

# Public Information Meeting Notice

---

April 5<sup>th</sup>, 2024

Project ID: 4997-05-72  
S Duluth Ave  
Emerald Drive to Spruce Drive  
City of Sturgeon Bay

You are invited to attend a Public Involvement Meeting regarding the proposed improvements to S Duluth Avenue between Emerald Drive and Spruce Drive in the City of Sturgeon Bay, Door County, WI. An in-person meeting will be held on April 18, 2024 from 5:30-6:30 pm in the Council Chambers of the Sturgeon Bay City Hall, located at 421 Michigan Street. Project representatives will be available at that time to discuss the proposed project and address any questions or concerns. Detailed project information will also be made available on the City of Sturgeon Bay website ([www.sturgeonbaywi.org](http://www.sturgeonbaywi.org)) from April 5<sup>th</sup> to May 18<sup>th</sup>, 2024.

The proposed project would involve reconstruction of the roadway, addition of curb/gutter and sidewalk, designated on-road bike lanes, upgrades to the pedestrian crossing at the WIS 42/57 intersection, installation of storm sewer, and pavement marking and signing. Some real estate would be required to complete the proposed project, particularly for the addition of pedestrian accommodations. Construction is anticipated for the summer of 2026. During construction, S Duluth Avenue would be closed to through traffic between Emerald Drive and WIS 42/57. Access would be maintained for residences, businesses, other properties, and emergency vehicles.

Those who are deaf, hard of hearing, blind, have low vision or speech disabled can use the Wisconsin Telecommunication Relay System (WTRS). The service provides a link between text telephone users and conventional telephone users. Callers can access the relay 24 hours through the toll-free number 1-800-947-3529 or by dialing 711.

If you have any questions or would prefer a paper copy of the presentation, please contact the design consultant for this project, Mike LaPean, P.E., Cedar Corporation at 920-785-7314, or [mike.lapean@cedarcorp.com](mailto:mike.lapean@cedarcorp.com). You may also contact the Sturgeon Bay City Engineer, Chad Shefchik at 920-746-2913 or [cshefchik@sturgeonbaywi.gov](mailto:cshefchik@sturgeonbaywi.gov).
