

# TEXAS Watershed Steward

The Texas Watershed Steward program is a free educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**March 10, 2016:  
1:00 pm - 5:00 pm**

Trinity River Authority  
of Texas General Office  
5300 S. Collins  
Arlington, TX 76018

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Village Creek & Lake Arlington Watershed and efforts by the Trinity River Authority and area residents to improve and protect it. Doors will open at noon for a free lunch for attendees who preregister by Mar. 8. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
