DATE: 9/8/22 COMMENTS DUE: _____

RE: APPLICATION # _____

PROJECT DESCRIPTION To construct an Active adult housing development in the ARCHZ zone with a private road, public sewer and water utilities, storm drainage and other necessary improvements. Approximately 2,000 s.f per building, 23 single family units

REPLY

Since the development will be served by public sewer and public water utilities, there is nothing that's required from health at this time.
