

INTRODUCING VOYENT ALERT!

Dear residents,

We are pleased to announce the launch the new Voyent Alert! notification service for the Town of Southington

Voyent Alert! is a multipurpose notification service that will be used to communicate important information to our residents.

Notifications will be sent for critical events like fire, flood and extreme weather, as well as day-to-day communications such as road advisories, utility outages and public safety notices etc.

We encourage you to register to receive these important alerts. Alerts can be received on the Voyent Alert! app, or by email, text message or phone call. Please help promote Voyent Alert! to family and friends. Your participation is greatly appreciated.

Get the Voyent Alert app at the App store or Google Play.

For email, sms or phone registration get started here:
