- Concerned with the Proposed CenterPoint Human Services Performance Agreement being on the Consent Agenda instead of the Discussion Agenda
- Do not think these contracts have ever been on a Consent Agenda before

- Feels the items should have been put on the Discussion Agenda in order for the Board to have an opportunity to discuss the items
- Discussion Agenda was set up in order to have transparency and openness
- Feels there has not been adequate discussion regarding budget Amendment #1
- Would not vote for the Consent Agenda due to the these items being on the Consent Agenda instead of the Discussion Agenda
- Want to see the Board stay with the normal procedure of each item being on the Discussion Agenda first, then Action or Consent at the next meeting unless a time sensitive item

Chairman Lankford responded that there had been ample time for discussion during the recent Budget Work Sessions, the budgets for both Recreation and Mental Health have already been approved for the upcoming Fiscal Year 2011-12, and reiterated that there were no changes except for the Fiscal Year (2011-12) in both contracts as noted on the Agenda page.

- Feels the current Ordinance was appropriate when it was put in place (approximately 10 years ago)

July 11, 2011 [6]

- Feels it needs to be reviewed to adjust to a more business friendly approach, as discussed in the BOCC goal sessions
- With the consent of the BOCC, would like to establish a committee of county personnel and private business owners to look at all aspects of the existing Ordinance
- Would like to try to come up with an Ordinance that reflects where the County wishes to go as it relates to tourism
- Will bring an updated proposed Ordinance back for the Board's consideration
- Feel the committee can collectively come up with an Ordinance that will work for everyone
- Mr. Tom Pace, Jomeokee Campground, feels that professional promoters read the Ordinance before even contacting the County, and turns away due to the strict requirements
- Could possibly include language to look at previous events by promoters who want to come into the county

Commissioner Booth noted the following regarding the current Mass Gathering Ordinance:

- Remember when it was put in and understand why it was put in place
- Could add possibly a section for campgrounds, camping events, etc.
- Must be careful to make sure the right guidelines are in place in order to be able to handle a huge concert
- Must have the right amount of security, adequate sanitation requirements, and appropriate EMS Services, etc.
- Doesn't feel much should be taken out of the existing Ordinance
- Like the concept of the existing Ordinance

- Would like the committee to identify different types of events
- Tourism is very important for this County and very glad the County is looking at ways to increase tourism

Vice Chairman Inman noted the following regarding the current Mass Gathering Ordinance:

- Commend the previous Boards for setting up this Ordinance to protect the public welfare, public health, and safety of the citizens of Stokes County
- Would be fine to make amendments to the Ordinance as long as the integrity of the Ordinance remains

Edward Byrne Memorial Justice Assistance Grant Program - Update

Interim County Manager Rick Morris presented the following information regarding Edward Byrne Memorial Justice Assistance Grant Program:

LGC Conference Call - School Construction Loan

Interim County Manager Rick Morris noted that the Administration staff would be participating in a conference call this Friday, July 15th with the LGC, school administration and Financial Advisor Doug Carter regarding the School Construction Loan Application.

Interim Manager Morris noted:

- County is currently in discussions with Bond Attorney regarding the requirements
- There will need to be a Public Hearing on August 8th
- Proposed Resolution will be on the July 27th Agenda and will need to be approved at the July 27th meeting
- Will be on the LGC September 13th Agenda

Commissioner Booth questioned the delay in the application and expressed concerns

July 11, 2011 [8]

about interest rates possibly increasing.

Finance Director Julia Edwards noted the following:

- County had to wait until the budget was approved in order to be able to put on the application that the County had approved a 4% Ad Valorem Tax and set up a dedicated fund to pay for school debt, one question the LGC will ask, "How do you intend to pay for the loan"
- First application will be in September with the second application being in October
- Bids for loan rates will be on the Agenda for the last meeting in August, which will set the interest rate before the application goes to LGC
- Spoke with BB& T representative who indicates that the interest rates are currently holding
- Will also be including the purchase of the land for the new elementary school if possible in order to hopefully lower the interest rate and save dollars

Interim Manager Morris noted the following regarding the County's impoundment lot:

- Staff is still looking at expanding the impoundment lot due to the several vehicles being damaged by possibly coyotes, who are trying to get wild cats who hide in the cars
- Looking at the former prison location for a possible site
- Will provide the Board with a cost analysis regarding the current location versus the former prison location at the next meeting
- Sheriff is looking at possibly being able to fund a portion of the cost
- Have taken steps to try to eliminate the problem

Vice Chairman Inman noted that the new PART "Park and Ride Lot" in King has been completed on the old Bojangles' location (NCDOT provided the land).

Vice Chairman Inman stated that Stokes County has not contributed any County tax dollars to PART. Vice Chairman noted that he felt that the service should be a user tax and not County funds being appropriated.

Commissioner Booth reiterated the excellent job done by Public Buildings with the recent work done at the modular unit above the hospital which probably saved the taxpayers several, several thousand dollars.

Tax Administrator Oakley noted the following:

- If the State takes over the motor vehicle bills in July 2013, this will solve a big issue for the County
- The State has deferred taking over the motor vehicle bills twice, not sure if it will happen in 2013
- County will be doing a lot of advertising in 2012 to make sure the taxpayers are aware of the new billing process by the State
