**Planning Department Inland Wetland Agency Checklist**

1. Please file with the NDDB.
2. Will the pilings for the previous boardwalk remain?
3. No fuel or oils should be allowed on the stage area (offshore).
4. Is electricity being run out to the stage; how so?
5. Is/are any permanent seating or features being added to the beach?
6. Haybales are no longer allowed for E&S, please use straw bales or wattles.
7. Please contact the USACOE for wetland disturbance filing applicability.
8. Please respond in writing.
