to cover the estimated cost to provide all necessary services, operation, administration, and maintenance required during the year to keep these improvements in a healthy, vigorous, and satisfactory condition.

The special benefits associated with the local landscaping and lighting improvements are specifically:

- Enhanced desirability of properties through association with the improvements
- Improved aesthetic appeal of properties within the Districts providing a positive representation of the area.
- Increased sense of pride in ownership of property resulting from well-maintained improvements associated with the properties.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities, including abatement of graffiti.
- Enhanced environmental quality of the parcels within the Districts by moderating temperatures, providing oxygenation and attenuating noise.
- Intersection lighting to maximize illumination and reduce potential vehicular accidents.
- Illumination of walkways and pathways to increase pedestrian foot traffic and facilitate safety.
- Public street lights serving a property provide a variety of benefits to the property
 - Access benefit – public street lights improve ingress and egress from properties from dusk to dawn.
 - Security benefit – public streetlights help reduce vandalism against properties and criminal acts on properties between dusk to dawn.
 - Traffic benefit - Public Street lights improve safety and facilitate the flow traffic to and from properties between dusk to dawn.

All of the preceding special benefits contribute to a specific enhancement and desirability of each of the assessed parcels within the Districts creating a more distinctive and a greater defined quality of life.

ASSESSMENT METHODOLOGY

Each single family residential parcel within each of the various areas benefits equally from the construction, operation, maintenance and servicing of the landscaping and street lighting improvements within the service area. Therefore, the total assessment revenue needed to construct, operate, maintain and service the landscaping and street lighting improvements will be spread equally to each single family residential parcel within each service area.

PART E

PROPERTY OWNER LIST & ASSESSMENT ROLL

Exhibit "B" in the Appendix includes a listing of the Assessor parcels located within the boundaries of the Selma Landscape and lighting Maintenance District No. 1 that will be assessed in FY 2021-22 and the amount that each parcel is to be assessed.

**CITY MANAGER'S/STAFF'S REPORT
CITY COUNCIL MEETING:**

August 2, 2021

ITEM NO:

2.

SUBJECT: Public Hearing to Receive Input from the Community Regarding the Redrawing of Election District Boundaries

RECOMMENDATION:

It is recommended that the City Council: 1) receive a report from staff and consultants on the redistricting process and permissible criteria to be considered to redraw district boundaries; 2) consider optional project elements and 3) conduct a public hearing to receive public input on district boundaries.

SUMMARY:

Every ten years, cities with by-district election systems must use new census data to review and, if needed, redraw district lines to reflect how local populations have changed. This process, called redistricting, ensures all districts have nearly equal population. The redistricting process for the City of Selma must be completed by April 17, 2022.

The City adopted its current district boundaries on December 2, 2019 based on 2010 census data as required by law. The districts must now be redrawn using the 2020 census data and in compliance with the FAIR MAPS Act, which was adopted by the California legislature as AB 849 and took effect January 1, 2020.

Under the Act, the council shall draw and adopt boundaries using the following criteria in the listed order of priority (Elections Code 21601(c) for general law cities / 21621(c) for charter cities):

1. Comply with the federal requirements of equal population and the Voting Rights Act
2. Geographically contiguous
3. Undivided neighborhoods and "communities of interest" (socio-economic geographic areas that should be kept together)
4. Easily identifiable boundaries
5. Compact (do not bypass one group of people to get to a more distant group of people)
6. Shall not favor or discriminate against a political party

Once the prioritized criteria are met, other traditional districting principles can be considered, such as:

1. Minimize the number of voters delayed from voting in 2022 to 2024
2. Respect voters' choices / continuity in office
3. Future population growth

SUMMARY *Continued*

By law, the City must hold at least four public hearings that enable community members to provide input on the drawing of district maps:

- At least one hearing must occur before the city or county draws draft maps
- At least two hearings must happen after the drawing of draft maps
- The fourth hearing can happen either before or after the drawing of draft maps
- City or county staff or consultants may hold a public workshop instead of one of the required public redistricting hearings

To increase the accessibility of these hearings, cities and counties must take the following steps:

- At least one hearing must occur on a Saturday, Sunday, or after 6 p.m. on a weekday
- If a redistricting hearing is consolidated with another local government meeting, the redistricting hearing portion must begin at a pre-designated time
- Local public redistricting hearings should be made accessible to people with disabilities

DISCUSSION:

During the May 3, 2021 City Council meeting, Council authorized the City Manager to execute a Professional Services Agreement not to exceed \$25,000. Council then inquired on the optional project elements that National Demographics Corporation provides to assist residents with the redistricting process. Staff recommends Council consider the following services from the options provided and direct City Staff to amend the not to exceed amount to account for the optional project elements if needed.

3. Optional Project Elements:

- a) Project website \$ 4,500
- b) Public mapping tool options:
 - ESRI Redistricting *
 - Caliper-centered system including all elements below \$ 3,000
 - “Maptitude Online Redistricting” (MOR)
 - Tuft University’s “DistrictR” (a simple neighborhood mapping tool)
 - Public Participation Kit paper- and Excel-based mapping tool
- c) DistrictR without MOR or ESRI \$ 2,000
- d) Public Participation Kit mapping tool without MOR or ESRI \$ 2,000
- e) Working with independent or advisory redistricting commission no additional charge
- f) Additional outreach assistance separately contracted

* ESRI prices its software on a jurisdiction-by-jurisdiction basis. The lowest prices we have seen are \$80,000 and up. If that is an option the jurisdiction would like to pursue, NDC will request a specific price for your jurisdiction from ESRI.

DISCUSSION *Continued*

The purpose of this public hearing is to inform the public about the districting process and to hear from the community on what factors should be taken into consideration while creating district boundaries. The public is requested to provide input regarding communities of interest and other local factors that should be considered while drafting district maps. A *community of interest* under the relevant Elections Code for cities (Section 21601(c) / 21621(c)) is “a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation.”

Possible features defining community of interest might include, but are not limited to:

- A. School attendance areas;
- B. Natural dividing lines such as major roads, hills, or highways;
- C. Areas around parks and other neighborhood landmarks;
- D. Common issues, neighborhood activities, or legislative/election concerns; and
- E. Shared demographic characteristics, such as:
 - (1) Similar levels of income, education, or linguistic insolation;
 - (2) Languages spoken at home; and
 - (3) Single-family and multi-family housing unit areas.

Next Steps:

On August 16, 2021, the City Council will conduct Public Hearing #2 to seek additional public input and provide direction on criteria to be considered while drafting district maps. Following that hearing, draft district maps and proposed election sequencing will be posted to the City website and available at City Hall.

The dates for Public Hearings #3 and #4 to consider draft maps are yet to be determined depending on release of the delayed U.S. Census data and state prisoner population adjusted counts.

RECOMMENDATION:

It is recommended that the City Council: 1) receive a report from staff and consultants on the redistricting process and permissible criteria to be considered to redraw district boundaries; 2) consider optional project elements and amend the not to exceed amount if needed 3) conduct a public hearing to receive public input on district boundaries.

Estimates using official 2020 demographic data and NDC's estimated total population figures.

Each of the four Council districts must contain about 6,075 people.

Latino CVAP

Latino eligible voters are concentrated everywhere except the east edge of the City.

There are no large geographic concentrations of Asian-Americans, African-Americans, or Native Americans.

Defining Neighborhoods

1st Question: What is your neighborhood?

2nd Question: What are its geographic boundaries?

Examples of physical features defining a neighborhood boundary:

- Natural neighborhood dividing lines, such as highway or major roads, rivers, canals and/or hills
- Areas around parks or schools
- Other neighborhood landmarks

In the absence of public testimony, planning records and other similar documents may provide definition.

Beyond Neighborhoods: Defining Communities of Interest

1st Question: What defines your community?

- Geographic Area, plus
- Shared issue or characteristic
 - Shared social or economic interest
 - Impacted by city or county policies
- Tell us “your community’s story”

2nd Question: Would this community benefit from being “included within a single district for purposes of its effective and fair representation”?

- Or would it benefit more from having multiple representatives?

Definitions of Communities of Interest may not include relationships with political parties, incumbents, or political candidates.

Communities of Interest

Under the California Elections Code, “community of interest” has a very specific definition in the context of districting and redistricting cities and counties:

A “community of interest” is a population that shares common social or economic interests that should be included within a single district for purposes of its effective and fair representation.

Communities of interest do not include relationships with political parties, incumbents, or political candidates.

**CITY MANAGER'S/STAFF'S REPORT
CITY COUNCIL MEETING:**

August 2, 2021

ITEM NO:

4.

SUBJECT: Consideration and necessary action on Resolution Confirming Report of the Environmental Control Officer on Delinquent Parcels for the Cost of Removal of Structures, Weeds, Rubbish, Refuse, Dirt, etc. and Sidewalk Repair to the 2021-2022 Fresno County Tax Roll

RECOMMENDATION: Approve a Resolution Confirming Report of the Environmental Control Officer on Delinquent Parcels for the Cost of Removal of Structures, Weeds, Rubbish, Refuse, Dirt, etc. and Sidewalk Repair

DISCUSSION: Throughout the fiscal year, the City of Selma inspects property within the City limits for the purpose of nuisance abatement. The City posts notices on each parcel that has been identified as being in violation according to our Ordinance, and mails the same notice to the property owner(s) of each parcel, as shown on the most current assessment roll.

Each property owner has two weeks from the date of posting to clean or maintain the property. If a property owner does not respond to those discrepancies as noted on their Notice within the prescribed period of time, the City causes that nuisance to be abated. The entire procedure is contained in Title IX Chapter 3 of the City of Selma Code.

Those properties that required nuisances to be abated and have not paid the charges are as follow:

<u>A.P.N</u>	<u>OWNER</u>	<u>AMOUNT</u>
388-081-01	James & Kathryn Bethel	\$985.00
358-521-39	Daniel & Susan Mills	\$515.00

All charges that have not been paid for on or before August 10, 2021 will be assessed on the 2021-2022 tax roll. In compliance with 9-3-10 of the Selma City Code, "The City Clerk may receive the amount due on the abatement cost and issue receipts any time after the confirmation of the report and until August 10, 2021 following the report."

Staff will be prepared to provide information on each parcel that is being assessed for the cost of removal of structures, weeds, rubbish, refuse, dirt, etc. and sidewalk repair if the Council so desires.

WHEREAS, pursuant to Section 8-5-8 of the Selma City Code, the Environmental Control Officer has caused notice to be given directing the removal of structures, weeds, rubbish, refuse, dirt, etc. and repair of sidewalk, on certain parcels of private property in the City of Selma, more particularly identified in the attached report of the Environmental Control Officer; and

WHEREAS, the City has abated such nuisances; and

WHEREAS, the Environmental Control Officer has notified each property owner of the cost of said abatement and the time and place when the Council will hear and consider the report of the Environmental Control Officer; and

WHEREAS, on August 2, 2021 the Council read and considered the report of the Environmental Control Officer and invited and heard all public testimony regarding said report and the assessment of charges for the abatement of the nuisances and good cause appearing.

NOW, THEREFORE, it is hereby ordered and resolved as follows:

1. The report of the Environmental Control Officer, a copy of same being attached hereto, marked Exhibit A, and made a part hereof through incorporation by reference, is confirmed and approved.
2. The respective costs of abatement for each parcel are declared to be a lien against said parcel and the City Clerk shall certify such assessment to the Fresno County Assessor and Tax Collector.

**CITY MANAGER'S/STAFF'S REPORT
CITY COUNCIL MEETING:**

August 2, 2021

ITEM NO: 5.

SUBJECT: Consideration and Necessary Action on Resolution Confirming the Report of Annual Refuse Collection Charges to be Added to the 2021-2022 Fresno County Property Tax Roll and Adopting Proposed Increase in Rates for Solid Waste Collection, Disposal, and Recycling Services

RECOMMENDATION: Council to Adopt Resolution Confirming Report of Annual Refuse Collection to be Added to the 2021-2022 Property Tax Roll and Approving Proposed Increase in Rates for Solid Waste Collection, Disposal, and Recycling Services

DISCUSSION: The Proposed Resolution is the action for Council to increase rates charges for solid waste collection, disposal, and recycling services (Solid Waste Service) in the City of Selma by Waste Management, Inc. under a Solid Waste Franchise Agreement. This Resolution confirms and approves the proposed rate increases of 2.69% for all commercial and residential accounts.

Before raising the rates, the City Council is required to, and did, issue a Notice under Public Notice giving the rate payers notice of the proposed rate increase and the opportunity to protest that increase. If the City receives a written protest from a majority of the parcels that are subject to paying the fee the rate increase is not allowed. Staff has tallied the written protests received to date, and a majority protest from the owners of a majority of the parcels subject to the 2.69% rate increase has not been received. Council is required to accept written protest up to and including the time of the public hearing. Assuming a sufficient number of additional protests are not received to comprise a majority of the owner of parcels subject to the fee, Council may adopt the Resolution approving the rate increase in addition to the Report on file with the Clerk which identifies the charges against each parcel for solid waste services so that the Report may be provided to the Fresno County Controller/Tax Collector and placed on the tax rolls for collection, as to the vast majority of the residential accounts. The rate increase provided for, 2.69%, is necessary to cover increased costs to Waste Management of disposing of solid waste collected throughout the City of Selma.

Thank you Reyna,

Manuel Cunha would like to attend a City Council meeting and present the attached samples letters addressed to our U.S. Senators and seek Selma City Council support.

We found in the House of Representatives version of the Immigration Reform Bill, they did not include Packing Houses nor Processing facilities.

This would really hurt our agricultural industry. That is why this is so important.

Mr. Cunha can bring 8 copies of the 2 letters to our U.S. Senators to your meeting for the Council, the City Manager, the City Attorney and the City Clerk.

I have also attached a contact list where you would send the letters (if they are approved) to each U.S. Senator's office. The Immigration representative and the local district representative. We ask that you copy us too! Sending them by U.S. Mail takes about 3 weeks. Each letter received in Washington D.C. has to go through Security and can take weeks! So we email our letters to the staff representative.

Thank you very much for your help.

Cheryl for Manuel Cunha, Jr.

The Honorable U. S. Senator Dianne Feinstein
331 Senate Hart Office Building
Washington, D. C. 20510

Dear Senator Feinstein,

The City of _____ greatly appreciates the United States House of Representatives passage of the Farm Workforce Modernization Act of 2021. We have hope that it will pass the Senate, especially since undocumented farmworkers and other agricultural employees have shown how important they are during the COVID-19 pandemic. However, the legislation in its current form leaves out a large segment of our undocumented agricultural workforce, people that work in packing houses and processing plants.

Packing houses and processing plants are a vital economic sector in our community. They provide our residents with good paying jobs. It would be unfair for these workers who are sorting, packing, or processing agriculture commodities to have to resign from these agricultural jobs to seek another that meets the legislation's current definition of *agricultural labor or services*. They too are working long and hours, especially during peak season. Work done whether in the field or in packing houses or processing plants is important to the agricultural industry.

Dreamers must not be forgotten in this push to legalize the agricultural workforce. In our community, many Dreamers have parents who work in agriculture. To not move forward without legislation for Dreamers leaves their future uncertain. A court ruling or new President of the United States could once again take away everything they worked hard for. We could lose teachers, doctors, lawyers, and workers in almost all occupations.

The City of _____ respectfully request that the definition of *agricultural labor or services* in the Farm Workforce Modernization Act of 2021 be modified to include employees who work in packing houses and processing plants and that legislation for Dreamers be passed concurrently.

Sincerely,

Payment by City is not a condition precedent to enforcement of this indemnity. In the event of any dispute between Consultant and City, as to whether liability arises from the sole negligence of the City or its officers, employees, or agents, Consultant will be obligated to pay for City's defense until such time as a final judgment has been entered adjudicating the City as solely negligent. Consultant will not be entitled in the absence of such a determination to any reimbursement of defense costs including but not limited to attorney's fees, expert fees and costs of litigation.

City retains the right, but has no obligation, to represent Consultant and/or be present at any deposition, hearing, or similar proceeding as allowed by law. Unless City is a party to the lawsuit, arbitration, or administrative proceeding and is adverse to Consultant in such proceeding, Consultant agrees to cooperate fully with the City and to provide the opportunity to review any response to discovery requests provided by Consultant. INSURANCE REQUIREMENTS

Without limiting Consultant's indemnification of City, and prior to commencement of the Services, Consultant shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to the City.

General liability insurance. Consultant shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$1,000,000.00 per occurrence, \$2,000,000.00 general aggregate, for bodily injury, personal injury, and property damage. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.

Automobile liability insurance. Consultant shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the Consultant arising out of or in connection with Work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000.00 combined single limit for each accident.

Workers' compensation insurance. Consultant shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000.00).

Consultant shall submit to City, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of the City, its officers, agents, employees and volunteers.

Proof of insurance. Consultant shall provide certificates of insurance to City as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsement must be approved by City's Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with City at all times during the term of this contract. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

Duration of coverage. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Services hereunder by Consultant, his agents, representatives, employees or subconsultants.

Primary/noncontributing. Coverage provided by Consultant shall be primary and any insurance or self-insurance procured or maintained by City shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City before the City's own insurance or self-insurance shall be called upon to protect it as a named insured.

City's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary and any premium paid by City will be promptly reimbursed by Consultant, or City will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, City may cancel this Agreement.

Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VI (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the City's Risk Manager.

Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against City, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow Consultant or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against City, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

Enforcement of contract provisions (non estoppel). Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with any requirement imposes no additional obligations on the City nor does it waive any rights hereunder.

Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Consultant maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notice of cancellation. Consultant agrees to oblige its insurance agent or broker and insurers to provide to City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

Additional insured status. General liability policies shall provide or be endorsed to provide that City and its officers, officials, employees, and agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess liability policies.

Prohibition of undisclosed coverage limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

Separation of Insureds. A severability of interests provision must apply for all additional insureds ensuring that Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

Pass Through Clause. Consultant agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by Consultant, provide the same minimum insurance coverage and endorsements required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to City for review.

City's right to revise specifications. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City and Consultant may renegotiate Consultant's compensation.

Self-insured retentions. Any self-insured retentions must be declared to and approved by the City. The City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by the City.

Timely notice of claims. Consultant shall give the City prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

Additional insurance. Consultant shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the work.

(a) CITY will assign one (1) sworn police officer (hereinafter referred to as "officer") to serve as the SRO at a DISTRICT-designated school during the school's hours of operation and during the time frame that includes the standard school year schedule (not including summer school), and subject to the availability of officers. For purposes of this Agreement, "availability" shall be in the sole determination of Selma Police Department's (hereinafter, "SPD") Chief of Police, or his/her designated representative, taking into consideration any factors including, without limitation, health of officer, shortage of manpower, funding, and duty assignment of officer(s) to higher priority matters. It is not a material breach of this Agreement if an officer is absent from DISTRICT-designated school, pursuant to the terms of this Section.

(b) The parties agree that officers are employees of CITY and are not employees or agents of DISTRICT. Officers shall be subject to the administration, supervision, and control of SPD. Officers shall be subject to all personnel policies and practices of CITY and SPD..

(c) The SRO shall perform the following services including, but not limited to, performing campus community policing duties, handling truancy issues, complying with legal reporting requirements, and assisting the DISTRICT in providing security, directing traffic and interacting with students and the community at mutually agreed upon activities.

2. DISTRICT Contribution: To off-set 50% of SPD's operational costs for one (1) regular duty law enforcement Officer at designated DISTRICT school, DISTRICT shall pay CITY a total of \$39,460.00 in monthly payments of \$3,946.00. Payments will be due by the 15th of the following month of service.

4. Termination of Agreement.

(a) Either party may terminate this Agreement without cause by giving thirty (30) days' prior written notice of the intention to terminate and specifying the date of termination.

(b) This Agreement may be terminated by either party, following material breach by the other and failure of the breaching party to remedy the breach to the satisfaction of the breaching party within seven (7) days of receipt of notice specifying the breach. Following the seven (7) day period, the non-breaching party may terminate the agreement upon service of written notice specifying the date of termination. If the nature of the breach cannot be remedied within seven (7) days, the breaching party shall submit a written proposal to the other party setting for the specific means to resolve the default and the anticipated resolution date. Consent by the non-breaching party to an extended remediation period shall not be unreasonably withheld.

(c) No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

5. Indemnification.

(a) DISTRICT shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, DISTRICT or any other person, and from any and all claims, demands and actions in law or equity (including, without limitation, costs, attorney fees, expert witness fees and prevailing party fees and cost), arising directly or indirectly from the negligent or intentional acts or omissions of DISTRICT or any of its officers, directors, trustees, employees, agents or volunteers in the performance of this Agreement.

(b) CITY shall indemnify, hold harmless and defend DISTRICT and each of its officers, directors, trustees, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, DISTRICT or any other person, and from any and all claims, demands and actions in law or equity (including, without limitation, costs, attorney fees, expert witness fees and prevailing party fees and cost), arising directly or indirectly from the negligent or intentional acts or omissions of CITY or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement.

(c) In the event of concurrent negligence on the part of DISTRICT or any of its officers, officials, employees, agents or volunteers, and CITY or any of its officers, officials, employees, agents or volunteers, the liability for any and all such claims, demands and actions in law or equity for such losses, fines, penalties, forfeitures, costs and damages shall be apportioned under the State of

California's theory of comparative negligence as presently established or as may be modified hereafter.

(d) If DISTRICT rejects a tender of defense by CITY and/or the assigned officer under this Agreement, and it is later determined that the CITY and/or the officer breached no duty of care and/or was immune from liability, DISTRICT shall reimburse CITY and/or officer for any and all litigation expenses (including, without limitation, costs, attorney fees, expert witness fees and prevailing party fees and cost). A duty of care or immunity determination may be made by a jury or a court, including a declaratory relief determination by a court after CITY and/or Officer settles a liability claim, with or without participation by DISTRICT.

(a) The parties agree that the SRO shall be deemed to be a "school official" for the performance of SRO's duties on behalf of DISTRICT. The SRO shall therefore be allowed access to student records, but the DISTRICT is in direct control of the use, maintenance, and disclosure of student records in accordance with Education Code section 49076 and other applicable provisions of law. School officials shall allow the SRO to inspect and copy any student records maintained by the school for which the SRO has a "legitimate educational interest" within the scope of the SRO's service under this Agreement. This includes access to student directory information to the extent permitted by DISTRICT policy, classroom assignments, attendance records, and discipline files. However, the SRO may not inspect or copy confidential student records outside the scope of the SRO's service, except as allowed by law.

(b) If confidential student record information is needed in an emergency to protect the health or safety of a student or others, DISTRICT may disclose to the SRO information that is needed to respond to the emergency based on the seriousness of the threat to someone's health or safety, the need of the information to meet the emergency, and the extent to which time is of the essence.

(c) If confidential student record information is needed by the SRO but no emergency exists, unless subsection (b) applies, the information may be released only upon the issuance of a subpoena, a court order or written authorization of the parent/guardian.

(d) Pursuant to Education Code section 48902, the Principal or designee shall notify the SRO of any acts of a student that may violate specified provisions of the Penal Code and Education Code. This may require the disclosure of the student's

name or other identifying information to the SRO, along with information related to the underlying offense.

8. Program Criteria. DISTRCT and SPD will work collaboratively to be responsive to evolving school and law enforcement requirements.

9. Training and Supervision. The SRO shall receive SRO's work assignments from the SPD and shall be supervised in the performance of SRO's duties by the Chief of the SPD or designee. The SPD shall be responsible for training the SRO according to applicable law enforcement standards. The Superintendent of DISTRCT or designee will provide the Chief of the SPD with information to assist in evaluating the SRO. Any disciplinary problems or alleged improprieties involving the SRO shall be brought to the attention of the Chief of the SPD or designee.

10. Law Enforcement Records and Juvenile Case File Information. Pursuant to Welfare and Institutions Code sections 827, 828.1 and 828.3, certain law enforcement records, probation reports and juvenile case file information may be provided to DISTRCT Superintendent or his/her designee. In addition to providing such information directly to DISTRCT Superintendent, the SRO may provide such information to the Principal of the school in which a minor student is enrolled and the Principal shall be a designee of the Superintendent for the receipt of such information.

11. Feedback and Evaluation. DISTRCT and SPD agree on the importance of evaluating the SRO program. DISTRCT and SPD will work together to develop and implement procedures to provide periodic feedback and evaluation data for the purpose of measuring the program's effectiveness.

12. It is understood and agreed that DISTRCT and CITY maintain insurance policies or self-insurance programs to fund their respective liabilities. Evidence of Insurance, Certificates of Insurance or other similar documentation shall not be required of either party under this Agreement.

15. Notices. Any notice required or intended to be given to either party under the terms of this Agreement shall be in writing and shall be deemed to be duly given if delivered personally or deposited into the United States mail, with postage prepaid, addressed to the party to which notice is to be given at the party's address set forth on the signature page of this Agreement or at such other address as the parties may from time to time designate by written notice.
