Water line repair in Southwest Temple

Repairs could take between 12 to 14 hours

TEMPLE, TX (January 26, 2023) – Crews are working to repair a water line in the area of Pecan Valley Drive and Briarcliff Road.

At approximately 10:00 a.m., a 12-inch main pipe failed.

Residents in that area may experience little to no water.

Repairs are estimated to take around 12 to 14 hours.
