**DECLARATION:**

As an applicant for a fortune telling license, I am required to furnish information for use in determining my eligibility. In this connection, I authorized release of any and all information of a confidential or privileged nature, or any date or materials which have been sealed or understood to be held pursuant to any prior agreement or court proceeding involving disciplinary matters.

I understand that a license is required for any person to engage in fortune telling for compensation within the City of Selma, that the City Manager of the City of Selma or his delegatee, and/or the Chief of Police of the City of Selma will conduct an investigation of my criminal and/or business record and that if the City Manager issues a Notice of Intention to Issue the License, further application must be made by me to the Planning Commission for a land use permit to conduct the business of fortune telling, as the same is defined in Selma Municipal Code at a fixed location and that the Planning Commission may require certain conditions of approval, including but not limited to a fixing or prescribing of advertising and signage, an approval of exterior appearance and elevation of the premises, a limit on the number of employees and/or prohibitions against persons convicted of specific crimes engaging in such activity on the premises and/or a limitation of hours of operation. I understand that this application for a fortune telling license will not result in issuance of any such license unless and until the Planning Commission has issued the land use permit required by Selma Municipal Code Title 5, Chapter 20, Section 6.

I hereby release, discharge, and exonerate the agency, its agents and representatives, and any person furnishing information from any and liability of every nature and kind arising out of the furnishing and inspection of such documents, records, and other information. This release shall be binding on my legal representatives, heirs and assigns.

I hereby declare under penalty of perjury, that all information stated within or submitted for approval is true and correct. I hereby authorize the City of Selma, its agents and employees, to seek information and/or conduct an investigation in an effort to confirm the authenticity of the statements set forth in this application and accompanying documents, along with my qualifications as the applicant for the permit.
