

Protect Our Alligator Snapping Turtles

Did you know that Alligator Snapping Turtles are Protected under State Law?

What to do:

- **USE CAUTION:** Snapping turtles can be large and aggressive - always keep your distance.
- Whenever possible, release it unharmed from fishing lines.
- Take a photograph (GPS enabled if possible).
- Text the photo and location to 281-302-8033.
- Visit www.trinityra.org for more information.
