Surety Bond:

Permit approval granted under these regulations, may require the applicant to submit a surety bond with the Agency in a form satisfactory to the Town Attorney and in an amount recommended by the Town Engineer and approved by the Agency as sufficient to guarantee completion of those items specified by the Agency and in conformity with the provisions of these regulations. Such bond shall not be released by the Agency until written certification from the Town Engineer has been received that all of the requirements of these regulations and the Agency have been fully satisfied.

NOTE: Activities affecting a wetland and/or a watercourse may also require a permit from the Army Corps of Engineers. Before beginning activities, it is recommended that the applicant check with this Agency:

U.S. Army Corps of Engineers
New England District-Regulatory Division
696 Virginia Road
Concord, MA 01742-2751
1-800-343-4798

The applicant understands that this application is to be considered complete only when all information and documents required by the Agency have been submitted.

The applicant understands town officials may require access to said property to review proposed activity prior to, during the activity, and after the activity has concluded.

Applications shall be submitted to the Agency at least fourteen (14) days prior to its regular meeting in order for the application to be included on the agenda.

The official date of receipt of this application shall be the next regularly scheduled Conservation Commission meeting following the date of submission, provided such meeting is no earlier than three (3) business days after the receipt or thirty-five (35) days after submission, whichever is sooner.

Applicant must complete attached State of Connecticut reporting form.

The undersigned warrants the truth of all statements contained herein and in all supporting documents according to the best of their knowledge and belief.
