VIRTUAL MUNICIPAL COURT REGISTRATION FORM

The virtual court option is voluntary and available for most court matters. Anyone who has a case and is interested in appearing in the virtual court can complete the form below to register.

You have a right to an attorney and can also provide this form to your attorney for her or him to file on your behalf, if you choose to be represented by an attorney.

Your traffic ticket(s) and other complaints may contain one or more charges that could be eligible for the Online Municipal Case Resolution Program. Please click [here](#) for more information and determine if you are eligible to participate.

Please complete the form below to request that your matter be scheduled in a Virtual Court session in the Mansfield, Springfield & Southampton Municipal Court. The court will review your request and schedule your matter virtually if deemed appropriate. You will receive an email confirmation with instructions on how to participate. Please expect to be available for up to two hours for your virtual court hearing.

***Notice to Attorneys** - You may complete this form to request a virtual court date for your client as well as enter your appearance. Please enter your client information **and** office information below. Please inform your client that he/she does not need to fill out this form if you have done so already. You and your client will receive an email confirmation with instructions on how to participate.
