League Presidents
Southington Parks Facilities

Re: **Water Usage at Parks**

League Presidents,

As you are aware, the Town of Southington pays the water bills for Town Parks, including the facilities utilized by your leagues. In past years, irrigation has been an issue. The irrigation timers are set by the General Foreman of Grounds and the Grounds Coordinator based on their professional expertise and experience. On many occasions, we have witnessed irrigation systems running outside of the approved times and have found that the timers have been overridden or adjusted without authorization. Should this practice continue and result in excessive water bills, the leagues will be responsible for paying the increases. If this occurs and is not corrected immediately, the leagues may become responsible for the water bills in the entirety.

Thank you for your anticipated cooperation.

Very truly yours,

A handwritten signature in blue ink that reads "Annette S. Turnquist".
