

### **Members Needed for a Vacancy on The Stokes County Fire Service District Fire Commission**

Stokes County Fire Service District Fire Commission serves as an advisory group of 8 members for the Stokes County Board of Commissioners on matters pertaining to the fire service district and its budget process.

(Civilian) Appointed members should not be affiliated with a service district agency and possess the following qualifications:

1. The member shall have business management skills and experience.
2. The member shall *not* be an active member or an active Board member of a fire department and/or rescue squad that serves a response district within the Stokes County Fire Service District.
3. The member shall be a resident of Stokes County and reside in a location served by a Fire Service District agency.
4. The member shall not hold any public office while serving as a Fire Commissioner.

We are currently searching for one applicant for a new term that runs from November 1, 2023 until October 31, 2025. Application is open until Friday, September 29, 2023.

For more details or a job description please contact the Stokes County Fire Marshals Office at 336-593-2484
