COUNCIL AGENDA ITEM MEMORANDUM

Item #7
Regular Agenda
Page 1 of 2

DEPT./DIVISION SUBMISSION & REVIEW:

Traci L. Barnard, Director of Finance

ITEM DESCRIPTION: Receive the City of Temple Comprehensive Annual Financial Report for fiscal year ended September 30, 2014.

STAFF RECOMMENDATION: Receive the audit report as presented in item description.

BACKGROUND: According to the City Charter of the City of Temple, an annual independent audit is required to be made of the financial records of the City by a Certified Public Accountant selected by the City Council. The City of Temple engaged the firm of Brockway, Gersbach, Franklin & Niemeier, P.C.

The City of Temple Comprehensive Annual Financial Report (CAFR) for fiscal year ending September 30, 2014, will be presented by Steve Niemeier, CPA. Mr. Niemeier is a partner with the accounting firm of Brockway, Gersbach, Franklin and Niemeier, P.C. and will be available to address the Council members' questions.

In the previous year's financial statements, the City implemented a dramatic change in governmental financial reporting. We believe this new presentation provides better information to users of the comprehensive annual financial report. The new reporting model issued by the Governmental Accounting Standards Board requires that the management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). The City's MD&A can be found immediately following the independent auditors' report.

The comprehensive annual financial report is presented in four sections: introductory, financial, statistical and compliance. The introductory section includes this transmittal letter, the City's organizational chart and a list of principal officials. The financial section includes the MD&A, Government-wide and Major Fund presentations, notes to the financial statements, Required Supplementary Information, Combining Individual Fund Statements, as well as the independent auditors' report on the financial statements and schedules. The statistical section includes selected financial and demographic information, generally presented on a multiyear basis.

FISCAL IMPACT: The fee for the FY 2014 annual audit is \$70,500. The audit fee is proportionally allocated to each fund.

ITEM DESCRIPTION: Consider adopting a resolution authorizing a Donation Agreement between the City of Temple and 302 Acres Leon River, LP for the donation of 58.76 acres of land to the City.

STAFF RECOMMENDATION: Adopt resolution as presented in item description.

ITEM SUMMARY: 302 Acres Leon River, LP ("302 Acres") is the owner of approximately 58.76 acres of land located in South Temple and adjacent to the property known as Bend of the River. 302 Acres has approached the City and is willing to donate the 58.76 acres to the City. By accepting the property, the City would significantly increase the size of Bend of the River from approximately 31 acres to almost 90 acres of land. This would provide a large footprint for future development of the property into a park facility.

In addition to the 58.76 acres, 302 Acres is willing to donate a sewer line easement through its remaining property that is necessary for the construction of the Leon River Trunk Sewer. 302 Acres also plans to construct part of a street to the north of the existing Johnson Brothers Ford dealership. After construction of the street, 302 Acres will deed the right of way for the street and future extensions of the street to the City.

Staff recommends authorizing this agreement.

FISCAL IMPACT: The City will be responsible for future maintenance of the road and costs associated with the closing transaction on the land.

The purpose of the program is to utilize and expand services for crime victims, crisis services, peer support services, professional therapy and counseling, protective order assistance and public education presentations through a 24/7 volunteer program.

The grant-funded projects must begin on or after September 1, 2015, and expire on or before August 31, 2016. If funding is available, we can reapply each year. We would ask for services of a Licensed Professional Counselor (\$15,000), 2 office chairs (\$400), general supplies (\$2,525), training materials for Volunteers (\$600) and travel & training (\$1,500).

FISCAL IMPACT: If awarded the grant, the City would receive \$20,025. There is a match of 20% required that can be fulfilled through in-kind contributions and donations. The City's required match of \$4,005 would be met through the use of in-kind volunteer hours from criminal justice students of Texas A&M, Central Texas and Temple College.

- (B) A resolution of commitment to local funding in the amount of \$897,000 for a housing tax credit senior project by Picerne Affordable Development, LLC.

STAFF RECOMMENDATION: Consider adopting resolutions as presented in item description.

ITEM SUMMARY: Picerne Affordable Development LLC, has submitted a pre-application to the Texas Housing and Development Corporation housing tax credit program for the development of a senior affordable housing project. The Developer anticipates a project investment of \$16,800,000 to include 94 total units with 90 subsidized and 4 at market rate. The proposed development would be located on the east side of S. Pea Ridge Rd. & north of Tarver Drive.

The tax credit is an indirect Federal subsidy begun in 1986 as a market-based incentive to encourage investment & development of affordable rental housing. The program works by reducing the debt that the developer would otherwise borrow, allowing them to offer lower, more affordable rents. The program provides equity financing for the developer and is not a direct benefit to individuals.

The Tax Credit program is a competitive system largely based on point categories including points related to community support and engagement. Up to 17 points is available to the developer if a resolution of support is obtained from the municipality in which the development will be located. Up to an additional 14 points is available to the developer if the municipality provides a commitment to local funding for the project.

The City Council has adopted a resolution that established a policy regarding lending support for tax credit projects. As part of the resolution, the following criteria were established for evaluation of proposed projects:

- 1-5 points Senior/elderly developments;
- 1-5 points Developments that pay property taxes;
- 1-5 points Demonstrated development team experience;
- 1-5 points Demonstrated project cost and financial feasibility;
- 1-5 points Provision of both tax credit and market rate units;
- 1-5 points No City infrastructure required or remedies deteriorated city infrastructure without city participation
- 1-5 points Favorable site conditions;
- 1-5 points Provision of appropriate and quality supportive services for residents
- 1-5 points Conformance and consistency with Comprehensive Plans, workforce housing development plans and strategic plan;
- 1-5 points Location in specific areas where development is encouraged;
- 1-5 points Minimum impact on existing tax credit developments and other workforce housing developments;
- 1-5 points Developer's commitment and past experience in the community;
- 1-5 points Support from local agencies, neighborhood organizations, e.g. TEDC, Chamber of Commerce, Citizens for Progress
- 1-5 points Addresses tenant populations with special needs
- 1-5 points Repositioning (reinvestment) of existing developments
- 1-5 points Impact on elimination of blight
- 1-5 points Quality of the units and project as a whole
- 1-5 points Level of investment per square foot
- 1-15 points Any other evaluation criteria that Council deems applicable

The Developer is requesting 1) a resolution of support for their proposed project and 2) a commitment of local funding in the amount of \$897,000 for the proposed project.

FISCAL IMPACT: If Council desires to provide a commitment of local funding, it is Staff's recommendation that such funding be in the form of a loan with a maturity of five (5) years from the date of closing, at an interest rate of 3% fixed, interest only payable monthly, principal payable on or before maturity, secured by 100% cash, money market account, or a Certificate of Deposit and subject to an up-front non-refundable application fee of \$2,000 for the conditional commitment, a ¼ % fee within 30 days of receiving notice of the TDHCA tax credit award letter and a 1% origination fee upon closing and funding of the loan.
