MEMO

To: Mayor & Common Council
From: Joshua Van Lieshout, City Administrator
Valerie Clarizio, Finance Director/City Treasurer
Subject: 2023 Budget
Date: October 27, 2022

Along with the Common Council agenda packet for the October 31, 2022 meeting and this memo, you will find a revised budget (electronic format) that has been updated with the changes the Council made at the October 10, 2022 meeting. Those changes include adjusting the general fund revenue to include an additional $35,683 in general transportation aids and allocating that same amount to the capital improvement road budget. This revised budget has been noticed in the official newspaper of the City and the hearing will be held at the Special Common Council meeting scheduled for 4:00 p.m. on October 31, 2022.

The public hearing is to be held on the budget that was tentatively approved by the Council on October 10th. Since that time, staff has received from the State of Wisconsin the final assessed value of the city, and since the first budget workshop, the City received the notice of budget limit for expenditure restraint purposes. As a result, some minor adjustments to the budget will need to be considered by the Common Council after the public hearing but before the final budget approval. Those items are detailed below along with some other budgetary information.

Budget Tax Summary Update
The City has not yet received the Notice of State School Levy Tax Credit or the Tax Increment Calculation worksheet from the state; therefore, the final tax rate calculations are not included in the budget documents. The budget tax summary sheets will be updated and distributed upon receipt of the aforementioned notices and information.

Shared Revenue Update
The City has received the final Expenditure Restraint Program (ERP) information for 2023. Per the State of Wisconsin, Department of Revenue estimate, the City is allowed to increase its 2023 general fund budget by no more than 8.8% over the 2022 general fund budget in order to qualify for the ERP payment in 2024. The budget prepared for the public hearing was based upon estimates and needs to be adjusted slightly in order to protect the City's expenditure base/capacity in future years and comply with the state mandate. Adjusting the general fund contingency line item by $400,000 will accomplish this task without impacting the tax levy. The motion in **bold** below should be made following the public hearing and prior to adopting the budget resolution.

Motion to increase the General Fund Contingency line item by $400,000 and offset the increase to contingency by increasing the appropriated general fund balance by $400,000.

TID Update
As you may remember from the October 10, 2022 meeting of the Common Council, the

City did not yet have all of the information needed to calculate the TID tax increment numbers; therefore, estimates were inserted into the budget document at that time in order to proceed with the public hearing on the 2023 budget. As of today, the Tax Increment worksheet provided by the State of Wisconsin is still unavailable. However, enough information has been provided to the City for staff to calculate a more accurate estimate than what was previously provided to you in the budget hearing document.

	Previous Tax Increment Estimate	Revised Estimate	Difference
TID #1 (Affordable Housing)	$ 815,450.00	$ 803,186.57	($ 12,263.43)
TID #2 Original Area	$1,182,700.00	$1,144,486.94	($ 38,213.06)
TID #2 Amended Area	$ 209,000.00	$ 209,570.00	$ 570.00
TID #3	$ 75,940.00	$ 73,884.72	($ 2,055.28)
TID #4	$ 127,192.14	$ 123,751.18	($ 3,440.96)
TID #5	$ 9,670.00	$ 9,408.25	($ 261.75)

	Previous Transfer Estimate	Revised Estimate	Difference
TID #4 / Bay Lofts	$ 97,715.00	$ 93,920.00	($ 3,795.00)

After the public hearing, and prior to adopting the budget resolution, it would be appropriate for the Council to make a motion to insert the aforementioned tax increment and transfers into the 2023 budget. The motion in **bold** below should be made following the public hearing and prior to adopting the budget resolution.

Motion to update the TID #1, TID #2, TID #3, TID #4, and TID #5 2023 budgeted tax increment numbers and transfers as per the Finance Director's memo dated October 27, 2022.

Budget and Levy Adoption Resolution

Attached to the Common Council packet is a proposed resolution for budget adoption and tax levy showing a levy in the amount of $7,855,820. Once your budget is in place it would be appropriate to present the resolution.

Read resolution.
Motion to adopt the resolution for Budget Adoption and Tax levy.
