** (construction/relocation of new additional building to existing Cava building) **

REPLY
Surveyor on the project, *Severino Bovino*, stated that the kitchen will not be affected/added to during this relocation/construction. If kitchen remodel/renovation of any/all areas takes place, full plan review, including detailed layout/floor plan is required. Health dept review + approval will be needed. If not, health is all set. *B.M.R.S.*
