Re: Revisions to Draft 2021 Budget following October 5, Committee of the Whole meeting

Please find attached a revised Budget Summary, General Fund budget and Capital Fund budget. The budgets have been revised to reflect the changes the Committee of the Whole requested at the October 5th meeting. These changes include increasing revenues by roughly $26,000 as per the table in the last budget memo, removing the $48,000 storm water study, applying the $113,000 in additional general transportation aid to directly offset the increase to the tax levy, removing the arbitrator recording system in the amount of $15,000, and applying fund balance to reduce the preliminary tax increase from close to 7% to just under 3%. Total 2020 projected surplus applied to the 2021 General Fund budget is $336,762 and total fund balance applied to the 2021 General Fund budget is $278,853.

Also included in your packets are the budgets for the TIDs, Solid Waste Fund, Compost Fund, Revolving Loan Fund, and Cable TV Fund which are the funds that do not require any tax levy. In regard to the Cable TV budget, it has been approved by the Cable TV Advisory Board and CPS. However, since those two committees reviewed the budget, the Franchise Fee and State of WI Video Service Aid revenue lines have been updated. Per notice from the state, the Video Service Aid will be $30,325 in 2021. The video service provider aid, which began in 2020, is issued to municipalities to offset the reduction in cable franchise fees. The aid in 2020 was .5% of the 2018 collections and in 2021 it will be an additional .5% of the 2019 collections. Since that aid offsets the Franchise Fee line we've updated that revenue line item to more accurately reflect an estimated $120,530 in revenue.

The purpose of the October 12, 2020 Common Council agenda is two-fold. First, tentatively approve the 2021 budget so it can be prepared for public hearing. Second, set the public hearing date for November 2, 2020 at 4:00.
