Dear County DSS Director:

The Department of Health and Human Services, Division of Health Benefits hereby provides notice of its intent to amend the Medicaid State Plan to include the Ambulatory Detoxification Program and to assign a reimbursement rate of \$18.18 per 15-minute increment. This policy is being revised to reflect the 2013 American Society of Addiction Medicine (ASAM) language and criteria for this service. Proposed revisions include clarification of service and staffing requirements, rewriting this as a stand-alone policy as opposed to a part of a larger policy as is currently done and updating ASAM language and criteria from the ASAM Criteria Manual, 2013.

Please post this notice in your facility so that interested parties may be made aware of this proposed change and may comment as necessary. The posting can be removed after ninety days from the date of this letter.

Sincerely,

Cecilia Williams
