

TRAFFIC ADVISORY

Knob Creek Trunk Sewer Phase 1

Detour scheduled beginning April 9, 2024, through May 26, 2024

TEMPLE, TX (April 2, 2024) – Ongoing construction of the Knob Creek Trunk Sewer Phase 1 will include a temporary detour on South 26th Street beginning on April 09, 2024, with an estimated completion on May 26, 2024.

South 26th Street from Avenue N to Avenue J will be closed to thru traffic but remain open for local two-way traffic only for access to residences within the affected area. This detour is required as a moving road closure on South 26th Street will progress from Avenue N towards Avenue J as installation of underground utilities proceed.

Drivers should use caution in the area and pay attention to all traffic control devices.

Residents with inquiries about the project can contact the City of Temple Engineering Department at 254.298.5660.
