

VICTOR BARRIOS

Special Education Teacher

Serving as your Councilmember is an honor. My years as your Stanton Community Service Commissioner have helped me understand your needs and how best to represent the residents and businesses in District 2.

Representing the "People of District 2":

I will proactively "Enforce the Supreme Court ruling ending Homelessness" in Stanton. We must Relocate Transients that Refuse Help from our city.

I will keep Stanton's Budget Balanced, our Economy Growing, and Fight Inflation with Citywide Developments while protecting your "Tax Dollars."

I will make Public Safety my #1 priority. Our Firefighters/ Paramedics and Police who "Keep Stanton Safe" have my full support. We must "Enforce Our Laws." STOP Prostitution, Homelessness, and Crime.

I will provide essential Public Services, Safe Neighborhoods, and Affordable Housing.

I will protect Proposition 13, Safeguarding "Homeowner's Rights". I support Voters controlling Taxation.

I will expand our Community Programs for Families, Kids, and Seniors.

My family Heritage spans over 50 years in Stanton. Listening to residents and businesses will help me make Good Decisions.

I am asking you to "Elect" me as your Councilmember District 2, so Together we will Eliminate Prostitution and Homelessness, Fight Inflation, and Protect Our Community.

Thank You,
Victor Barrios
