

EVENT ADVISORY

Temple Fire and Rescue to host Annual Fire Safety Day during National Fire Prevention Month

Event to be held at Central Fire Station from 10 a.m. to 1 p.m.

TEMPLE, TX (October 6, 2023) – Temple Fire and Rescue is hosting its annual Fire Safety Day to educate the community about fire safety and highlight the importance of fire prevention through a variety of engaging activities, challenges, and demonstrations.

WHAT: Annual Fire Safety Day

WHEN: Saturday, October 14, from 10 a.m. to 1 p.m.

WHERE: Central Fire Station, located at 210 N Third St.

COST: Free

In observance of National Fire Prevention Month, Temple Fire and Rescue invites the public to attend their annual Fire Safety Day on October 14. This year's event will feature rides on the station's antique fire truck, tours of Central Station, pedal kart and impairment goggle demonstrations, and simulations in the fire safety house and rollover convincer.

"Fire Safety Day is all about keeping people safe," said Mitch Randles, Temple Fire Chief. "We always love interacting with the community, and it's a day where we can come together and learn how to prevent fires and stay protected in emergency situations."

Various informative stations will be set up at the event, where attendees can receive safety information on car seats, poison control, fire extinguishers, and more. Residents can also make appointments for home smoke alarm assessments and installations.

TFR staff will also host a bake sale at the event to fundraise for its upcoming holiday initiative, Rescue Elves, which works to provide local families in need of assistance with Christmas gifts for their children.
