WATER SOFTENER

A plumbing permit is required for the installation of a water softener that is piped into any water system. A final inspection of such installation is also required.

Please see the additional information below from the Connecticut Department of Consumer Protection:

CONNECTICUT DEPARTMENT OF CONSUMER PROTECTION

MICHELLE H. SEAGULL | COMMISSIONER

Department of Consumer Protection
450 Columbus Blvd., Suite 901, Hartford, Connecticut 06103
Website: www.ct.gov/dcp

Notice: *The Department of Public Health has revised the Technical Standards for water treatment waste water.*

Summary: You cannot connect water softener discharge to septic systems.

For details, including the [2018 Technical Standards](#) for Subsurface Sewage Disposal Systems, which includes new requirements for the disposal of and general information on water treatment wastewater, please see the DPH website at: <http://www.ct.gov/dph/subsurfacesewage>.
