City of Temple to Host Contractor Workshop

Workshop to be held on Tuesday, October 3

TEMPLE, TX (September 26, 2023) – The City of Temple invites local contractors who are interested in bidding on City-funded Housing Improvement Projects to attend an upcoming Contractor Workshop.

WHAT: Contractor Workshop

WHEN: Tuesday, October 3 from 10 a.m. - 11 a.m.

WHERE: Historic Post Office 1st Floor Conference Room, located at 101 N Main St.

The Housing Improvement Program was created to identify issues that may pose a threat to the health and safety of the home's occupants and to provide repairs for those issues. Recipients must be low- or moderate-income (LMI) City of Temple homeowners.

Contractors attending this workshop will have the opportunity to discuss changes in the Housing Improvement Program bidding system, the requirements to submit bids, and how to use the bidding portal. Attendees will also learn about other bidding opportunities the City of Temple has to offer through the Bonfire System.

All contractors that are considering submitting a bid are strongly encouraged to attend the Contractor Workshop.
