

# Meeting Minutes 10/10/2022

12:00pm Meeting Started

Attendees: Jason Gentel, Allen Crockett, Jeanette Shepherd, Cory Tobin, Fred Bookman, Brielle Turner

Jason Gentel: Finances; missed the projected revenue for the month of September by \$7,000. Still \$31,000 ahead of last years September. We met our \$10,000 goal in raising money for our Junior Golf Foundation. Discussing simulator ideas for upcoming year in the new building. Issued PO for lights in the new building as well as propane heating and septic. Getting ready for Mayors Cup next week. Kirby is pressure washing building, deck, and pavilion. We will need to last another 2 seasons with these carts and batteries and hope we can. Trying to get next batch of carts on ARP.

Allen Crockett: Lots of dirt has and is still being donated from the new pool building being put up where the old pool used to be. Dirt is being used on the course for many different projects including fixing cart paths, etc. Number 5 cart path has been completely redone and is still being worked on. Number 5 is also being reseeded. Hope to have it all done by Mayors Cup. Still getting everything ready for Mayors Cup next week. Have gotten lots of good feedback from golfers about the course looking great and they are glad the city is putting money into their facilities to make them better. We have purchased 8 extra golf carts for Mayors Cup. Very little storm damage!

Cory Tobin: Discussing advertisement for golf course in a couple different locations on signs in Thomasville to bring more people out.

Jeanette Shepherd: Working on getting approval for a grant for water on the golf course (new piping and tank).

Meeting Adjourned @ 12:30pm
