# Temple Parks & Trails

## TRAIL ETIQUETTE

**Be courteous** to other trail users regardless of speed, skill level or mode of travel (e.g. bicycle, wheelchair or on foot). Use no more than half of the trail. Do not block the flow of other users.

**Leave no trace.** Carry out what you carry in.

**Keep to the right, except when passing.** When paths are crowded, slow down and always yield to pedestrians and slower moving traffic.

**Pass on the left.** Give an audible signal before passing either by voice (e.g. "On Your Left!") or other means (e.g. ringing a bell). Pay special attention when passing children and pets.

**Stopping: Move to the right when stopping.** If possible, step off the trail. Be cautious of others approaching from behind and make sure they know you are pulling over.

**Be Predictable.** Travel in a consistent and predictable manner. Always look behind you before changing positions on the trail.

**Obey all traffic signs and signals.** Use extra caution where trails cross streets. Stop at all signs and intersections. When entering or crossing a trail, look both ways and yield to other users.

**All Temple trails are pet friendly.** Owners must clean up after their pet immediately.

There is **No Smoking** in all City of Temple Parks and Trails.

## TRUE TRAILBLAZING

Temple has many trails covering over 20 miles throughout the city. Some of the longer trails link different areas of Temple, while many of the shorter trails are more for leisure enjoyment. Whether you enjoy hiking, biking, jogging or walking, you can find a trail to enjoy near you.
