Dear Mr. Lavalley,

Harry E. Cole & Son (HEC) has reviewed your checklist dated September 9, 2022 and offers this formal response

1. Is outside storage proposed? If so, please note the proposed location on the plans. A Special Permit for this use will be required, unless waived by the Commission.

Response: The applicant will request a waiver from the commission as outside storage was proposed and approved with the previous plan. The location of the outside storage has been shown on the plans.

I believe the revised plans and documents adequately address your comments. If you have any further questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Giudice".
