

COMMUNITY RISK REDUCTION MANUAL
ADMINISTRATIVE REQUIREMENTS
301.002 OPERATIONAL (USE) PERMITS
EFFECTIVE: JANUARY 2017

SCOPE

This policy clarifies the Department's requirements for issuing operational (use) permits.

PURPOSE

This policy has been established to provide direction on issuing new operational (use) permits, which are required for specific operations or products when they exceed the exempt amounts in accordance with *Selma Municipal Code (SMC)* and can be found in the *California Fire Code*.

REQUIREMENTS

Operational (use) permits are required by SMC for a number of operations and hazardous materials. Permit fees shall be paid and a physical inspection completed prior to issuance of a permit. Issued permits shall be kept readily available at all times for inspection by the Department.
