A regular meeting of the Common Council was called to order at 7:22 p.m. by Common Council President Catarozoli. The Pledge of Allegiance was recited. Roll call: Catarozoli, Hayes, Ward, Avenson, Allmann, Wiederanders and Hauser were present.

Allmann/Hauser to adopt agenda. Carried.

The following people spoke during public comment: Mark Nelson, 120 Green Bay Road; Scott Moore, 947 Pennsylvania St.

Ken Pabich, Door County Administrator, and Joe Krebsbach, Director of Door County Dept. of Human Services gave a presentation on Door County's Door 2 Door Ride Service.

Ward/Allmann to approve following bills: General Fund - \$144,800.06, Capital Fund - \$175,944.41, Cable TV - \$5,414.39, TID #2 - \$349.27 and Solid Waste Enterprise Fund - \$41,626.15 for a grand total of \$368,134.28. Roll call: All voted aye. Carried.

Ward/Hauser to approve consent agenda:

- a. Approval of 8/21/18 regular Common Council minutes.
- b. Approval of the following minutes:
 - (1) Finance/Purchasing & Building Committee 8/14/18
 - (2) Police & Fire Commission 8/15/18
 - (3) Police & Fire Commission 8/28/18
- c. Consideration of: Approval of Beverage Operator licenses.
- d. Consideration of: Request from Kitty O'Reilly's Irish Pub for extension to noise ordinance for September 29, 2018.
- e. Consideration of: Approval of Street Closure Application from Sturgeon Bay Visitor Center for Harvest Festival and Street Art Auction.

Carried.

There were no mayoral appointments.

The City received a signed petition from all abutting property owners to vacate unimproved right-of-way off of N. Geneva Avenue. Community Development Director Olejniczak explained process for vacating street right-of-way. Since a water main is located within this right-of-way, an easement for the water main must be retained if right-of-way is vacated. A resolution was prepared by interim City Attorney to be published as a class 3 notice prior to final action by Common Council. No action was taken.

RECOMMENDATION

We, the Board of Public Works, hereby recommend to accept public hearing results and direct staff to prepare resolution to levy special assessment upon property (N 12th Avenue – East side of roadway from Georgia Street to Egg Harbor Road) for benefits conferred upon such property by the improvement of the street and installation of sidewalk.

BOARD OF PUBLIC WORKS

By: Kelly Catarozoli, Chr.

Catarozoli introduced. Hauser/Hayes to adopt. Carried.

Discussion for City's Legal Counsel took place. City Administrator Van Leishout explained cost evaluation of staffed City Attorney compared to contracted legal services. When calculating dollar amounts for general fund legal expenses over the past few years, specialized legal services for environmental and tax and debt issuance were excluded from this analysis along with defense costs for the City, as defense costs are largely reimbursed by insurance company. Council members would like until the next meeting to consider their options.

The following items for "Items to be included on future agendas (New Business)": (to Council) Consideration of: City's Legal Counsel regarding a Request for Proposal or job announcement; (to Council) Update of WRA dissolution and steps taken by City identified.

City Administrator VanLieshout gave his report.

City Plan Commission member Hauser, Finance/Purchasing & Building Committee chair Ward and Park & Recreation chair Hauser presented reports for their respective committees/commissions.

Council President made her comments.

Ward/Avenson to adjourn. Carried. Meeting adjourned at 8:51 p.m.

Respectfully submitted,

Laurie A. Spittlemeister

Deputy Clerk/Treasurer

JOINT PARK AND RECREATION COMMITTEE / BOARD

Wednesday, August 22, 2018

A meeting of the Joint Park and Recreation Committee / Board was called to order at 5:30 p.m. by Chairperson Hauser in Council Chambers, City Hall, 421 Michigan Street.

Roll Call: Members Ald. Hauser, Ald. Hayes, Ald. Avenson, Municipal Services Director Mike Barker, George Husby, Chris Larsen, Marilyn Kleist, Randy Morrow, Leif Hagman and Municipal Services Secretary Lynnae Kolden were present. Also present Josh VanLieshout.

Moved by Randy Morrow, seconded by Leif Hagman to adopt the following agenda:

- 1. Roll Call
- 2. Adoption of Agenda
- 3. Public Comment
- 4. Approval of Minutes
- 5. Staff report
- 6. Chair's comments
- 7. Presentation and Consideration of: Local wayfinding and public place finding proposal
- 8. Discussion of: Exclusive times for tennis usage and pickle ball usage at Otumba Park
- 9. Consideration of: Recommendation to Council re: Adopt-a-Park program
- 10. Future agenda items
- 11. Adjourn

All in favor. Carried.

Public Comment: Public Comment was moved on the agenda to take place after item #7.

Approval of minutes: Tabled until next meeting.

Staff Report: Mike Barker spoke in regards to the parks, adding the pickle ball lines at Otumba and the continued tree cutting and stump removal from the parks, roughly 15 trees at Sunset alone. Also talked about the NOAA grant and not receiving it this year but will be reapplying later this year.

Chair's comments: Ald. Hauser advised that the recommendation from the last meeting on the Peil property, did get approved by Council. She thanked everyone for attending in support of the parks.

Presentation and Consideration of: Local wayfinding and public place finding proposal:

Pam Seiler, Executive Director of the SBVC, spoke on the Door County Wayfinding Initiative project, explaining that this is a county wide project. All county visitor's center directors have been meeting monthly to discuss branding the entire county in the same way, but not losing the individual identity of each town. The cost for the county is \$58,000, and the SBVC has committed to their portion of \$11,471.00. Randy Morrow commented how excited he is to get the signage updated in the community, and that the SBVC is paying 100% of the design portion & bringing all the communities together in the county. Ald. Hayes questioned if there would be public input on the signage, and stated that it looks like a well thought out plan for the communities. He also questioned the time frame on the project. Pam Seiler stated hopefully they will have all 19 communities approved by November, and the plan would continue on after that. Ald. Hayes questioned the cost for the installation. Pam Seiler stated the bid would come in after seeing everything that is needed.

Discussion of: Exclusive times for tennis usage and pickle ball usage at Otumba Park: Public Comment:

Cliff Wind, 144 N. 10th Place, plays both tennis & pickle ball, and understands pickle ball can be loud. He stated Sunset Park is bigger and there are no houses near the courts but wind is an issue, and suggested the City invest in windscreens and pickle ball nets.

Jack Follick, 449 N. 18th Ave., Treasurer for the Door County Pickle Ball Club is looking for a place to play outside, since they can already play indoors at the YMCA. He thinks Otumba Park is the best location for both tennis & pickle ball because Sunset Park is too windy.

Morgan Witteborg, 15 N. Joliet, stated her biggest concern is the noise at Otumba, and would like to see upgrades at Sunset for pickle ball.

John Witteborg, 15 N. Joliet, said sound is a big issue with pickle ball since the houses are so close to the park, tennis is much quieter, and he would like to see improvements at Sunset for pickle ball.

Claire Morkin, 110 N. Joliet, commented that the tennis courts are used a lot with tennis players. She is very concerned living next to the noise and the constant loud ball noise of pickle ball. She would like to see improvements at Sunset for the pickle ballers.

Annie Lampert, 33 N. Joliet, enjoys her front porch, and has nothing against pickle ball, just the noise. David Valentine, 834 N. Duluth Place, said they have a consistent tennis group playing at Otumba, and the numbers are increasing. The tennis courts at Otumba are the only 2 courts on the west side, and he is concerned with the possible damage to the nets and posts with people leaning on them. He would like to see signage listing the priority times for tennis / pickle ball if pickle ball is not moved to Sunset. Dean, nonresident, owns property on Ironwood, plays both sports and he is concerned with the noise of

pickle ball. He would like to see two courts at Sunset with windscreens. Barb Warren, 717 Prairie Lane, wasn't aware of the noise when it was talked about at the last meeting, she has been a long time tennis player.

Dan, Park Rd., stated the City has a noise ordinance, and pickle ball doesn't exceed that level. He was not concerned with pickle ballers damaging the tennis nets, and stated the groups should be able to come up with times that work for both, and said the Door County Pickle Ball Club has 80 members. Regarding pickle ball nets, they have offered the use of the nets, and are willing to donate nets to the City for pickle ball.

Guy Fortin, 5581 Reynolds Rd., stated having multi users to the parks is great.

Jay, Egg Harbor, stated in his community in Egg Harbor, he lives 1/3 mile away and can still hear the pickle ball noise.

Closed public comment:

Ald. Avenson mentioned she appreciates the feedback, and believes the excitement will help with a long term solution. Ald. Hayes stated he was excited to see people in the parks and understands that noise is a concern and that wind effects pickle ball and not tennis, and feels it can be figured out. A short term solution would be to schedule times, and a long term solution would be separate courts. When planning, the parks can look into the improvements needed. Ald. Hauser agreed a long term solution is needed and the Door County Pickle Ball Club offered a donation of nets to the City. Randy Morrow said he understands the sound issue and also understands the under usage of Sunset Park. Mr. Morrow would like to see the cost to convert two courts at Sunset to pickle ball vs. building 2-4 from scratch. He is not a fan of scheduled times. Chris Larsen said Otumba is the preferred park, Sunset is too windy, and the High School doesn't have sun protection or places to sit. He asked if other parks would be possible, like Cherry Blossom. George Husby wanted to know if anyone had looked into sound material to put around the courts. He mentioned it does take a while to get a plan for separate courts, and that

fundraising would help. He also pointed out that Otumba & Sunset both have lights, and that pickle ball players would like to play outside for the next few months, not just weeks.

Ald. Hauser suggested having one Pickle Ball rep, one tennis rep and one neighborhood rep to meet with Mike Barker to come up with a plan for the rest of this year. Randy Morrow questioned what the process is to get items added to the parks. Mike Barker stated that it was done because he thought it would bring usage to the parks & the cost was low, about \$30.00 to paint the lines for pickle ball. Ald. Hayes asked for the groups to come up with a proposal of what is needed, so when discussing the 2019 budgets, needed items could be considered. Ald. Avenson mentioned that we have weeks, not months, to obtain and send in the proposals. George Husby stated Municipal Services Director Mike Barker needs to ensure the ultimate use of the parks, some fields have double lines and there are plenty of multi-use facilities. Ald. Hauser appreciated all the input and thanked everyone.

Consideration of: Recommendation to Council re: Adopt-a-Park program:

Ald. Hauser, explained the Adopt-a-Park program. Mike Barker brought forward the park list and stated we can always use help in the parks weeding, mulching, etc. which would help reduce the cost of chemical usage, and said some buildings also need painting. Chris Larsen likes the simplified documents in favor of the program.

Motion by Chris Larsen to recommend to Council The City of Sturgeon Bay Adopt-a-park Program. Seconded by Ald. Avenson.

Randy Morrow, would like to see consideration on signage of who adopted the park, as recognition may help with more volunteers and sponsorships. Ald. Hauser also stated we could use social media to help with recognition. Ald. Hayes said more than one group can adopt—a-park, and thought after a year as a trial run, then maybe review Randy's point on signage & sponsorships of the parks. Ald. Avenson said she is all about recognition, and that signage does help get the information out to the public. She was very happy to hear this would help with less chemicals in the parks.

All in Favor. Carried.

Future Agenda items:

Ald. Hayes requested two items: 1. Discussion of: Making one park a dog free park, possibly Martin Park. 2. National Park proposal 20 minute presentation and 10 minute discussion.

Ald. Avenson suggested reviewing the land the City owns. Josh VanLieshout stated that would go to the Finance Committee.

Randy Morrow suggested two items: 1. Beaches and getting them cleaned up, he stated local hotels keep sending tourists to other beaches, not Otumba or Sunset. 2. Pedestrian signs back out by the parks for crossing the streets. Josh VanLieshout stated this would need to go to the Parking & Traffic Committee.

Ald. Avenson asked that the beaches have swim nets or buoys out, along with the swim platform.

Next meeting: Sept 26th at 5:30 p.m., in Council Chambers, City Hall.

Motion to adjourn by Ald. Avenson. Seconded by Ald. Hayes. All in favor. Carried.

Meeting adjourned at 7:30 p.m.

Respectfully Submitted,

Lynnae Kolden Municipal Services Secretary

ZONING BOARD OF APPEALS Tuesday, August 28, 2018

The City of Sturgeon Bay Zoning Board of Appeals meeting was called to order at 12:00 noon by Chairperson William Murrock in Council Chambers, City Hall, 421 Michigan Street.

Roll call: Members James Goodwin, William Murrock, Andrew Starr, Bill Chaudoir, and Alternate Dave Augustson were present. Excused: Member Wayne Spritka. Also present were DNR representative Michelle Staff, Planner/Zoning Administrator Chris Sullivan-Robinson and Community Development Secretary Cheryl Nault.

Adoption of agenda: Moved by Mr. Starr, seconded by Mr. Goodwin to adopt the following agenda:

- 1. Roll call.
- 2. Adoption of agenda.
- 3. Approval of minutes from Tuesday, July 24, 2018.
- 4. Public Hearing: Petition for variance from Sections 23.04(3)(a)(1), 23.06(1)(b)(4), and 23.06(3)(a) of the Municipal Code (Floodplain Zoning Code) for a 22' x 40' addition, located at 719 Memorial Drive.
- 5. Consideration of: Petition for variance from Sections 23.04(3)(a)(1), 23.06(1)(b)(4), and 23.06(3)(a) of the Municipal Code (Floodplain Zoning Code) for a 22' x 40' addition, located at 719 Memorial Drive.
- 6. Adjourn.

Carried.

Approval of minutes from Tuesday, July 24, 2018: Moved by Mr. Murrock, seconded by Mr. Augustson to approve the minutes from July 24, 2018. All ayes. Carried.

Public Hearing: Petition for variance from Sections 23.04(3)(a)(1), 23.06(1)(b)(4), and 23.06(3)(a) of the Municipal Code (Floodplain Zoning Code) for a 22' x 40' addition, located at 719 Memorial Drive: Chairperson Murrock opened the public hearing at 12:02 p.m.

Bob LeCapitaine, 719 Memorial Drive, stated that this is his summer home. The house was built in the 1950's. It is not adequate in size. He would like to add an addition, which would include a bathroom and enlarging the existing bedroom. The addition would be 40 feet from the water. He does not want to raise the house, since it couldn't be guaranteed that there would be no issues with cracked walls, etc. If raised to an elevation of 587', the house would be higher than the rest of the homes. His neighbor to the north already has have water problems in their basement. Raising the house would make it worse. It would be more feasible just to add the addition at the current level. He would also like to revise their patio and add some type of covering for it also.

Mr. Sullivan-Robinson stated that the issue is the Floodplain code. The base flood elevation is 585'. The bottom floor needs to be at 587'. Fill is required 15 feet around the structure.

The addition is slab on grade, and will match the floor elevation of the existing building at 585'. This addition will need a variance from the flood protection elevation. The second variance request is to not add any fill under or around the structure. Mr. LeCapitaine had said that there is no room to extend 15 feet out with fill. The third variance is requesting to exceed 50% of the tax assessed value of the dwelling. The addition would cost over \$100,000. The current assessed value for the dwelling is \$126,000.

Mr. Sullivan-Robinson read sections of a letter received from Michelle Staff, State National Flood Insurance Program Coordinator, Dam Safety and Floodplain Section. The letter stated that the intent of the Floodplain Ordinance provision is to prevent existing buildings from being turned into a new or substantially improved building. Increasing the value of the structure without protecting them from flood risk does not meet new development standards. The applicant must demonstrate unique property conditions which are not common to adjacent lots or premises. There are no unique characteristics to the property in this case that differs from any other property within the floodplain. A variance may not be granted which results in harm to public interest. The incremental benefits of allowing the development are outweighed by the increased costs of future flood damage. An unnecessary hardship exists only if the property owner shows that they would have no reasonable use of the property without a variance. A variance is intended to provide only the minimum relief necessary to preserve a reasonable use of the property. Floodplain variances should be a rare occurrence and should not be used as a tool for relief of the two feet of freeboard in this situation.

The letter continued to say that Wisconsin Statutes provides the opportunity for certiorari review of the variance under s. 62.23(7)(e). NR116.22 outlines additional enforcement actions that the department may take to ensure community compliance with the ordinance. In addition, if the variance was granted as is, the ZBA may encounter difficulty meeting NFIP standards. FEMA (Federal Emergency Management Agency) can review a community's findings justifying the granting of variances, and if that review indicates a pattern inconsistent with the objectives of sound floodplain management, FEMA may take appropriate action up to and could suspend the community from the National Flood Insurance Program.

Board members discussed the letter. Mr. Sullivan-Robinson said if the variance is approved, FEMA could audit the City and ultimately cut the City from the program or the DNR could legally appeal the City's decision. He felt that it was in the City's best interest to deny the variance request.

Mr. Goodwin thought this should be tabled to obtain an opinion from the City Attorney.

Ms. Staff stated that the statutory requirements for floodplain variances are in the City's ordinance, which are a combination of state and federal regulations. The reason for the floodplain protection elevation is that the floodplain is not designed for ice or other anomalies that would go over that base. It gives that added protection if it does go over that 1% chance it will be protected.

Mr. Starr stated that if the issue of the 50% was met, it doesn't seem that the issue of the grade was as concerning. Ms. Staff agreed. If it was only the fill, you wouldn't see her at the meeting. It is an accumulative type of process over the lifetime.

Ms. Staff stated that she works with FEMA. The property has limitations. The purpose of the ordinance is to keep from putting money into nonconforming uses. The ZBA needs to decide if the variance request meets all requirements. She gets concerned when structures go over the 50% rule. Using the current value and estimated amount of improvements, it's an accumulative at the time of permitting. If the variance is granted, Mr. LeCapitaine will be locked on that. If a future owner wants to do another addition, they cannot because the 50% had already been granted.

Mr. Starr felt that the assessment was too low for the structure. He asked what would happen if they granted the variance.

Ms. Staff said it was not uncommon to raise the structure. It cannot be a financial situation. There is a 30 day appeal process, if it has not met the statutory requirements, through the Dept. of Justice or the DNR. All correspondence is submitted to FEMA. They may audit the City's permits. She urged the Board to review the criteria in the Floodplain Ordinance. Everything must be met, not only part of it.

Dave Corbisier, 729 Memorial Drive, said he had no problems with the variance request.

Mr. Goodwin read an email from Bob & Terri Starr stating that since the request is to allow for an addition to an existing home, they were in favor of granting the request.

No one spoke in opposition. There were no letters in opposition.

Chairperson Murrock offered rebuttal testimony to Mr. LeCapitaine.

Mr. LeCapitaine stated that he was told that FEMA is in the process of lowering the floodplain level. He wasn't sure why the DNR or FEMA was involved. He does not plan on obtaining flood insurance.

Mr. Sullivan-Robinson stated that FEMA is in the process of going through a floodplain map revision. They may be lowering the level a couple of feet. As of now, we need to continue going off of the current maps and ordinance.

Ms. Staff added that it may be two years before the maps are completed. The preliminary maps may be coming out in spring. It may be harder to sell a home without flood insurance.

Mr. LeCapitaine added that he will probably make other modifications to the existing home to match the addition. He did not think that he would come anywhere close to the 50%.

Chairperson Murrock closed the public hearing at 12:53 p.m.

Consideration of: Petition for variance from Sections 23.04(3)(a)(1), 23.06(1)(b)(4), and 23.06(3)(a) of the Municipal Code (Floodplain Zoning Code) for a 22' x 40' addition, located at 719 Memorial Drive: Board members agreed that it would be easier to approve with a plan that had an exact cost figure rather than an estimated cost for the addition.

Mr. Starr stated that this is a tough situation for the homeowner. He understands the 50% rule. The ideal situation would be to raise the level of the whole building.

Mr. Chaudoir said that he hasn't heard anything that would encourage him to vote for this request given the liability that it puts the City in.

Mr. Le Capitaine stated that most contractors did not even want to take a look at raising the home. They could not offer a guarantee that there would be no cracked walls, being uneven, etc. There is not 15 feet available to fill around the structure.

After further discussion, it was moved by Mr. Goodwin, seconded by Mr. Augustson to deny the request for variances since there is not sufficient information in which to base the decision on. There is no hardship presented since the home is still usable as is. It does not meet the floodplain requirements. This is causing liability for the City as far as legal costs defending the position with the DNR and potentially risking our participation with the federal flood insurance program for the entire community. The lot has no physical restrictions. There are other options.

Roll call vote: All ayes. Carried.

Adjourn: Moved by Mr. Starr, seconded by Mr. Augustson to adjourn. All ayes. Carried. Meeting adjourned at 1:04 p.m.

Respectfully submitted,

Cheryl Nault

FINANCE/PURCHASING & BUILDING COMMITTEE August 28, 2018

A meeting of the Finance/Purchasing & Building Committee was called to order at 4:00 p.m. by Alderperson Ward in the Council Chambers, City Hall. Roll call: Alderpersons Ward, Alimann and Wiederanders were present. Also present: City Administrator VanLieshout, Community Development Director Olejniczak, Fire Chief Dietman, Sturgeon Bay Utilities General Manager Jim Stawicki, Sturgeon Bay Visitor Center Executive Director Pam Seiler, Door County Economic Development Executive Director Jim Schuessler and Receptionist Metzer.

A motion was made by Alderperson Allmann, seconded by Alderperson Wiederanders to adopt the following agenda:

- 1. Roll call.
- 2. Adoption of agenda.
- 3. Public Comment on agenda items and other issues related to finance & purchasing.
- 4. Consideration of: Request from Sturgeon Bay Visitor Center for 2019 Funding.
- 5. Consideration of: Request from Door County Economic Development Corporation for 2019 Funding re: Administration of City Programs.
- 6. Review bills.
- 7. Adjourn.

Carried.

The following spoke during public comment on agenda items: Chris Kellems, 120 Alabama St.; Jim Stawicki 427 N 18th Ave.

Consideration of: Request from Sturgeon Bay Visitor Center for 2019 Funding:

Sturgeon Bay Visitor Center Executive Director Pam Seiler presented a power point presentation highlighting the various programs, festivals and events offered to promote the community such as Harvest Festival, Fine Art Fair, Fourth of July Fireworks, and Christmas by the Bay. She stated they continue to promote and market the City thru various social media outlets, and website. Ms. Seiler continued, focusing on budgeted expenses and revenues, highlighted current projects such as the Wayfinding, fund raising efforts for the Potawatomi park observation tower and partnership with Door County Economic Development and the City in the Downtown Catalyzation effort to develop retail expansion of empty store fronts. Ms. Seiler stated that per contract SBVC will continue, to receive funding at 25% of room tax collected by the City of Sturgeon Bay from the previous year.

Request from Door County Economic Development Corporation for 2019 Funding re: Administration of City Programs.

Door County Economic Development Corporation Executive Director, Jim Schuessler, presented a power point presentation highlighting various economic programs that are implemented for the City. He stated the Attainable Housing Committee has helped the City recruit, expand and work with 5 housing developments. The findings and recommendations of a comprehensive County-wide housing study are due by 9/15/18. He mentioned the Entrepreneurial Services/Business Development Center offers business counseling with DCEDC professionals and a small business development counselor who comes on a monthly basis. So far in 2018, there have been 15 graduates from the entrepreneurial training program. The Incubator program which allows business a place to incubate their businesses and then graduate out after 3-5 years, is currently leasing to 20 tenants, 3 new in 2017. In addition, DCEDC is collaborating with the City and Sturgeon Bay Visitor Center in efforts to grow the retail district. Mr. Schuessler stated that the Wisconsin Department of Administration is recalling the Community

Development Block Grant Revolving Loan Fund program. DCEDC is working with the County and City regarding potential solutions, such as how to "de federalize" the revolving loan funds so that they are available for new and existing businesses without federal restrictions. He briefly touched on several other initiatives including, Business Retention Committee, the Workforce Development Task Force and implemented programs consisting of Grow Door County, the young professionals network, NextGen, High School Home Construction program, which recently broke ground on its 10th home, and Inspire career planning which networks with every student in all five school districts. DCEDC is requesting funding for 2019 for the administer programs of City programs.

Review bills

Moved by Alderperson Allmann, seconded by Alderperson Wiederanders to approve the bills as presented and forward to the Common Council for payment. Carried.

Moved by Alderperson Allmann, seconded by Alderperson Wiederanders to adjourn. Carried. The meeting adjourned at 5:15 pm.

City of Sturgeon Bay

Adopt-a-Park Program

CONTACT INFORMATION:

Parks Department: 835 N. 14th Ave. (920) 746-2912 Contact the Director of Municipal Services, Mike Barker, <u>mbarker@sturgeonbaywi.org</u> with any questions or issues.

Purpose:

The Adopt-a-Park program was created to give citizens an opportunity to volunteer in our city's parks. Their time spent doing upkeep, cleaning, maintenance, beautification, and preservation of our parks helps to provide a safer, more beautiful park experience for the entire community.

Everyone is welcome and encouraged to participate in the Adopt-a-Park program; individuals, families, churches, business and civic groups, can all do their part to help maintain and improve our parks. The parks in our community vary greatly in size and some locations are great for large groups, while other park spaces could easily be maintained by one or two people.

The City of Sturgeon Bay Adopt-a-Park program creates a powerful partnership between the citizens of Sturgeon Bay and the City of Sturgeon Bay Parks Department. This partnership allows valuable communication and feedback between these two groups which results in cleaner, safer, and more user friendly parks in the community.

Benefits:

- ✓ **Civic Engagement:** The Adopt-a-Park program fosters civic engagement by providing an opportunity for volunteers to give back to the community. Adopt-a-Park volunteers are able to make noticeable improvements to our city's parks and the results of these improvements are enjoyed by the volunteers, as well as the rest of the community.
- ✓ **Environmental:** Not only does the Adopt-a-Park program improve the environment by enlisting volunteers to pick up trash and plant flowers and trees, it also raises awareness of the importance of protecting our natural spaces. As citizens observe the positive changes occurring in their neighborhood parks, they may be less likely to litter and instead show respect and care for the parks available to them.
- ✓ **Safer, more beautiful parks:** Volunteers in the Adopt-a-Park program provide services that go beyond what the City of Sturgeon Bay Parks Department has the time or budget for. While regular maintenance like grass cutting will be done by the Parks Department, Adopt-a-Park volunteers add special touches to the park like mulch, flower beds, and trash removal. An adopted park is a safer park because it is free of waste and other potentially hazardous items. By assisting the city with jobs

such as removing weeds from mulched beds in parks it will reduce or eliminate the use of herbicides in our parks. Adopt-a-Park volunteers save our city money while continuing to improve and service the city's parks.

Expectations of Adopt-a-Park Volunteer Groups

- Adopt-a-Park groups are expected to sign a one-year contract with the City of Sturgeon Bay Parks Department. During the year, volunteer groups are expected to organize at minimum a spring trash pick-up and a mid-summer mulched bed weeding project in their adopted park.
- Also, once a month volunteers are asked to enter the park and do a thorough walkthrough. The purpose of a walkthrough is to identify damage, vandalism, or other things that need to be addressed by the City of Sturgeon Bay Parks Department. A form is available for you to report what you found during your walkthrough.
- Other projects, like planting flowers, adding mulch, maintaining trails, painting, and other maintenance may be completed with approval from the City of Sturgeon Bay Parks Department.
- Volunteer groups may do their own fundraising for special projects like picnic tables and play equipment with approval from the City of Sturgeon Bay Parks Department.
- For volunteer groups that are unable to commit to a yearly contract, one-time events are also available. One-time events are perfect for groups that still want to do their part but are unable, or not interested in, officially adopting a park. To inquire about dates for one-time events, please contact The Director of Municipal Services at (920) 746-6922.
- Each volunteer group will designate a Group Supervisor to be the contact person for the group. They will be expected to be the sole contact between the group and the Parks Department. The Group Supervisor will fill out the application form and leave their contact information. The Group Supervisor will also ensure each volunteer signs a waiver of liability before the volunteer has started working.
- The Group Supervisor will inform The Director of Municipal Services of clean-up dates at least one week in advance to ensure supplies like trash bags and tools can be provided, and so trash can be removed in a timely manner post clean-up. Supplies for the program like trash bags, disposable gloves, and safety vests will be kept at the Municipal Services building at 835 N. 14th Ave.

Guidelines

- Parks are adopted on a first-come, first-serve basis. A list of all the adoptable parks
 is available on page 4 of this document. If you would like to request an area to adopt
 that is not listed, please contact The Director of Municipal Services.
- More than one group or individual may adopt the same park depending on its size and the types of projects and maintenance that are needed at that location. While the Parks Department will do its best to match groups to the park/area they are most interested in, final placement decisions are determined by the City of Sturgeon Bay's Director of Municipal Services
- All volunteers under age 18 must be supervised by a responsible adult.
- The City of Sturgeon Bay will share photos and pass on updates of the volunteer's progress at parks on social media.

How to Sign Up

- First, the Group Supervisor needs to complete the application section of the form on the following page. Feel free to add comments about specific areas or projects you and your group are interested in.
- Next, the City of Sturgeon Bay will review the application and match you to a park you are interested in, or a park in need of adoption.
- Following approval, the City of Sturgeon Bay will complete the agreement section of the form and the Group Supervisor will be asked to submit liability forms for each volunteer interested in participating. Volunteers under 18 must have their liability form signed by a parent or legal guardian. A copy of the liability form is available at the Municipal Services building or online at www.sturgeonbaywi.org.
- When the application/agreement for and all liability forms have been turned into the City of Sturgeon Bay, a copy of the signed agreement form will be mailed to you, at which time your group has officially adopted the park listed!
- It is the responsibility of the Group Supervisor to schedule the spring clean-up and weeding dates. It is also the responsibility of the Group Supervisor to ensure that each month at least one volunteer enters the park and completes a walkthrough and that the walkthrough form is submitted to the City of Sturgeon Bay.
- Please schedule all volunteer activities at least seven days in advance to allow the Parks Department time to organize dropping off supplies at the worksite, or for a volunteer to pick up supplies at the Municipal Services building at 835 N. 14th Ave.

Safety Guidelines

- Bring work gloves, closed-toed shoes or boots, and wear light colored clothing and long pants.
- Bring sunscreen and apply it regularly to prevent sunburn. Hats and sunglasses are also recommended.
- Beware of bees, poison ivy, poison oak and other irritants. Avoid bites by wearing insect repellant.
- Do not overexert yourself: take breaks and drink plenty of liquids. Be sure to bring water with you, as not all parks have water available.
- Work during daylight hours and within the park's posted hours unless permission is given by the City of Sturgeon Bay's Director of Municipal Services to work off hours.
- Do not use or bring your own power tools and motor-driven equipment unless you have been preauthorized to do so by the City of Sturgeon Bay's Director of Municipal Services.
- Postpone or stop clean-up immediately if rain, lightning or strong winds are present.
- Leave dead animals on site and report them to Municipal Services.
- Do not pick up materials you suspect might be hazardous, such as needles or drug paraphernalia. Report suspect materials to the City of Sturgeon Bay's Police Department immediately through their dispatch line: (920) 746-2416.
- Do not bring pets, or leave pets in the car, while you volunteer in the park.

Ad hoc Westside Waterfront Steering Committee nominee bios

Mike Gilson

Mike is retired, after a 46-year career with Bank of Sturgeon Bay/Baylake Bank/Nicolet Bank and currently serves on the board of directors. He is a board member of the Door County Maritime Museum (Finance Committee); the Boys & Girls Club of Door County (Finance Committee); the Clearing Folk School; and the DCEDC Revolving Loan Fund committee. He serves on the City's Plan Commission. Mike was born and raised in Sturgeon Bay.

Laurel Hauser

I serve on the City of Sturgeon Bay Common Council and am a member of the Plan Commission, Waterfront Redevelopment Authority, Library Board, and am chair of the Parks and Recreation Committee. I am the Managing Editor of the Washington Island Observer newspaper and, prior to that, was the Communications Director and the Director of Charitable Giving for the Door County Land Trust for many years. I co-chaired and raised funds for the Sturgeon Bay Skatepark Initiative and have served on numerous local nonprofit boards including American Folklore Theatre, the Door County Women's Fund, Sturgeon Bay Moravian Church Board of Trustees, and, along with my husband, John, chaired the YMCA \$2.5M endowment campaign.

Ryan Hoernke

I am the Director of Finance and Technical Operations at Fincantieri Bay Shipbuilding. In this role, I lead the finance, quality assurance, engineering, and production planning & control departments. I have been with FBS for over 5 years, and prior to that I came from the banking industry. (Both in operations and corporate finance) I serve as the chair for a large non-profit organization here in the county, and I have been a member of the Waterfront Redevelopment Authority for the past two years. I anticipate bringing my experience in finance, strategic investment analysis, business operations, and technical planning to the committee, but I hope to provide thoughtful insights and positively contribute to the group and the community's vision for the West Side Waterfront. Thank you for the opportunity to help.

Caitlin Oleson

Caitlin is the Associate at the Climate Collaborative. Prior to the Climate Collaborative, Caitlin worked primarily in the nonprofit sector with targeted audiences around civic and voter engagement. Most recently, she was contracted by the University of Wisconsin-Green Bay to undertake a feasibility analysis for a research station in the bay of Green Bay. During this time, she has enjoyed opportunities to build relationships and engage stakeholders in Wisconsin. This includes being the founder of NexGen, Door County's young professional organization. Caitlin attended Eugene Lang College, The New School and went on to receive a Masters of Science in Nationalism Studies in the School of Social and Political Science from the University of Edinburgh. A Gibraltar graduate, Caitlin is proud to call Sturgeon Bay home.

Erich Pfeifer

Erich is the President and CEO of Marine Travelift Inc, Shuttelift, and Exactech Inc. companies under the parent company of Exactech Holdings. He manages the day to day operations as well as setting the strategic direction of the company. Additionally, he also ensures that the daily business operations of the corporation align with its vision, mission, and goals. Erich has been at Marine Travelift for over 15 years and has learned the business starting out in the sales side of the operation. Erich grew up in the Milwaukee area and attended Marquette University where he graduated with a degree in Mechanical Engineering. Currently he lives in Sturgeon Bay Wisconsin with his wife Barbara and two dogs. In 2011 Erich graduated from UW Madison Business School Executive MBA program and transition from sales to the leadership roles currently held within Exactech Holdings and Marine Travelift. In his spare time Erich enjoys boating, fishing, cross country skiing and golf.

Sara Powers

I am a graduate of Sturgeon Bay High School and a recent graduate of the University of Minnesota (with a Master of Architecture). Throughout my graduate education, I worked as an architectural designer at Collage Architects and was a teaching assistant for the U of M College of Design. I now am an adjunct faculty member at the U (starting this fall, I will teach an undergraduate architectural drawing course), and I will very soon be working professionally at an architecture firm here in Minneapolis. My Master's Final Project was focused on an adaptive reuse proposal for the Teweles & Brandeis Granary and its waterfront site (follow this link for the final project summary: https://issuu.com/sarapowers/docs/powers_mfp_proposal_pages).

Based on my familiarity with the area (and the current events associated with the westside waterfront), my design experience, the breadth of research collected during my thesis, and my professional connections throughout the Twin Cities, I believe I can be a valuable member of the Adhoc Westside Waterfront Planning Committee. My thesis proposal represents one of a multitude of possibilities for reimagining our waterfront; I am very excited to have the opportunity to discuss the countless others in the coming months.

David Schanock

David Schanock is the Vice President/CFO of Roen Salvage Company. His duties at Roen Salvage include: oversee economic strategy and forecasting, monitor and direct the implementation of strategic business plans, develop financial and tax strategies, monitor and maintain appropriate risk management measures, oversee human resources, and new business development. Prior to Roen Salvage Company, Mr. Schanock spent over 13 years working in Chicago within the Investment Banking sector (Cantor Fitzgerald, Wespath Investment Management, Credit Suisse, and Fitch Ratings) with experience in structuring and negotiating complex debt deals, conduit loans, CMBS bonds, agency

loans, LIHTC, NMTC, TIF and bridge financing. His background includes debt underwriting, modeling, risk management, asset management, complex loan workouts, market research and new business development. He has extensive knowledge of equity real estate investments and structures through prior work experience and personal investments. He has a BBA in Finance, Investment & Banking and Real Estate & Urban Land Economics from the University of Wisconsin – Madison.

Jim Schuessler

Jim Schuessler is a native of Oconto Falls, WI. He received a Bachelor of Science degree from UW-Platteville in 1984, with a double major in Television Advertising & Management and Television Production plus a minor in Business Administration. For two decades, he was employed by Gocom Communications, where he rose from entry-level sales to CEO of a television company with revenues in excess of \$400 million. Upon the sale of Gocom, he and his family returned to Wisconsin, in Northern Oconto County, so that his three children could complete their education in the positive educational environment found here in Wisconsin.

Seeking ways to help make a difference, in 2011, Schuessler joined Forest County Economic Development Partnership, serving as the executive director for the start-up organization. In 2014, he left FCEDP to serve as business development manager for Sheboygan County Economic Development Corporation with a focus on entrepreneurial development, community development, workforce development, and business retention and expansion.

Now a resident of Sturgeon Bay, he is certified as an Economic Development Finance Professional by the National Development Council and has completed the coursework necessary for certification as a Certified Economic Developer by the International Economic Development Council.

Mark Schuster

I'm humbled and excited to be part of the Westside Waterfront Planning Committee. I believe the best way for our community to grow and move forward on this important property is to have frank and open discussions that involve a diverse group of our community's citizens. I am the owner of Bay Shore Outfitters, which has been located on the Greater Westside of Sturgeon Bay since 2009 and sits directly across from this parcel. I serve on the City's Historic Preservation Commission, and am a former member of St. Peters Lutheran school board. Since 2012 I have been a board member of The Sturgeon Bay Visitors Center and its board president in 2015 and 2016. The Sturgeon Bay Visitors Centers mission statement reads "Our mission is to market Sturgeon Bay as a year-round destination and promote our city as a premier community to live, shop and play." I hope to bring that mission, my over 20 years in business and my sincere passion for the community of Sturgeon Bay to this committee.

FINAL RESOLUTION

AUTHORIZING IMPROVEMENTS AND LEVYING SPECIAL ASSESSMENTS AGAINST BENEFITTED PROPERTY.

WHEREAS the Common Council of the City of Sturgeon Bay, Wisconsin, held a public hearing at the City Hall at 12:00 P.M. on the 21st day of August 2018, for the purpose of hearing all interested persons concerning the preliminary resolution and report of the City's Engineer on the proposed improvement installation in/on the following streets or parts thereof:

N 12th Ave-East side of the roadway from Georgia Street to Egg Harbor Rd.

NOW, THEREFORE, BE IT RESOLVED, by the Common Council of the City of Sturgeon Bay as follows:

- 1. That the reports of the City's Engineer pertaining to the construction of the abovedescribed public improvements, including plans and specifications thereof, as modified, is hereby adopted and approved.
- That payment for said improvements be made by assessing the cost to the property benefitted as indicated in said reports, as modified to reflect the actual cost of construction.
- 3. That benefits (and damages) shown on the reports (as modified) are true and correct, have been determined on a reasonable basis and are hereby confirmed.
- 4. That the assessments for all projects included in said reports are hereby combined as a single assessment, but any interested property owner shall be entitled to object to each assessment separately or both assessments jointly for any purpose or purposes.
- 5. That the assessments may be paid in cash or six (6) annual installments. If the total assessment levied against a single parcel exceeds \$6,000.00 application can be made at the CITY CLERK-TREASURER'S office for twelve (12) annual installments. Installment payments are to bear interest at a floating rate to be determined on the first business day of the new calendar year for the ensuing year and will be the prime rate as posted by the official City depository on that day. The rate so established shall be applied to the unpaid balance of each assessment for that year. Installments or assessments not paid when due shall bear interest on the amount past due at the rate of one percent (1%) per month or a fractional part thereof plus one-half of one percent (0.5%) per month or fraction thereof penalty.
- 6. That if the title to a parcel of property changes for any reason the full amount of the outstanding assessment becomes due and payable together with applicable interest immediately.
- 7. The City Clerk-Treasurer is directed to publish this resolution as a Class 1 notice in the assessment district.
- 8. The City Clerk-Treasurer is further directed to mail a copy of this resolution and a statement of the final assessment against his property to every property owner

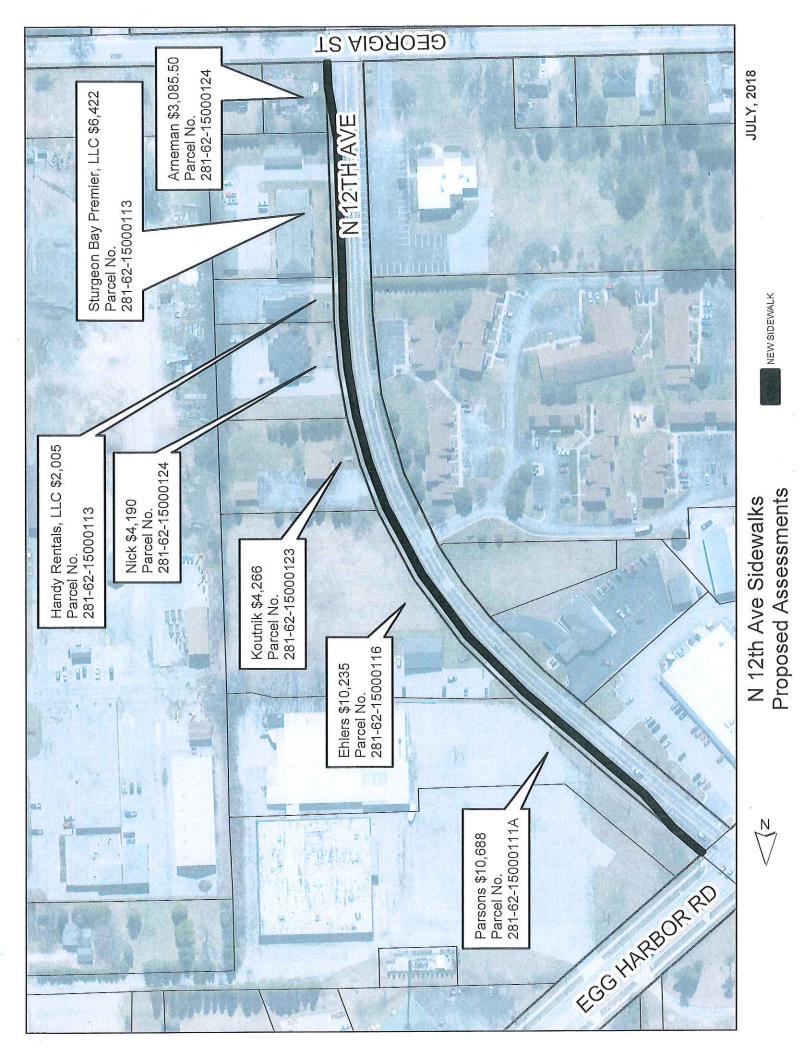

whose name appears on the assessment roll whose post office address is known or can, with reasonable diligence, be ascertained.

Re: Evaluation of contracted and staff attorney costs

There are many aspects to consider when evaluating the creation of a new staff position, especially that of City Attorney. Like any research project, we start with the relevant municipal code to determine if there are matters of local law to consider. Below are excerpts from the City of Sturgeon Bay Municipal Code that speak to the appointment of the City Attorney.

1.05 - City attorney.

- (1) Appointment. The city attorney shall be appointed by the city council, shall take office May 1 and shall thereafter hold office for an indefinite term, subject to § 17.12(1)(c) and (d), Wis. Stats., relating to the removal and suspension of city officers.
- (2) Duties. The person so appointed to the office of city attorney shall have the following duties:
- (a) Conduct all the law business in which the city is interested.
- (b) When requested by city officers, give written legal opinions, which shall be filed with the clerk-treasurer.
- (c) Draft all city ordinances, bonds and other legal instruments as may be required by city officers.
- (d) Examine the tax and assessment rolls and other tax proceedings and advise the proper city officers in regard thereto.
- (e) When authorized by ordinance or resolution, defend actions brought against any officer or employee of the city or of any board or commission thereof growing out of acts done in the course of his/her employment or out of any alleged breach of his/her duty as such officer or employee, excepting actions brought to determine the right of such officer or employee to hold or retain his/her office or position and excepting also actions brought by the city against any officer or employee thereof.
- (f) Render legal assistance to the common council, fire and police commission, mayor, city administrator, clerk-treasurer, director of municipal services/city engineer, assessor, chief of police, chief of fire department and alderpersons of the city.
- (g) Perform such other acts as may be required by statute.

(Code 1992, § 1.05)

State Law reference—City attorney generally, § 62.09(12), Wis. Stats.

31.08 - Charter Ordinance No. 8, an ordinance amending the Charter of the City of Sturgeon Bay relating to the selection and tenure of the city attorney.

The Common Council of the City of Sturgeon Bay do ordain as follows:

Section 1. The City of Sturgeon Bay, Wisconsin, hereby elects pursuant to §§ 62.09(3)(b)6, 62.09(5)(b) and 66.01, Wis. Stats., that the method of filling the office of city attorney, the tenure and the duties thereof shall be as hereinafter provided.

Section 2. The city attorney shall hereafter be appointed by the common council, shall take office on May 1 of 1954 and shall thereafter hold office for an indefinite term subject to § 17.12(1)(c) and (d), Wis. Stats., relating to the removal and suspension of city officers.

Section 3. The person so appointed to the office of city attorney shall have the following duties: conduct all the law business in which the city is interested; keep a docket of all actions in courts of record to which the city is a party, in which shall be entered in brief all steps taken and which shall be open to inspection at all reasonable hours; shall, when requested by city officers, give written legal opinions which shall be filed with the clerk; shall draft all city ordinances, bonds and other legal instruments as may be required by city officers; shall examine the tax and assessment rolls and other tax proceedings and advise the proper city officers in regard thereto; shall, when authorized by ordinance or resolution, defend actions brought against any officer or employee of the city or of any board or commission thereof, growing out of acts done in the course of his/her employment, or out of any alleged breach of his/her duty as such officer or employee, excepting actions brought to determine the right of such officer or employee to hold or retain his/her office or position, and excepting also actions brought by such city against any officer or employee thereof; shall render legal assistance to the Sturgeon Bay Utilities Commission, the school board, board of health, board of police and fire commissioners, the mayor, clerk-treasurer, engineer, assessor, chief of police, chief of fire department and aldermen and supervisors of said city; shall do and perform such other acts as may be required by statute.

Section 4. This ordinance shall be deemed to be an amendment to the Charter of the City of Sturgeon Bay and §§ 62.09(3)(b)6 and 62.09(5)(a) and (b), Wis. Stats., being a part of the General Charter Law of the City of Sturgeon Bay, Wisconsin, shall not apply.

Section 5. This is a Charter Ordinance and shall take effect 60 days after its passage and publication unless within such 60-day period a referendum petition as provided by § 66.01, Wis. Stats., shall be filed, in which event this ordinance shall not take effect until it shall have been submitted to a referendum vote of the electors and approved by a majority of the electors voting thereon.

Adopted December 15, 1953.

There are provisions for the position of city attorney in the state statutes as well. Chapter 62.09 Wis. Stats. Establishes the position of City Attorney as an officer of the City.

62.09 Officers.

- (12) Attorney.
 - (a) The attorney shall conduct all the law business in which the city is interested.
 - (c) The attorney shall when requested by city officers give written legal opinions, which shall be filed with the clerk.
 - (d) The attorney shall draft ordinances, bonds and other instruments as may be required by city officers.

- (e) The attorney shall examine the tax and assessment rolls and other tax proceedings, and advise the proper city officers in regard thereto.
- (f) The attorney may appoint an assistant, who shall have power to perform the attorney's duties and for whose acts the attorney shall be responsible to the city. Such assistant shall receive no compensation from the city, unless previously provided by ordinance.
- (g) The council may employ and compensate special counsel to assist in or take charge of any matter in which the city is interested.

In Wisconsin it is very common for communities to hire an attorney in private practice to serve and execute the duties of City Attorney. Like other professions, legal services are highly specialized and this certainly true in the public sector. It is not uncommon for a community to have a city attorney on staff but still rely on experts in certain matters when needed.

It can reasonably be assumed that the City would make use of specialized attorneys for matters like tax, debt issuance, environmental, prosecution, and in some cases land use. It would also be reasonable to expect a municipal attorney to have sufficient knowledge and experience in contracts, real estate, and basic labor law. For this reason, I combined our annual general and specialized labor legal expenses, but excluded specialized fees for environmental and tax and debt issuance services from this analysis. Defense costs, because they are largely paid for by the City's insurer, are excluded as well.

In examining the cost to hire a staff municipal attorney, it is best to use a range for a salary, as like any profession, qualified attorneys will have varying degrees of expertise and experience that would likely be factored into the negotiated salary.

In establishing a range for salary, I relied on Door County's recently completed wage and salary study which defined a low and high end for both an assistant corporation counsel and corporation counsel. The range used below is the expected mid-point average of both positions.

	Low	High	Ave.
Salary Range	85,104	106,518	95,811
Health & Dental	24,510	24,510	24,510
Retirement & FICA	12,085	15,125.56	13,605
Total Personel	121,699	146,154	133,926

Health and dental costs assume a family plan for each. Retirement and FICA is based on standard required contribution rates.

Hard costs such as salary and fringe benefits are certainly major items to consider, but there are other costs as well that would have to be born by the City entirely, rather than split amongst other customers, those expenses include training to maintain licensure, professional memberships (national, state and local bar fees), research and technology needs. These costs are represented in the table below.

Other Professional Expenses		
Prof. Assoc. Membership	1,500	
Prof. Dev. & Travel	4,500	
Computer / Software	3,000	
Total	9,000	

It could be expected that the cost of a staff municipal attorney be approximately \$143,000.

Like engineers attorneys are licensed by states, not all attorneys are eligible to practice law in all states or courts, consider federal court, or enforcement actions that may need to be taken out of state, such as docketing, filing liens, etc. Additional expenses for these types of infrequent but sometimes necessary.

In reviewing the regular general fund expenses for general legal services and labor law, the City of Sturgeon Bay between 2014 and 2017 spent on average \$46,178.

General Fund	d Legal Expens	ses			
	2014	2015	2016	2017	Average
General	49,541	42,831	34,656	37,019	41,012
Labor	2,182	4,176	8,890	5,416	5,166
Total	51,723	47,007	43,546	42,435	46,178

Consideration of rates and how those may impact the decision of the Common Council. The Pinkert Firm was charging the City a rate of \$145/hr. Reviewing our current legal rates, the City can expect to pay a rate between \$200 and \$270 per hour for experienced municipal counsel. Using the rate of \$145/hour, the City used an estimated average 283 hours of general legal services. Using 283 hours of legal service at \$200 per hour reveals an estimated cost of \$56,600, at the upper end of the range, we can expect a cost of \$76,500.
