

MEDIA ADVISORY

City Services and Facilities Updates - Inclement Weather

TEMPLE, TX (January 31, 2023) – Due to inclement winter weather conditions continuing through Wednesday, City of Temple facilities will be closed tomorrow, February 1. Facilities are currently expected to reopen Thursday, February 2.

City facility closures include:

- Temple Municipal Court
- Utility Business Office
- Temple Public Library
- Temple Animal Shelter
- Frank W. Mayborn Civic & Convention Center
- Railroad & Heritage Museum
- Sammons Community Center
- Sammons Golf Course
- Sammons Indoor Pool
- Summit Recreation Center
- Wilson Recreation Center
- Zone After School

For information on City services, you may obtain more information by visiting templetx.gov.

Emergency services will continue to operate as normal.

All residential and commercial solid waste services will resume on Thursday, February 2. Visit templetx.gov/solidwaste for additional collection updates/schedules.

Utility crews will be responding to water & sewer emergencies. Water and Wastewater Treatment Plant operations will proceed as normal. To report a water leak or outage, call 254-217-4153.

Two warming shelters are currently operating in Temple. Salvation Army, located at 419 W. Avenue G, and Impact Church, located at 306 E. Adams Ave. Please contact each facility for information regarding their shelters.

The Public Works Department continues to sand the most-utilized portions and priority sections of City-maintained roads. As with any winter precipitation event, icy roads can be expected. While road surfaces are slick, residents should avoid travel, if possible, limit driving only to necessary trips, drive at slower speeds appropriate to the conditions and proceed with caution while wintry conditions persist.

To report a power outage, visit Oncor's Storm Center website, stormcenter.oncor.com, call 888-313-4747 or text OUT to 66267. Registration for "My Oncor Alerts" is required. To register for My Oncor Alerts, text REG to 66267.

For gas emergencies and leaks, call 911. Then, call Atmos Gas' emergency line at 866-322-8667.

Additional City staff, including Police and Fire Department personnel, are on-call to respond if call volumes increase due to the winter storm impact.
