**Public Waterfront Walkway**

## Waterfront Walkways

The public waterfront walkways are located along the beautiful bay of Sturgeon Bay. On the east side they extend all the way around Stone Harbor, from the Oregon Street Bridge south, to Quincy Street, and on the west side around the Maritime Museum, as well as from Sonny's Restaurant along the water to Otumba Beach.

## Sunset Park

This is a forty one (41) acre park located at **747 N. 3<sup>rd</sup> Avenue**, including eighteen (18) acre Little Lake. Facilities include Frank Grasse Shelter building with restrooms (limited handicapped accessibility), swimming beach, four tennis courts (2 lighted), one basketball court, exercise course, two lane launching ramps, transient docking pier (2 hour limit), ½ mile walking, jogging, bike trail, 9 hole Frisbee Golf Course, and two areas with playground equipment. Sunset Park is a popular location for shore fishing or just enjoying the sunset over the Bay.

**Otumba Park**

## Otumba Park

This three (3) acre park located at **32 N. Joliet Avenue** on the west side of Sturgeon Bay, has facilities that include a picnic shelter building with restrooms, playground equipment, beach area, two (2) lighted tennis courts, one (1) lighted basketball court, grills, parking area and walkway connecting to the waterfront.

## Sawyer Park

Located at **36 S. Neenah Avenue**, this is another of the City's waterfront parks. The west side of Sturgeon Bay was known as Sawyer prior to its merger with Sturgeon Bay in 1891. Sawyer Park contains 8.8 acres. The park is most known for its large modern boat launching facility. The launching

site has six lanes within a protected basin, docking space, harbor master's building, restrooms/fish cleaning stations and large lighted parking area with room for about 170 vehicles with trailers. This facility was completed in 1991. Next to the launching facility is an expansive lawn area. This area is used for various fishing tournaments and other special events. The Sturgeon Bay Open Bass Tournament and the Sturgeon Bay Rotary Club jointly funded construction of a large pavilion at Sawyer Park. The pavilion was completed in early 2006 and was enclosed in 2010 making it the only fully enclosed shelter within the City parks system. The most recent improvements to Sawyer Park include a pedestrian walkway winding through the park and under the Oregon Street Bridge. The walkway is intended to continue to connect the Bayview Park to the northwest. Historical signs and artifacts related to maritime history line the walkway.

## Cherry Blossom Park

This park is approximately 5 ½ acres located near the West Side Industrial Park at **919 S. Lansing Avenue**. Handicapped accessible facilities include a shelter building with restrooms, walking, jogging, and biking trail. A volleyball court, general purpose athletic field, play equipment, grills, benches and picnic tables are also available.

## Martin Park

This is an approximately one (1) acre park located at **207 S. 3rd Avenue**. This park contains a band stand and is used throughout the summer for the Harmony by the Bay concert series on Wednesday evenings from mid-June through August. Food and refreshments are available. The City also has a free movie in the park series that runs throughout the summer. Bring your blanket or lawn chair and enjoy an evening of great music or movies under the stars.

## Market Square/Farmers Market

This recreational area is in the heart of the City at **421 Michigan Street**, between Michigan and Nebraska Streets at 4<sup>th</sup> Avenue. The Market Square portion is a little over an acre in area. Since 1975, the property has been used for a Farmers Market for personally grown produce and hand crafted items. This popular event occurs on Saturdays during the summer/fall seasons.

## Graham Park

This park consists of 1.2 acres located between Oregon Street Bridge and Pennsylvania Street at **10 Pennsylvania Street** that was the former PBI Shipyard site. The creation of the waterfront park is a key part of the redevelopment efforts for the former shipyard area.

## Bay View Park

A one acre park located at **10 W. Larch Street** on the west side of Sturgeon Bay at Madison Avenue and W. Larch Street. This is a great place to relax, fish, view the waters of Sturgeon Bay, the shipbuilding industry, highway bridge and boating activities. The area is handicapped accessible with ramped fishing deck and viewing area at the end of the railroad spur. Picnic tables, benches, and gazebo are available. This park has limited parking and there are no restroom facilities available.

## Franke Park

This (6.5) acre park is located on the southwest side of Sturgeon Bay at **1700 Clay Banks Road** and Strawberry Lane. This land was donated to the City by the Franke Family to be preserved in its natural state, allowing for the opportunity to walk along the constructed ¼ mile path and enjoy the wetland area. The walking path is handicapped accessible from the parking area but there are no restroom facilities.
