

Texas

WATERSHED STEWARD

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**July 25, 2023:
12:30 p.m. - 4:30 p.m.**

**Russell Farm Art Center
405 W County Rd 714, Burleson, TX 76028**

Register by July 21 for FREE, in-person LUNCH!

Preregistration Required, Space Limited

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Village Creek—Lake Arlington watershed. Efforts by the City of Burleson, Trinity River Authority of Texas, and best management practices local stakeholders may use to help improve and protect their water quality, will be highlighted. Free continuing education credits/CEUs offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.

Pre-register for the workshop by going to:
