<u>FY-25-131-COMM-ROOF</u>	Commercial Roofing	<p>We will remove and replace approximately 30 squares of the existing TPO (thermoplastic polyolefin) roofing system. Work includes the complete removal of membrane, insulation, and fasteners down to the structural deck. While the deck is exposed, we will conduct a full inspection to assess for any moisture damage, rot, or deterioration. Any compromised decking will be replaced with like-for-like materials to restore structural integrity.</p> <p>Upon inspection and any necessary repairs, we will install new polyisocyanurate insulation to meet or exceed current R-value code requirements, followed by the installation of a fully adhered 60 mil TPO membrane system. All flashing details, terminations, and penetrations will be installed per manufacturer specifications and in compliance with current IBC and local building codes. The roofing system will include proper drainage and a minimum 15-year manufacturer's warranty.</p>	202 E BARTON AVE, Temple TX 76501	MOORES FIRST ADDITION	0	\$0.00	Applicant: Erik Estrada of Potential Forged LLC.
