

TRAFFIC ADVISORY

Old Waco Road Construction

Single lane closure beginning March 11, 2024

TEMPLE, TX (March 5, 2024) – Ongoing reconstruction of Old Waco Road from Tarver Drive/Jupiter Drive to Riverside Trail will soon include a short-term lane closure on Riverside Trail at the intersection with Old Waco Road.

The lane closure will temporarily eliminate a dedicated right hand turn lane on Riverside Trail at the west intersection with Old Waco Road. This closure will begin with two-way traffic directed onto east-bound Riverside Trail while construction occurs under the north bound lane. Then two-way traffic will be directed onto west-bound Riverside Trail while construction proceeds under the eastbound lanes.

This lane closure begins March 11, 2024, extending through March 15, 2024, and Riverside Trail will be open to two-way traffic throughout the duration of this closure.

Old Waco Road in this area will remain open and driveways will be accessible.

Drivers should use caution in the area and pay attention to all traffic control devices.

Residents with inquiries about the project can contact the City of Temple Engineering Department at 254.298.5660.
