EXECUTIVE SUMMARY

TITLE:

Solid Waste User Fee

BACKGROUND:

In October of 2017 the Common Council, approved a recommendation from the Finance/Purchasing and Building Committee to increase the solid waste user fee by 3% annually for a 6-year period as follows:

2018 \$8.99 2019 \$9.26 2020 \$9.54 2021 \$9.83 2022 \$10.12 2023 \$10.42

Historical pricing data:

2004 \$4.95 2005-2007 \$5.25 2008-2013 \$5.78 2014-2017 \$8.73

The pricing structure established in 2017 was enough to fund the annual operations of the solid waste fund and provide for a 25% fund balance/cash reserve. It also allowed for paying a portion of new truck purchases with cash. In 2021 the City purchased a rear load refuse truck with cash for just under \$150,000, but the financial position of the fund required debt issuance for the two automated trucks.

Though the unaudited solid waste fund balance at the end of 2022 is hovering at around 50%, the cash position is a few percent less. Through the years, committee and staff discussions have focused on the City lining itself up to pay cash for capital acquisitions in the future. Whether or not that is still the goal, the fee will need to be increased. As you are aware, costs have increased significantly recently and loan interest rates have risen.

In preparation for this conversation, staff prepared and analyzed a 12-year cash flow projection. The projection period of 12 years was used to forecast operating and capital needs through the life cycle of the next major capital acquisition, that being acquisition of two new solid waste collection trucks in 2028, and then includes the year 2035 at which time it is anticipated another set of trucks will be purchased. The trucks have proven to have a 7-year life cycle at best.

In 2017, when the Finance Committee considered a fee increase, staff proposed raising the fee to \$11.10 with the objective of fully funding depreciation, capital acquisitions, and maintaining at least a 25% fund balance/cash reserve. After a couple of meetings and healthy debate regarding the goals of the City in terms of operating on a cash basis, debt basis, or a combination of the two, the Finance Committee recommended to the Common Council to approve a 3% annual increase through 2023. This

financial decision provided enough cash to fund annual operations, create an adequate fund balance/cash reserve. Since the direction has been established to use debt financing for the purchase of trucks it would be difficult to migrate to a cash purchase system because the increase in rates to do so would not be palatable to the rate payer.

FISCAL IMPACT:

The fiscal impact to the consumer is a gradual change in price from \$10.42 per month to \$11.82 or \$12.61 per month in 2024 depending on the option chosen. The fiscal impact to the enterprise fund for the overall 5-year period, is the ability to cash fund the annual operations of the solid waste fund and maintain the 25% fund balance/cash reserve at the very least. Approving a fee at the higher end of the spectrum will generate sufficient funds to either pay cash for capital acquisitions or use a combination of cash and debt for capital acquisitions.

OPTIONS:

Recalling the conversations of the past, below are some fee increase options to consider as the current fee will soon be not enough to support the annual operations and reserve requirements of the fund.

 Establish a fee to support annual operations and adequate fund balance/cash reserves. This option requires 100% debt issuance for capital acquisitions. To accomplish this, 13.4% annual increases for the next five years are needed.

> 2024 \$11.82 2025 \$13.40 2026 \$15.20 2027 \$17.23 2028 \$19.54

 Establish a fee to support annual operations, adequate fund balance/cash reserves, and to fund capital acquisitions with 50% cash and 50% debt. To accomplish this, 17% annual increases for the next five years are needed.

> 2024 \$12.19 2025 \$14.26 2026 \$16.69 2027 \$19.53 2028 \$22.85

3. Establish a fee to support annual operations, adequate fund balance/cash reserves, and to fund capital acquisitions with cash. To accomplish this, 21% annual increases for the next five years are needed.

2024 \$12.61 2025 \$15.26 2026 \$18.46 2027 \$22.34 2028 \$27.03

For comparison purposes, below are the rates charged by other municipalities in the county, via the tax roll, to their citizens for refuse collection.

Town of Forestville	\$17.35
Town of Nasewaupee	\$12.73
Town of Union	\$16.10
Village of Forestville	\$19.11
GFL	\$33.00

RECOMMENDATION:

Recommend to the Common Council to increase the solid waste user fee as follows:

2024	\$11.82
2025	\$13.40
2026	\$15.20
2027	\$17.23
2028	\$19.54

Title: Purchase of a Utility Tractor

Background: On February 9, 2023 the Municipal Services Department opened proposals for the purchase of a utility tractor. In accordance with the City of Sturgeon Bay Purchasing & Property Accountability Policy, specifications were prepared and competitive sealed bidding was used to obtain pricing. Five proposals were received:

Service Motor Company

New Franken, WI

Tractor Manufacturer: Farmall (Case)

Tractor MDL: 40A
Tractor Price: \$23,100
Bucket MDL: Case L340 Ih
Loader Bucket: \$6,150
Combined Price: \$29,250
Trade Value: \$8,000

Total: \$21,250

Bobcat Plus DePere, WI

Tractor Manufacturer: Bobcat

Tractor MDL: 4050
Tractor Price: \$35,579
Bucket MDL: FL9
Loader Bucket: Included
Combined Price: \$35,597
Trade Value: \$9,000

Total: \$26,579

Swiderski Equipment Inc

Mosinee, WI

Tractor Manufacturer: New Holland Tractor MDL: Boomer 40 no cab

Tractor Price: \$33,990 Bucket MDL: NH 250TLA2 Loader Bucket: \$ Included Combined Price: \$33,990 Trade Value: \$6,000

Total: \$27,990

Service Motor Company

New Franken, WI

Tractor Manufacturer: Kubota Tractor MDL: L3902HST Tractor Price: \$25,300 Bucket MDL: Kubota LA525 Loader Bucket: \$6,350 Combined Price: \$31,650 Trade Value: \$8,000

Total: \$23,650

Swiderski Equipment Inc

Mosinee, WI

Tractor Manufacturer: New Holland Tractor MDL: Boomer 40 w/cab

Tractor Price: \$41,270 Bucket MDL: NH 250TLA2 Loader Bucket: Included Combined Price: \$41,270 Trade Value: \$6,000

Total: \$35,270

The 2023 capital budget line 10-510-000-59065 included \$35,000 for the purchase.

Fiscal Impacts: \$29,250 and the trade of our 2001 Case DX40 with loader bucket valued at \$8,000.

Recommendation: Staff recommends proceeding with ordering the Farmall 40A tractor and Case L340 Ih loader bucket from Service Motor Company at a price not to exceed \$29,250 and trading in our 2001 Case DX40 with buck loader valued at \$8,000

Title: Purchase of a 2023 or Newer Aquatic Weed Harvester

Background: On February 8, 2023 the Municipal Services Department opened proposals for the purchase of a new aquatic weed harvester with trailer. In accordance with the City of Sturgeon Bay Purchasing & Property Accountability Policy, specifications were prepared and competitive sealed bidding was used to obtain pricing. Two bids were received.

Aquarius Systems		Inland Harvester	
North Prairie, WI		Burlington, WI	
Harvester MDL:	MH-420	Harvester MDL:	ILH-450
Harvester Price:	\$222,605	Harvester Price:	\$162,537
Trailer MDL:	TR-23 Standard	Trailer MDL:	ILH Tri-Axle
Trailer Price:	\$17,500	Trailer Price:	\$16,190
Optional Water Pump	\$1,500	Optional Water Pump	\$3,475
Price w/ option:	\$241,605	Price w/ option:	\$182,202
Trade Value:	\$25,000	Trade Value:	\$15;000
Total w/ option:	\$216,605	Total w/ option:	\$167,202

The 2023 capital budget line 10-560-000-59065 included \$375,000 for the purchase.

11/

Fiscal Impacts: \$182,202 and the trade of our 1995 Aquarius HM-420 w/ trailer valued at \$15,000.

Recommendation: Staff recommends purchasing the ILH-450 harvester and ILH Tri-Axle trailer from Inland Harvester with the optional water pump at a price not to exceed 182,202 and trading in our 1995 Aquaruis HM-420 w/ trailer valued at \$15,000.

Title: Aquatic Weed Spraying Services

Background: On February 8, 2023 the Municipal Services Department opened proposals for the spraying of aquatic weeds as outlined in our current Aquatic Plant Management Plan. In accordance with the City of Sturgeon Bay Purchasing & Property Accountability Policy, specifications were prepared and competitive sealed bidding was used to obtain pricing. The specification was written to cover the entire sprayable acreage within our plan to include applying for appropriate applications. Two proposals were received.

Aquatic Plant Management LLC

Wisconsin Lake and Pond Resource

Minoqua, WI

Eldorodo, WI

Per Acre \$600 Per Acre

Total Cost \$26,610

\$400 Total Cost \$20,526.13

The 2023 operating budget line 01-560-000-55010 includes \$17,000 for the service.

Fiscal Impacts: Estimated \$16,500, this is estimated due to the amount of sprayable acreage changes each year due to what the WI DNR will let us spray.

Recommendation: Staff recommends using the services provided by Wisconsin Lake and Pond Resource for our spraying and permitting needs for the next two years.

<u>Title:</u> Award of Bid Including Bradley Lake to the City of Sturgeon Bay's Aquatic Plant Management Plan

Background: Municipal Services recently opened bids for updating the City's Aquatic Plant Management Plan which is set to go before the Common Council at the scheduled meeting. During a discussion a few weeks after the bid was opened, it was decided that Bradley Lake could benefit from the same study that will be conducted throughout the bay. I discussed this with a managing member of Onterra and he agreed that it could benefit with improvements to the lake. I asked him for a price to have it included in the plan.

Onterra, LLC 815 Prosper St. De Pere, WI Price: \$5,795

The 2023 capital budget line 10-560-000-59999 included \$40,000 for updating the plan, \$33,790 has been obligated for the plan leaving \$6,210.

Fiscal Impacts: \$5,795 for the Bradley Lake study.

Recommendation: Staff recommends approving the additional cost to have Onterra add Bradley Lake to the City's Aquatic Plant Management Plan at a price not to exceed \$5,795.
