

Social Media Policy

The City of Thomasville Recreation Department uses social media to interact with residents, businesses and visitors about public issues related to our jurisdiction. Please note this is a moderated online discussion site and subject to North Carolina Public Records Laws, and ediscovery laws and policies. All comments and content shared on our government sponsored social media sites must pertain to items within the jurisdictional control or authority of our governmental unit.

The City of Thomasville Recreation Department reserves the right to delete submissions that do not meet the purpose of this site as set out above. The following are examples of unacceptable social networking content and comments. Please note this list is not intended to be all-inclusive:

1. Any content or comments that do not relate to the jurisdiction or authority of the jurisdiction itself.
2. Profane or obscene language or content as determined by the profanity filters offered through each social media platform (such posts result in the comment/content being blocked through the social media's profanity filter).
