

CITY OF SHELBYVILLE, TENNESSEE
CDL TRUCK DRIVER-STREETS/SANITATION LABORER (F/T)

DEFINITION:

Employee is responsible for the safe, economical, and efficient operation of sanitation trucks and all heavy refuse equipment, including driving and collection of solid waste. Performs a variety of manual labor tasks of an unskilled or semi-skilled nature: Duties include collection and disposal of refuse and a variety of manual labor tasks in the area of sanitation and streets. This employee is under the direct supervision of the Public Works Superintendent and further under the overall direction of the Public Works Director. Duties may also include operating light to heavy duty trucks and/or sanitation trucks as needed in either a specific or a variety of maintenance, construction, and/or utility tasks. Instructions to the employee are specific; however, independent judgment is sometimes used to complete the task. Employees are required to know and follow all safety policies. The employee will be required to perform any other tasks as may be required to accomplish the essential functions of the position as set out herein. A minimum of CDL-B is required, CDL-A preferred.

BENEFITS:

This is a full-time position, Monday-Thursday; 6am-4:30pm with a pay range of \$17.37-\$18.20 per hour, depending on CDL endorsement type. The City currently provides the following benefits for full-time employees: 100% City paid individual medical, dental & vision insurance benefits. Long-term disability insurance, life insurance, various paid leaves, such as, vacation, personal, sick, bereavement and holidays as well as City contributions to a 401(k).

EQUIPMENT/JOB LOCATION:

- Work environment involves some exposure to physical risks such as moving mechanical parts. Which require following basic safety precautions.
- The employee will operate a variety of heavy and light trucks and other equipment.
- The employee will also use a variety of hand tools and small machinery.
- The employee will be exposed to all types of weather with possible exposure to loud noise, dirt, dust, fumes, chemicals, toxic substances, and machinery with moving parts.

PHYSICAL REQUIREMENTS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

- Extensive physical activity. Requires strenuous physical work; heavy lifting, pushing, or pulling required of objects over 50 pounds.
- The employee will also be required to carry, dig, climb, and bend.
- Specific vision abilities required by this job include close, distance and peripheral vision; depth perception; and ability to adjust focus for operation of machines and equipment, determination accuracy and thoroughness of work and observation of general surroundings.

ESSENTIAL FUNCTIONS OF THE JOB

Essential and other important responsibilities and duties may include, but are not limited to the following:

- Observes traffic laws and regulations.

- Performs routine service on trucks including, but not limited to, cleaning, fueling, checking fluids, checking instruments, mirrors, brakes, steering and signals.
