

City of Selma Traffic Update

Omni Underground is currently conducting work for Selma Unified School District. This work consists of directional drilling to install conduit throughout the city for all Selma Unified School campuses.

Commencing January 26, 2022, and for the next the two weeks, there will be a lane closure on McCall Avenue between Floral Avenue and Tulare Avenue. Traffic detours will be set up and taken down daily. The traffic signal at Floral Avenue and McCall Avenue will be on red flashing mode between 8:30 am. - 4:00 pm. Estimated time of completion for this roadwork is Thursday or Friday of next week. Once this phase is complete, crews will be back to complete concrete and asphalt work.

Please factor in these traffic issues to determine your best route and allow yourselves additional time to travel safely through these areas.

For any questions or concerns, please contact the Public Works Department at 559-891-2215.
