NEWS RELEASE – FOR IMMEDIATE RELEASE

SELMA FIRE DEPARTMENT AWARDED FEMA GRANT FUNDING

The Selma Fire Department, working in conjunction with the North Central Fire Protection District, is proud to announce that the departments have been awarded FEMA's Assistance to Firefighters Grant in the amount of \$282,139.91. The money will provide the opportunity for both departments to replace old and outdated breathing apparatus on all equipment. These breathing apparatus greatly reduce exposure to carcinogens and cancer causing agents in toxic environments.
