Attention; Sheila McDonald

Concerning 194 Olson Dr. Southington Appeal #6692A Please have the email letter read into meeting on June 11, 2024 700pm Southington meeting.

My name is Carlos Velez . Our family has lived at 113 Annelise Ave for 8 years . We object to the planning of having an above ground pool and deck being built on the property of 194 Olson Dr. side yard that faces the front of our property and the main street of Annelise Ave.

Our bedrooms and living room face the Main Street of Annelise Ave and the main yard of the property at 194 Olson Dr. Unfortunately there are no trees to block the view of an above ground pool and deck would easily be visible to us from our bedrooms and living room.

We feel Annelise Ave can be a busy street and having a pool easily seen by drivers and pedestrians may affect our property value. Please consider our request.

Thank you .
