Re: The proposed water service and fire protection services at 87 Aircraft Road, Southington, CT. SPR #1865

To Whom It May Concern;

The Southington Water Department has determined that water is available for this project. Revision comments have been sent to the Engineer and it has been determined that these will be addressed for approval the next Water Board Meeting. The Water Department finds no reason why the project should be held up before P&Z as regards availability of service.

If you have any questions, please feel free to contact me at the Southington Water Department. My number here is (860) 628-5593.

Sincerely,

A handwritten signature in black ink, appearing to read "Elijah Stewart", with a long horizontal flourish extending to the right.

Elijah Stewart  
Engineering Technician
