Quote for the Month:

"And so with the sunshine and the great bursts of leaves growing on the trees, just as things grow in fast movies, I had that familiar conviction that life was beginning over again with the summer." - F. Scott Fitzgerald

Dear Fellow Southampton Residents,

July means fireworks and concerts – an the line up is just as good as last year - so bring your chairs and enjoy the shows. The concert list is in this newsletter if you are interested.

With the hot days and outdoor events occurring please remember to keep hydrated.

Enjoy your summer

If we can be of any assistance, please feel free to reach out to us (Clerks office: 609 859-2736 Option 5).

July Calendar

July is named after Roman dictator Julius Caesar (100 B.C.–44 B.C.). Caesar developed the precursor to the Gregorian calendar we use today.

- **July 1** is **Canada Day**, a Canadian federal holiday that celebrates the creation of the Dominion of Canada in 1867.
- **July 3** brings the start of the hot and sultry **Dog Days of Summer!** Read all about the [Dog Days of Summer](#).
- **July 4** is **Independence Day (U.S.)**. On the fourth of July, we celebrate the adoption of the Declaration of Independence in 1776. Don't forget to raise the flag!
- **July 7** marks **Islamic New Year**, which begins with the first sighting of the crescent Moon after the new Moon in the month of Muharram. This event signals the start of the Islamic lunar calendar year.
- **July 14** is **Bastille Day**, which commemorates the storming of the Bastille and the start of the French Revolution.

"Just for Fun" Days

- **July 11:** International Town Criers Day
- **July 17:** National Hot Dog Day
- **July 22:** Spooner's Day
- **July 23:** National Day of the Cowboy
- **July 27:** Take Your Houseplants for a Walk Day
- **July 30:** National Cheesecake Day

July Weather

Summer temperatures, on average, will be hotter than normal from New England through the Atlantic Corridor, in Florida and the Deep South, through Texas and the Midwest, and on to California. In terms of rainfall, much of the country has normal to below-normal rainfall, especially in New England and the Midwest. However, the West Coast, Texas, and the Atlantic Corridor will see normal to above-normal rainfall.
