Quote for the Month:

“In June, as many as a dozen species may burst their buds on a single day. No man can heed all of these anniversaries; no man can ignore all of them.” – Aldo Leopold

Dear Fellow Southampton Residents,

I hope you enjoyed the 145th Memorial Day Parade honoring our veterans. The cars and trucks are always fun to see driving down Main Street.

We are still taking calls for the June brush removal list. Please have your brush to the curb then call the office for pickup. If you have used flags, remember to destroy them properly or drop off at the office for destruction.

Don't forget to give a big thanks to all the Father's out there on their special day.

The schedule is attached for our free Wednesday night concerts starting in July so mark your calendars accordingly.

Enjoy this great weather and if we can be of any assistance, please feel free to reach out to us (Clerks office: 609 859-2736 Option 5).

Mayor Michael Mikulski

Preschool Program 2024-2025 School Year

Southampton Township School District is excited to announce the introduction of an integrated preschool program for the 2024-2025 school year! Students eligible for our Preschool Disability Program, as well as typically developing 3 and 4 year old Southampton Residents, are eligible to attend this program. A general preschool curriculum will be followed for all students.

All preschool sessions are two and one-half hour classes, Monday through Friday. The 3 year old program will run in the morning from 8:45 a.m. to 11:15 a.m. and the 4 year old program will run from 12:45 p.m. to 3:00 p.m.

Students enrolled in the Preschool Disability Preschool do not need to apply for the program and are automatically enrolled. General education students will need to complete an application for the program. This application will be posted on the district website on March 27, 2024. The application due date will be May 24, 2024. There will be a lottery system to select the students for the program.

To start the program in September applicants must be 3 years of age on or before September 30, 2024 and **fully toilet trained** as of the start of school. Tuition for general education students will be \$350.00 per month.
