

To Whom it May Concern,

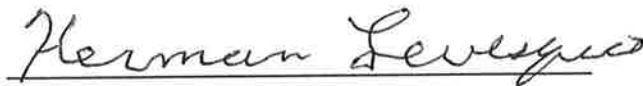

This letter written by Merrill J Leavens of 801 Mount Vernon Rd, Southington, CT 06489 is to show that he is in good standing with his neighbors and that they do not have any reservations, objections, or issues with the requested variance.

I am seeking a variance on the south side of my property, bordering the property of 787 Mount Vernon Rd, owned by Herman & Angela Levesque. The intent is to build a garage approximately 24' wide by 36' long that is 4' from what I've determined the property line to be, 5' from the row of hedges bordering the property. Pictures have been shown for clarity and are attached to the variance application.

Thank you,

Merrill J Leavens
