Stokes County Board of Health

Stokes County Health Department has a governing board that has responsibility for public health within its jurisdiction. This board is charged with protecting and promoting the public health, and with serving as the policy-making, rule-making, and adjudicatory body for public health in Stokes County.

Stokes County Board of Health meets monthly at the Health Department Conference Room: 1009 Main Street, Danbury, NC 27016.

Open Seats:

Veterinarian – must be a resident of Stokes County
Optometrist – must be a resident of North Carolina

For more information, contact Health Director Tammy Martin at (336) 593-2435
