Know The Rules For City Waste Pickup

As temperatures begin to decrease and leaves begin to change color in anticipation of fall's arrival, Sugar Creek residents will be faced with fall clean up.

The City wants residents to pay close attention to yard waste and bulky item pickup, as outlined in the contract with Republic Services. The City completed a Request for Proposal (RFP) process earlier this year and selected Republic as the City's waste pickup provider.

The Board approved the service contract on June 23, 2025, and set the new refuse rate at \$25.30 a month. Residents aged 65 and older will pay \$24.30 after contacting City Hall to sign up for the reduced refuse rate. The new rates will be reflected on the utility bill due August 18.

For regular trash pickup, residents should bag all trash and place it in a designated Republic Services trash cart.

The cart should be placed curbside by 7:00 a.m. Pickup for residents east of 291 will be Thursdays, and pickup for residents west of 291 will be on Fridays. It's important for residents to know that any trash bags outside the cart will not be picked up.

Residents who utilize Republic's single-stream (all recyclable items in one cart) should pay close attention to the items they put in the recycling cart. Recycling items that are accepted include flattened cardboard boxes, metal cans, paper, and plastics which are stamped on the bottom with #1, #2, and #5. No plastic bags are permitted. In order to avoid contamination, all items must be empty, clean, and dry. Electronics, paint, and batteries

cannot be placed in curbside carts.

The contract also provides yard waste pick up. Residents can place grass clippings, leaves, garden debris, and small branches in carts or paper lawn bags until December 14. No carts will be accepted after December 14. The yard waste limit is 10 bags per week. Residents can bundle limbs – no longer than 4 feet – tied with twine. The branches should not be heavier than 40 pounds and should be placed away from mailboxes, hydrants, and poles; they should also be accessible from the street.

Republic will also provide bulky item pickup. Per the contract, residents can call Republic's customer service department to get added to the bulk schedule pick up.

Residents are permitted one scheduled bulky item per week. This includes items like furniture, mattresses, and appliances without freon.

As we head into fall, now is a great time to clean up our yards, dispose of bulky items, and tidy up our neighborhoods. Clean streets and well-maintained properties improve property values, boost community pride, and create a more inviting atmosphere for neighbors and visitors. Together, we keep our City looking its best - this fall and all year round.

For questions about acceptable items or missed pickups, residents can contact City Hall at 816-252-4400 or visit the City's website at www.sugar-creek.mo.us.

FROM THE DESK OF MAYOR MIKE LARSON...

Council Meeting Minutes 6/9/2025

- The Mayor asked for a moment of silence for Ms. Anna Guthrie.
- The Mayor opened the New Evidence hearing by asking Mr. Gustin if there was any new evidence. Mr. Gustin replied there was no new evidence. The Mayor closed the Hearing and called the Board of Aldermen Meeting to order.
- Drake Richardson led the Assembly in the Pledge of Allegiance.
- Roll call confirmed a quorum and the Consent Agenda passed unanimously.
- In business from the floor, Mr. Jack Lasater asked about weeds behind a property on Sterling Ave. He further asked about the number of firemen on duty and what the State recommends every shift. The Board will take this under advisement.
- Five ordinances were presented to the Board. All passed unanimously.
 - a) Ordinance #4785 approved the Special Use Permit for the Arrowhead Convenience Store.
 - b) Ordinance #4786 approved an agreement between the City of Sugar Creek, Missouri and Arthur J. Gallagher Risk Management Services for Cyber Liability Insurance.
 - c) Ordinance #4787 authorized the Finance Director to issue payment to Midwest Public Risk for Property and Liability Insurance Contributions.
 - d) Ordinance #4788 authorized the Finance Director to issue payment to Midwest Public Risk for Workers Compensation Insurance.
 - e) Ordinance #4789 approved a Memorandum of Understanding with Foundation Power, LLC., relating to the proposed project at the property located at 1000 N. Sterling Avenue in the City of Sugar Creek, Missouri.
- The Mayor thanked everyone who played a role in the success of the Slavic Festival. More people attended and several vendors sold out for the first time ever. A huge thank you to Police, Fire, Public Works, volunteers, cooks and all the vendors for an incredible Slavic Festival Weekend. Plans are already underway for next year as Kansas City will be hosting the FIFA World Cup during the months of June and July.
- Alderman Steffen asked about progress on Courtney Road. Mr. Kenney said he asked for more information last week and sent out another email Monday, 6/9. The Alderman reported trains are blocking the

railroad tracks making wait time 30 minutes or longer. Chief Soule said he would look into it.

- Alderwoman Hazelrigg stated her family has waited at the crossing for 25 minutes or longer multiple times. What happens if there is an emergency with two roads closed and the MODOT work continuing US 24 Highway?
- Alderman Ray thanked everyone who helped with the Slavic Festival.
- Mr. Kenney gave a report
 1. NLC Service Line Warranty Program has been in touch with Mr. Kenney. Alderman Steffen said he was opposed to NLC using the Sugar Creek name when they send out brochures about their program. The Council agreed.
 2. The Republic contract has been finalized and sent to the Republic for final approval and Board approval at the next meeting.
 3. Mr. Kenney and Ms. Guthrie have been working on a percentage increase to the trash bill as we move into the next fiscal year.
 4. Alderwoman Hazelrigg asked about missed trash credits. Mr. Kenney explained for right now they will go back into the refuse account to cover initial costs, but will look into other options.
- Chief Soule added the following list:
 1. Grass ordinance violation letters have gone out.
 2. Land Trust has sold all but three of their properties.
 3. The tornado siren is in the process of being repaired.
 4. The A/C units at the Police/Fire station may need repairs.
 5. A State permit to close part of 291 Highway for the Fourth of July fire works show has been received.
 6. The new police car that replaced the wrecked car is now in service.
- Chief Richardson commented fire training schedules have been ongoing during June and July. Firefighters are either in training or in a class.
- Mrs. McGhee reminded everyone Alan Gustin will be retiring on August 1. City Hall will be closed on 6/19 for a recognition of Juneteenth. City Offices will also be closed on the Fourth of July.
- Mrs. Guthrie attended a GFOA conference and gained education, experience and contacts from the conference. The

fiscal year 2024 audit has been completed and the auditor will review the audit with the Council on 6/23. The 2026 Fiscal Year budget process has begun.

- Mark Stefancik reviewed the progress of Public Works over the last month.
 1. Ace Pipe will be cleaning in several areas.
 2. The City water audit showed two deficiencies which are in the process of being corrected.
 3. Wil-Pav will be finishing the concrete work at City Hall this week.
- Mrs. Smith announced a new exercise program has begun at the gym on Mondays from 10:30 a.m. to 11:30 a.m. Mrs. Smith stated several tickets are still available for the New Dinner Theater in June. The play this month is CLUE. Potluck is 6/10; ham will be the main dish.
- Mr. Gustin reported:
 1. Plans have been submitted for the third shop in the Domino's building.
 2. Three single-family housing units are in various stages of construction.
 3. A proposal for another new construction on Willow has been submitted.
 4. Codes Official Wintermeyer has been active and working on boarding Claremont.
- Seeing no business from the floor, the Council voted into Closed Session for a property discussion.
- After much discussion the Board agreed to wait on a vote until more information is gathered.
- The Board voted out of Closed Session and voted to adjourn the meeting unanimously at 6:55 p.m.

Special Meeting Minutes 6/23/2025

- The Meeting was called to order at 6:00 p.m.
- The Mayor asked Christine McGhee to lead the assembly in the Pledge.
- Roll call confirmed a quorum and the Consent Agenda passed unanimously.
- The only business from the floor was the representative from Hood and Associates who explained the 2024 Audit results. The Audit report was an unmodified, clean opinion with no significant challenges or weaknesses.
- Seeing no further business from the floor, the Mayor presented two ordinances

FIRESIDE CHAT— Feeling overwhelmed? Struggling with anxiety, depression, or a mental health crisis?

The 988 Suicide & Crisis Lifeline is a free, 24/7 support service for people in emotional distress or experiencing a mental health or substance use crisis. By simply dialing or texting 988, anyone in Missouri — and across the U.S. — can immediately connect with a trained counselor for support, guidance, and resources. This new 3-digit number replaced the previous 1-800-273-TALK hotline in July 2022. It's easier to remember and designed to work much like 911, but specifically for mental health emergencies. The service is confidential, judgment-free, and available to people of all ages, including those worried about a loved one.

How to Use the 988 Lifeline: To use 988, just call or text "988" from any phone. You'll be connected to the nearest crisis center based on your area code, and a trained counselor will listen, offer support, and help you stay safe. You can also use the online chat feature at 988lifeline.org if you prefer typing over talking. 988 is not just for suicide prevention—it's also for anxiety, depression, substance use, or emotional distress. If needed, counselors can help connect you to local crisis teams, mental health professionals, or emergency services.

Benefits of 988: One of the biggest advantages of 988 is how fast and accessible it is. You no longer need to remember a long 800-number to get help. In Missouri, more than 90% of calls are answered quickly, often within 20 seconds, by in-state professionals who know the local resources. 988 also reduces pressure on 911 and emergency rooms by sending help that's better suited to mental health crises. It promotes long-term safety, early intervention, and follow-up care—all while keeping your privacy protected.

Stay safe,

— Captain Brandon Smith, Sugar Creek Fire Department

HOUSEHOLD HAZARDOUS WASTE— What is hazardous waste? Hazardous waste is waste with properties that make it dangerous or capable of having a harmful effect on human health or the environment. Household hazardous waste includes products typically used in residences, like paint, cleaners, lawn and garden products, automotive fluids, bug sprays, fluorescent lights, and other chemical products. Products labeled as flammable, toxic, corrosive, or reactive are household hazardous waste. All hazardous products must include a signal word — danger, warning, or caution — on the label.

The Regional HHW Collection Program provides convenient access to proper HHW disposal for all district residents. The MARC Solid Waste Management District encompasses Cass, Clay, Jackson, Platte, and Ray counties in Missouri.

Sugar Creek is a participant in the MARC HHW program, and residents may take HHW products to the permanent collection facilities in Kansas City, Missouri, at no charge. (Proof of residency is required.)

PLEASE NOTE: A household hazardous waste collection event is scheduled for August 10. See more information page 4!

CITY TO START TNVR PROGRAM

The City of Sugar Creek is partnering with Community Cat Colony Connections, a local volunteer organization for a new TNVR (Trap-Neuter-Vaccinate-Return) program to help humanely manage and reduce the number of free-roaming and stray cats (community cats) in our neighborhoods. This program is a proven, effective, and compassionate approach to controlling the community cat population over time. TNVR is widely supported by animal welfare organizations, including the ASPCA and the Humane Society of the United States.

If you're interested in helping or need assistance with community cats in your area, please visit the Community Cat Colony Connections' website at <https://www.c4cats.org>.

• ALL RESIDENTS, PLEASE NOTE • REFUSE RATE INCREASE

The City has selected Republic Services as the provider for residential waste disposal services following a formal Request for Proposal (RFP) process. The contract was awarded to the lowest and best bid to ensure no reduction in the level of service currently provided to residents.

On June 23, 2025, the Board of Aldermen unanimously approved Ordinance #4791, authorizing a new service contract with Republic Services for residential waste disposal. As part of this approval, the Board also adopted a new refuse rate of \$25.30 per account. Residents will see the updated rate reflected on their utility bill due August 18, 2025.

We appreciate your continued cooperation as we work to provide high-quality and reliable waste services to our community.

If you are 65 years or older, please contact City Hall to sign up for the reduced service charge. For more information, please contact City Hall at 816-252-4400.

NEW REFUSE RATES:

Regular refuse monthly service charge: \$25.30

Residents 65 years or older monthly service charge: \$24.30

to the Aldermen. Both passed unanimously.

- Ordinance #4790 approved a proposal with Federal Signal Corporation to provide professional service installation of emergency siren equipment for the siren located at Vermont Avenue and Kentucky Avenue in the City of Sugar Creek, Missouri.

- Ordinance #4791 approved a Municipal Materials Management Agreement by and between the City of Sugar Creek, MO and Allied Services LLC, dba Republic Services of Kansas City, a Delaware Limited Liability Company and authorizing the Mayor to execute the Agreement on behalf of the City of Sugar Creek.

- The Mayor noted four items:

1. The Mayor asked Nikki Green if she would like to be recognized as the Sugar Creek Civic Leadership awardee at the Westgate Luncheon in September. The Aldermen agreed unanimously by voice vote.
2. The Mayor handed out copies of the proposed improvements to Fairmount Shopping District. The Bi-State Corridor is still in the planning stages.
3. Independence has combined the Crysler Bridge and the Kentucky Bridge into a single RFP.
4. The Mayor will be at a conference on July 12-14. This may or may not affect the first Council Meeting in July.

- Alderman Steffen asked about progress in fixing Courtney Road.

Mr. Kenney said he would address that in his report.

- Mr. Kenney addressed five topics:

1. Waste Management sent over the "numbers" associated their latest study. Attempts were made to have Waste Management explain the numbers but they said they couldn't.
2. Mr. Kenney contacted Cook, Flat, and Strobel, the engineering firm used in the past for a possible explanation of the numbers that Waste Management provided.
3. Through the work of Representative Steinmeyer, the City may receive money to help defray the cost of the repair of Courtney.
4. Ideker Asphalt has asked when repairs can begin, and Mr. Kenney continues to send out weekly emails to Waste Management on the status.
5. Mr. Kenney asked for approval of a new trash rate. Republic's rate will be \$22.00. Mr. Kenney asked for an additional 15% to cover expenses which will make a resident's monthly rate \$25.30 and a Senior rate \$24.30. The Aldermen passed the motion

unanimously.

- Chief Soule added the following list:

1. Grass ordinance violation notices continue to go out.
2. The Chief will have an ordinance ready next Council Meeting to address the use of 4-wheel vehicles, ATVs, UTVs and golf carts that are not approved for highway use.
3. Chief Soule reminded everyone to be in line by 10:30 a.m. on July 4th for the start of the Parade at 11:00 a.m.
4. The crossover at 291 and Cement City Road will be closed from 7:00 p.m. until after the fireworks show on July 4th.
5. The Chief reminded everyone street sweeping will begin on Monday, June 30. All cars should be removed from Sterling Ave. on June 30 for the sweeping and on July 4th for the parade. A letter will be sent to Sterling Ave. residents prior to Monday, June 30.

- Chief Richardson acknowledged they will be ready for the parade and fireworks show.

- Mrs. McGhee reported we are accepting applications for the position of Building Official. City offices will be closed on July 4th.

- Mrs. Guthrie prepared a Budget Process handout for all the Aldermen. The next budget is being compiled with the help of each department head and the first draft should be ready by the second meeting in July.

- Mr. Hedrick reviewed the progress of Public Works:

1. Ace Pipe will be cleaning in several areas.
2. Curb at the Sugar Creek Gym has been repaired.
3. Wil-Pav has finished the concrete work at City Hall.
4. Ace Pipe has found several voids in the sanitary sewer lines that need to be addressed.
5. Public Works is still waiting on the new Dump Truck.

- Mrs. Smith announced:

1. A new exercise program has begun at the gym on Mondays from 10:30 a.m. to 11:30 a.m.
2. Mrs. Smith stated several tickets are still available for the New Dinner Theater in June. The play this month is CLUE.
3. Potluck is 7/8; fried chicken will be the main dish.
4. Concert in the Park is Friday, 6/27. Route 66 Band to perform.
5. If you need ice for the 4th, please go to the Fire Department. Too many times the ice at Onka is gone when needed for the parade.

- Seeing no business from the floor, the Council voted into Closed Session for a real estate discussion. After much discussion the Board agreed to take the matter under advisement until more information is gathered.

- The Board voted out of Closed Session and voted to adjourn the meeting unanimously at 7:07 p.m.
