

EVENT ADVISORY

City of Temple to host Community Partnership Program Workshop *Grant Workshop to be held on Thursday, September 7*

TEMPLE, TX (August 31, 2023) – The City of Temple is thrilled to announce its upcoming Temple Community Partnership Program Workshop, an initiative fostering collaborative efforts among partners to implement strategic projects.

WHAT: Temple Community Partnership Program Workshop

WHEN: Thursday, September 7 from 1:30 p.m. - 2:30 p.m.

WHERE: 1st floor conference room in the Historic Post Office located at, 101 N Main St.

The Temple Community Partnership Program (TCPP), formerly known as the Outside Agency Funding Program, is an initiative designed to foster collaboration between partners in implementing key projects outlined in the City's Strategic Plan, Comprehensive Plan, and/or Consolidated Plan. Annually, City Council and city staff review these plans and prioritize initiatives, adjusting as projects progress. This evaluation guides the selection process for TCPP projects, dictating which projects will be part of the yearly call for proposals.

Join us for the TCPP Workshop, where we'll discuss various partnership categories, types, and examples, to use when developing partnership proposals.

The City of Temple Community Partnership Program Workshop will provide an opportunity for discussion, questions and guidance through this year's RFP process.
